Tales Of Old Key West:

Key West Tales John Hersey, 2019-06-26 Alternating a tale of the past that has become a part of Key West legend with a contemporary story that reflects the pulse of life there today Hersey weaves in these stories a brilliant human tapestry of the place that means a great deal to him From the author of *A Bell For Adano* and *Hiroshima* comes this final collection of stories

Tales and Truths From The Southernmost Point Cindy de León, 2023-07-30 The island of Key West located on the Southernmost Point of the United States has always been a place known for its uniqueness and mystery Many people that don't know the island perhaps believe it is a place to just have fun relax and go on vacation but the small island has and always has had so much more to give It is a very nurturing place where real families live and thrive This is well known to the writer because it was where she grew up These island stories are inspired by the lives and struggles of those she loved her ancestors and sometimes her own life Many of the characters are larger than life and perhaps unimaginable but such is the essence of the people who have lived on the island for centuries Those people were and still are fighters and survivors and there is no better way to celebrate them than to give the reader a bit of that spice and many times reality the stories bring with them The tales are dramatic colorful and sometimes humorous The people of the island her people are imperfect bold vivacious friendly sensitive and very outspoken She wants the stories to touch the reader like the people of the island have touched the hearts of so many for so long She wishes the reader to have the experience of jumping into the warm saltwater existence of a place that transcends time sleeps and awakens to a new life even amidst storms These stories are not for cowards they may contain challenging truths strong language and situations that may cause people to think but like the people they speak of they also contain the balsam of healing love understanding forgiveness and peace because the author truly believes it is a place populated with lessons and blessings from above
