**Tides of the Sovereign** Kate Gateley,2022-03-14 A centuries old rebirth curse an otherworldly Celtic prince and an

inescapable prophecy Thirty year old magic Bearer Julia Harrison had never given the notion of past lives or grand destinies any real credence or thought She has knowledge of magic and the power she shares with the women of her bloodline She is aware of the difference between Druids and Sorcerers Wielders and Bearers and so on but regardless of all of that her everyday life has always felt quite normal distinctly unmagical and never more so than as of late With the recent death of her beloved grandmother Julia finds herself severed from the only sense of place she'd ever known Grandma Gertie had all but raised her and was easily the strongest connection she'd had to her own magic and that of the natural world Without it she feels lost Disconnected Unable to rely on or even effectively access her own limited magics in her current emotional state Julia's primary focus turns to placing one foot in front of the other as she resumes a linguistics degree that has taken far longer to earn than it should have But when a visiting professor arrives on her Vancouver campus one who brings with him an odd sense of familiarity that's almost as compelling as his raw Celtic masculinity Julia knows that her life's journey is about to change heading off on an entirely new path What she could have never predicted or even dreamed of was that somehow they had walked that path together countless times before each time towards their own inescapable deaths at the hands of Marcus Cassius Longinus the indomitable Child of Rome
