Drama of Pain Bernard J. Paris, 2012-08-14 This motivational analysis of the protagonists in Thomas Hardy's three most widely read novels *Tess of the d'Urbervilles*, *The Mayor of Casterbridge*, and *Jude the Obscure* highlights an often overlooked aspect of his art. Bernard J. Paris shows Hardy's genius in creating imagined human beings. He demonstrates that while Hardy tends to blame external conditions for his characters' painful fates, their downfalls are due to a very complex combination of cosmic, social, and psychological factors. Hardy's characters are usually discussed primarily in thematic terms. The characters are so richly portrayed, Paris argues, that they can be better understood independent of Hardy's interpretations in motivational terms, and he utilizes the psychologist Karen Horney's theories to recover Hardy's intuitions. The characters are full of inner conflicts that make them difficult to fathom, but the approach Paris employs explains their contradictions and illuminates their troubled relationships, shedding light on these expertly crafted imagined human beings. This psychological approach to Hardy's characters enables us to understand his characters and gain insight into the implied authors of the works. In addition, the approach shows Hardy's authorial personality. We can see that Hardy treats some defensive strategies more sympathetically than others. Given his view of life as a general drama of pain and resignation like that of Hardy's character Elizabeth Jane, is the strategy he prefers. **Canadian Book Review Annual**, 2003 [Canadian Books in Print. Author and Title Index](#), 1975

Tell Me Now Donna M. Wanner, 2005-05 *Tell Me Now* should be given to all school-aged girls as required reading. It not only helps young teens and girls cope with the pressures surrounding them, but it gives them the necessary tools to adopt and overcome. It is a must-have book. Lisa Nees, *Pageantry Magazine*. It was a delight to meet Donna when she gave her seminar on self-esteem for our National Pre-Teens. Our young ladies warmed up to Donna immediately and were captivated with her warmth and dedication to their interests. Jeanne Wallin, National Director, National Pre-Teen Corporation. It is my pleasure to endorse Donna Wanner's book *Tell Me Now*. Through her self-esteem classes here at Laramie County Community College, I have watched Donna teach, mentor, and assist girls as they develop that internal confidence. I am pleased that the college is able to play a small part in Donna's life work. Charles Bohlen, Ph.D., President, Laramie County Community College, Cheyenne, Wyoming. As a Girl Scout leader, I can really see the holistic approach of well-being and a healthy, positive self-esteem. Donna made our Girl Scout Troop feel special to be girls. They were able to learn important aspects of life from budgeting to personal care and relationships with others. Vickie Ferrin, Troop Leader, Girl Scouts of America.

Psychodrama and Systemic Therapy Chris Farmer, 2018-03-26 It is now increasingly recognized that psychodrama provides a valid and useful tool in many different contexts. Equally, practitioners in a wide variety of fields are acknowledging the benefits that a systems thinking approach can bring to their work. This book unites the two by describing the author's work over a number of years. The author provides a lucid exposition of his own systemic approach to psychodrama, both theoretically and in practical clinical terms. The final section, which discusses systemic approaches to psychiatric care in general, puts the book in a wider context and will make it of interest to a wide range of mental health
