the profession of the parents as a fact more immediate than their racial derivation Both parents were actors and the stage seems to have been in keeping with certain tendencies in the father He seems to have been a Bohemian or rather a vagabond It is said that he had made an imprudent marriage it is fairly certain that he deserted his wife before the child Edgar was born The mother died when Poe was two years old and Edgar one of her three children was adopted by a childless pair the Allans wealthy Scotch folk of Richmond in Virginia Four years later the Allans made a tour through Ireland Scotland and England They settled in England for a while and young Edgar Allan now six years of age was given five years schooling at Stoke Newington He was eleven when he returned to America with the Allans and we hear of him afterwards as a youngster at the Richmond school brilliant indeed but defiant irritable and solitary a descendant of a race whose imaginative and easily excitable temperament has at all times rendered them remarkable as he says in what seems to be an autobiographical note About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
