**A Different Vision: Race and public policy** Thomas D. Boston, 1997 First Published in 1996 Routledge is an

imprint of Taylor Francis an informa company      **A Different Vision** Thomas D Boston,2002-01-04 This work brings together for the first time the ideas philosophies and interpretations of North America s leading African American economists demonstrating that racial inequality has had an immense impact on African Americans daily lives      **Freedom's Currency** Julia Wallace Bernier,2024-09-24 The first comprehensive study of self purchase in the United States from the American Revolution to the Civil War Enslaved people lived in a world in which everything had a price Even freedom Freedom s Currency follows enslaved people s efforts to buy themselves out of slavery across the United States from the American Revolution to the Civil War In the first comprehensive study of self purchase in the nation Julia Wallace Bernier reveals how enslaved people raised money fostered connections and made use of slavery s systems of value and exchange to wrest control of their lives from those who owned them She chronicles the stories of famous fugitives like Frederick Douglass who with the help of friends and supporters purchased his freedom to protect himself against the continued legal claims of his enslavers and the possibility of recapture She also shows how enslaved fathers like Lunsford Lane and mothers like Elizabeth Keckley tried to secure lives for their families outside of slavery Freedom s Currency argues that freedom played a central role in the social and economic lives of the enslaved and in the ways that these aspects of their lives overlapped This intimate portrait of community illuminates the complexity of enslaved people s ideas about their place at the intersection of slavery and American capitalism and their attempts to value freedom above all Given the stakes liberation or remaining enslaved it is an account of both triumph and devastating failure      **The African-American Family in Slavery and Emancipation** Wilma A. Dunaway,2003-04-14 Table of contents      **The Routledge History of Slavery** Gad Heuman,Trevor Burnard,2010-11-01 The Routledge History of Slavery is a landmark publication that provides an overview of the main themes surrounding the history of slavery from ancient Greece to the present day Taking stock of the field of Slave Studies the book explores the major advances that have taken place in the past few decades of study in this crucial field Offering an unusual transnational history of slavery the chapters have all been specially commissioned for the collection The volume begins by delineating the global nature of the institution of slavery examining slavery in different parts of the world and over time Topics covered here include slavery in Africa and the Indian Ocean World as well as the Transatlantic Slave Trade In Part Two the chapters explore different themes that define slavery such as slave culture the slave economy slave resistance and the planter class as well as areas of life affected by slavery such as family and work The final part goes on to study changes and continuities over time looking at areas such as abolition the aftermath of emancipation and commemoration The volume concludes with a chapter on modern slavery Including essays on all the key topics and issues this important collection from a leading international group of scholars presents a comprehensive survey of the current state of the field It will be essential reading for all those interested in the history of slavery      **Freaks of Fortune** Jonathan Levy,2012-10-29 Until the nineteenth century risk was a specialized term it was the commodity exchanged in a marine insurance contract Freaks of Fortune tells

how the modern concept of risk emerged in the United States Born on the high seas risk migrated inland and became essential to the financial management of an inherently uncertain capitalist future      **The Claims of Kinfolk** Dylan C. Penningroth,2004-07-21 In *The Claims of Kinfolk* Dylan Penningroth uncovers an extensive informal economy of property ownership among slaves and sheds new light on African American family and community life from the heyday of plantation slavery to the freedom generation of the 1870s By focusing on relationships among blacks as well as on the more familiar struggles between the races Penningroth exposes a dynamic process of community and family definition He also includes a comparative analysis of slavery and slave property ownership along the Gold Coast in West Africa revealing significant differences between the African and American contexts Property ownership was widespread among slaves across the antebellum South as slaves seized the small opportunities for ownership permitted by their masters While there was no legal framework to protect or even recognize slaves property rights an informal system of acknowledgment recognized by both blacks and whites enabled slaves to mark the boundaries of possession In turn property ownership and the negotiations it entailed influenced and shaped kinship and community ties Enriching common notions of slave life Penningroth reveals how property ownership engendered conflict as well as solidarity within black families and communities Moreover he demonstrates that property had less to do with individual legal rights than with constantly negotiated extralegal social ties

Slavery and American Economic Development Gavin Wright,2013-02-18 Through an analysis of slavery as an economic institution Gavin Wright presents an innovative look at the economic divergence between North and South in the antebellum era He draws a distinction between slavery as a form of work organization the aspect that has dominated historical debates and slavery as a set of property rights Slave based commerce remained central to the eighteenth century rise of the Atlantic economy not because slave plantations were superior as a method of organizing production but because slaves could be put to work on sugar plantations that could not have attracted free labor on economically viable terms      **The Harvard Guide**

**to African-American History** Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America      *The Cambridge World History of Food* Kenneth F. Kiple,Kriemhild Coneè Ornelas,2000 A two volume set which traces the history of food and nutrition from the beginning of human life on earth through the present      *Converging Worlds* Louise A. Breen,2013-06-17 Providing a survey of colonial American history both regionally broad and Atlantic in coverage *Converging Worlds* presents the most recent research in an accessible manner for undergraduate students With chapters written by top notch scholars *Converging Worlds* is unique in providing not only a comprehensive chronological approach to colonial history with attention to thematic details but a window into the relevant historiography Each historian also selected several documents to accompany their chapter found in the companion primary source reader *Converging Worlds* Communities and Cultures in Colonial America includes

timelines tailored for every chapter chapter summaries discussion questions lists of further reading introducing students to specialist literature fifty illustrations Key topics discussed include French Spanish and Native American experiences regional areas such as the Midwest and Southwest religion including missions witchcraft and Protestants the experience of women and families With its synthesis of both broad time periods and specific themes *Converging Worlds* is ideal for students of the colonial period and provides a fascinating glimpse into the diverse foundations of America For additional information and classroom resources please visit the *Converging Worlds* companion website at [www.routledge.com/textbooks](http://www.routledge.com/textbooks)

9780415964999 *Hearing Enslaved Voices* Sophie White,Trevor Burnard,2020-09-01 This book focuses on alternative types of slave narratives especially courtroom testimony and interrogates how such narratives were produced the societies both those that were majority slave societies and those in which slaves were a distinct minority of the population in which testimony was permitted and the meanings that can be attached to such narratives The chapters in this book provide valuable information about the everyday lives including the inner and spiritual lives of enslaved African American and Native American individuals in the British and French Atlantic World from Canada to the Caribbean It explores slave testimony as a form of autobiographical narrative and in ways that allow us to foreground enslaved persons lived experience as expressed in their own words

**Encyclopedia of African American Business History** Juliet E. K. Walker,1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women s business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities
