Tales Of The British Columbia Provincial Police:

Tales of the British Columbia Provincial Police Cecil Clark,1971 **B.C. Provincial Police Stories** Cecil

Clark,1986-05 Cecil Clark s stories from the archives of B C s first lawmen show why the B C Provincial Police was considered one of North America s best police forces Included are tales of the McLeans a gang of vicious young killers in the Interior Skook Davidson one of the force s most unconventional Special Constables canine policemen and Sergeant Sperry Cline and his one of a kind approach to policing Pioneer Days in British Columbia Art Downs,1979-05 Pioneer Days is a blend of words and photos that proves British Columbia s history is as interesting as that recorded anywhere else in North America Every article is true many written or narrated by those who 100 or more years ago lived the experiences they relate Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos many published for the first time **The Man Who was Hanged by a Thread** Cecil Clark,2011-11-15 From 1858 until 1950 the BC Provincial Police

were responsible for maintaining law and order in British Columbia Numbering only 100 men in 1900 they patrolled this vast area by horseback boat snowshoes and dog team until the arrival of the train automobile and airplane In these classic cases from the files of the BC Provincial Police former deputy commissioner Cecil Clark brings to life the lawmen who upheld the peace and the criminals who disrupted it A Texas gambler thinks he has committed the perfect murder but his plans are foiled by Barkerville s barber A Quesnel family disappears in mysterious circumstances their fate remains unknown to this day Two men are brutally murdered at Osborne Bay in a case of mistaken identity but did they ever receive justice These dramatic stories provide a vivid window into BC s frontier society and the challenges faced by the members of North America s first territorial constabulary The Notorious Georges Jonathan Swainger,2023-10-15 Boozy and boisterous The Georges the communities of South Fort George and Fort George that ultimately became Prince George acquired a seedy reputation for a century at times branded the dubious title of Canada s most dangerous city Is Prince George really such a bad lad The Notorious Georges explores how the pursuit of respectability collided with caricatures of a riotous settlement frontier in its early years Anxious about being marginalized by the provincial government and venture capitalists municipal leaders blamed Indigenous and mixed heritage people non preferred immigrants and transient labourers for local crime Jonathan Swainger combs through police and legal records government publications and media commentary to demonstrate that the disorder was not so different from the rest of the province and respectable white residents were often to blame This lively account tells us about more than a particular community s identity It also sheds light on small town disaffection in modern Canada

J. F. Boshier,2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the

Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover

Don't Never Tell Nobody Nothin' No How

Rick James, 2018-10-13 We operated perfectly legally We considered ourselves philanthropists We supplied good liquor to poor thirsty Americans and brought prosperity back to the Harbour of Vancouver Captain Charles Hudson At the stroke of one minute past midnight January 17 1920 the National Prohibition Act was officially declared in effect in the United States From 1920 to 1933 the manufacture sale importation and transportation of alcohol and of course the imbibing of such products was illegal Prohibition was already a bust in Canada and it wasn t long before fleets of vessels from weather beaten old fish boats to large ocean going steamers began filling their holds with liquor to deliver their much valued cargo to their thirsty neighbours to the south Contrary to popular perception rum running along the Pacific coast wasn t dominated by violent encounters like those portrayed in the movies Instead it was usually carried out in a relatively civilized manner with an oh so Canadian politeness on the British Columbian side Most operated within the law But there were indeed shootouts hijackings and even a particularly gruesome murder associated with the business Using first hand accounts of old time rum runners extensive research using primary and secondary documentation and the often sensational newspaper coverage of the day Don t Never Tell Nobody Nothin No How sets out to explain what really went down along the West Coast during the American Noble Experiment
