magical tool from experienced couples therapist Nancy Dreyfus *Talk to Me Like I'm Someone You Love* is a brilliant interactive relationship tool that can help couples stop arguing and begin healing. Couples therapist Nancy Dreyfus hit upon this revolutionary practice during a particularly angry couples therapy session in which a wife's unrelenting criticism of her husband was making him more and more emotionally withdrawn. Suddenly Dreyfus found herself scribbling on a scrap of paper *Talk to me like I'm someone you love* and gesturing to the husband that he should hold it up. He did and within seconds the familiar power differential between the two shifted and a gentler more genuine connection emerged. This revised edition features two new sections one on making love and another on deepening trust containing over 25 new flash cards for real life written statements that hold the power to express what we wish we could say to the person we love but for which we can't find either the right words or the right tone in which to say them. Each of the statements in this book is accompanied by field notes from the author that explain when why and how to use the statement as well as real life stories from the author's practice. The most crucial relationship advice book since *Men Are from Mars*. Every Being even the animal is looking for it. And what is it that we are all looking for? Happiness with no sorrow. A continuous state of happiness with no taint whatsoever of sorrow. Now if this be the Goal why is it the Goal? The reason why it is the Goal is because imperturbable happiness is our very basic nature. And what is imperturbable happiness? Complete and total freedom and that is freedom to do or not to do anything and everything. This is the real natural state before we encumber it with limitations.
