Talking About Genesis A Resource Guide:

Talking about Genesis Bill D. Moyers, Public Affairs Television (Firm), 1996 Offers guidelines for organizing and conducting a Genesis discussion group and presents essays and commentary by leading scholars with accompanying questions and activities

Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes

Interpreting Beyond Borders Fernando F. Segovia, 2000-04-01 This book addresses a fundamental reality of our time the great movement of people for a variety of reasons within and across countries and cultures From this migration has emerged the diasporic intellectual the state of dislocation and displacement has become a vantage point for reflection and interpretation The same is true of theological studies in general and biblical criticism in particular In this masterly treatment Fernando Segovia focuses on the emerging transborder biblical interpreters from the Two Thirds World now residing and working in the West both in the United States and in Europe and examines their multiple identities He also explores how this state of in betweenness and homesickness affects influences and informs biblical interpretation

Seasons of the Mind Bernard S. Raskas, 2001-01-01 Rabbi Bernie Raskas has been living and teaching his faith for over 50 years He offers witty yet practical commentary on life faith and spirituality

Abraham Terence E. Fretheim, 2024-03-12 From God s surprising call to Abraham to leave home and family to God s enigmatic commands that he evict one son and sacrifice another Genesis 12 25 is one of the most dramatic stories of the Old Testament In an inviting style that showcases his literary discernment theological sophistication and passion for the biblical text Terence E Fretheim guides readers through the intricacies of the plot Abraham called the father of a multitude Gen 17 5 lives up to his name as the patriarch of three major religious traditions Fretheim examines Abraham s family and assesses the significant roles it plays across Judaism Christianity and Islam In addition Fretheim contributes to the increasingly important interreligious dialogue

surrounding Abraham by examining the continuing conversation among Muslims Christians and Jews about the place of Hagar and Ishmael in Abraham's family Relating biblical narrative to theological concerns Fretheim wrestles with such controversial concepts as God's selection of an elect people the gift of land and other promises the role of women and outsiders the character of God and the suffering of innocents Throughout the text Fretheim frames the narrative as rooted in the trials of family and faith that define Abraham as the father of three religions Adult Bible Studies Fall 2025

Doing the Bible Better Marek P. Zabriskie, 2014-09 Bible reading program that transforms lives and the church experience Develops the power of a daily disciplined spiritual practice Despite the fact that Episcopalians are among the best educated Christian groups in the United States they also rank among the least biblically literate denomination The author

maintains we can do Bible better and shows why it is absolutely critical to do so How can this weakness become a strength and source of spiritual growth for Episcopalians their churches and dioceses As an evangelist for biblical literacy and spiritual nourishment Zabriskie shows the way forward for the Episcopal Church and the Anglican Communion *A Sacred Argument* Christopher M. Leighton, 2024-01-26 Our society is sharply divided along political racial and religious lines People of faith often feel debilitated in the face of these divisions understanding neither their nature nor how best to respond As these divisions become more intense the need to get at their roots becomes more urgent A Sacred Argument addresses this need equipping readers with practical and theoretical resources to engage problems that all too often break down trust shut down honest conversations and disrupt collaborative action This story aims to renew within each reader the sense of compassion and the deep yearning for understandings that can come from the encounter with those who see the world differently *Reading the Women of the Bible* Tikva Frymer-Kensky, 2004-04-06 Winner of the National Jewish Book Award Reading the Women of the Bible takes up two of the most significant intellectual and religious issues of our day the experiences of women in a patriarchal society and the relevance of the Bible to modern life Frymer Kensky addresses both modern hypotheses and traditional beliefs and acknowledges which arguments can be supported and which questions remain unanswered A very approachable text Houston Chronicle *Political Themes in the Hebrew Scriptures* J. Gleicher, 2010-03-15 This volume collects explorations of various selections from the Hebrew scriptures focusing on these texts sacred teachings and their implications for issues of law justice and rulership Representative examples include the Book of Genesis the Moses narrative and the Decalogue and other laws **Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Roth, 2017-06-06 Postcolonial biblical criticism took shape largely by critiquing the book of Exodus Because of the eventual dispossession of Canaanites in the conquest narratives so goes the thinking the Hebrews God amounts to little more than a dangerous destructive and ethnocentric figure In Hyphenating Moses Federico Alfredo Roth challenges this consensus by providing an alternative reading of its early narratives 1 1 3 15 Redeploying postcolonial theory and themes Roth presents a reading of these well known scenes as orbiting around the topic of identity formation climaxing in the burning bush episode In the giving of the name YHWH

promotes the virtue of conceiving identity as a malleable reality to be sought after by all parties caught in the dehumanizing discourse of colonial subjugation *Making Disciples in Africa* Jack Pryor Chalk, 2013-08-14 With two thirds of sub Saharan Africa professing to be Christian it should be a concern to all Christians that the biblical worldview has had little impact on the shaping of contemporary African culture In this book Jack Chalk analyses the belief systems of the worldviews that are based on Christianity and African Traditional Religion The analysis conclusion and recommendations are presented with the view to helping the church in Africa deal with syncretism and the effect it has on the beliefs and practices of its members
