What fascinates Twain, Lee Smith writes in her introduction is how people react to the things that happen to them. Twain lets them speak in their own voices by and large in a chorus ranging from high flown oratory to the plain speech of working people. It seems generally true that the more elevated the speech the likelier that person is to be an idiot words of wisdom and common sense are invariably voiced by the common man or woman. The most profound and moving sketch in this whole collection, Smith writes, is one told by a freed slave.
