LONG AGO in ancient times there lived a King and Queen And for the blessing of a child their longing sore had been At last a
little daughter fair to their great joy was given And to the christening feast they made they bade the Fairies seven The Fairies
seven who loved the land that they the child might bless Yet one old Fairy they left out in pure forgetfulness And at the feast
the dishes fair were of the reddest gold But when the Fairy came not one for her so bad and old Angry was she because her
place and dish had been forgot And angry things she muttered long and kept her anger hot Until the Fairy godmothers their
gifts and wishes gave She waited long to spoil the gifts and her revenge to have One gave the Princess goodness and one
gave her beauty rare One gave her sweetest singing voice one gracious mien and air One skill in dancing one all cleverness
and then the crone Came forth and muttered angry still and good gift gave she none But said that in the future years the
Princess young should die By pricking of a spindle point ah woeful prophecy But now a kind young Fairy who had waited to
the last Stepped forth and said No she shall sleep till a hundred years are past And then she shall be wakened by a King s son
truth I tell And he will take her for his wife and all will yet be well In vain in all her father s Court the spinning wheel s forbid
In vain in all the country side the spindles sharp are hid For in a lonely turret high and up a winding stair There lives an
ancient woman who still turns her wheel with care The Princess found her out one day and tried to learn to spin Alas the
spindle pricked her hand the charm had entered in And down she falls in death like sleep they lay her on her bed And all

around her sink to rest a palace of the dead A hundred years pass still they sleep and all around the place A wood of thorns has risen up no path a man can trace At last a King s son in the hunt asked how long it had stood And what old towers were those he saw above the ancient wood *Ariane & Bluebeard* Matthew Brown,Th. Emil Homerin,2022-11-01 Maurice Maeterlinck described his libretto *Ariane et Barbe bleue* as a sort of legendary opera or fairy opera in three acts In 1907 Paul Dukas finished setting Maeterlinck s libretto to music and the opera s Paris premiere was lauded as a landmark in operatic history *Ariane Bluebeard From Fairy Tale to Comic Book Opera* offers a comprehensive interdisciplinary look at this historic opera including its structure reception and cultural implications This lively collection juxtaposes chapters from experts in music literature the visual arts gender studies and religion and philosophy with vibrant illustrations by comic artist P Craig Russell and interviews with performers and artists Featuring material from newly discovered documents and the first English translation of several important sources *Ariane Bluebeard* allows readers to imagine the operain its various incarnations as symbolist show comic book children s fairy tale and more **Tales of Bluebeard and His Wives from Late Antiquity to Postmodern Times** Shuli Barzilai,2013-01-11 This project provides an in depth study of narratives about Bluebeard and his wives or narratives with identifiable Bluebeard motifs and the intertextual and extratextual personal political literary and sociocultural factors that have made the tale a particularly fertile ground for an author s adaptation of the story Whereas Charles Dickens for example expresses a sympathetic identification with Bluebeard and a discernable strain of misogyny emerges in his recreation of the tale and recurrent allusions to it his contemporary William Makepeace Thackeray uses the tale as a springboard for his critique of avarice hypocrisy pretension and the subjugation of women in Victorian society
