Fiction, Crime, and Empire Jon Thompson, 1993 Reading fiction from high and low culture together *Fiction Crime and Empire* skillfully sheds light on how crime fiction responded to the British and American experiences of empire and how forms such as the detective novel spy thrillers and conspiracy fiction articulate powerful cultural responses to imperialism Poe s Dupin stories for example are seen as embodying a highly critical vision of the social forces that were then transforming the United States into a modern democratic industrialized nation a century later Le Carr employs the conventions of espionage fiction to critique the exhausted and morally compromised values of British imperialism By exploring these works through the organizing figure of crime during and after the age of high imperialism Thompson challenges and modifies commonplace definitions of modernism postmodernism and popular or mass culture

Everyman's Guide to the Mysteries of Agatha Christie Bruce Pendergast, 2004 Everyman's Guide to the Mysteries of Agatha Christie is a reference book covering Christie's 238 stories. It provides data never before published about both important and trivial facts. Dedications, time periods, and locations have been laboriously researched and provided with time warp explanations. Even trivial data such as newspapers 100 in all pubs 95 and automobiles 136 are shown as well as each story in which they are listed. English sayings totalling 259 are shown with the book's in which they appear including a brief explanation of their meaning. Yet Guide is much more than a list of facts. It is an informative reference book about Christie's writings. As well, different perspectives on many of the perplexing mysteries within her mysteries are provided. Finally, Guide is not an alphabetical list of stories or characters. Instead, it lists many entrancing errors of sketches and text with comments explaining where possible the reasons for their existence. Most importantly, Guide does not betray any book's endings nor the identity of the villain, a rule that genuine Christie devotees always try to uphold.

Sleeping Cat Blues Alison O'Leary, 2024-06-10 An attack on a retired journalist brings new attention to an old case in this clever mystery with a cat's eye view. Jeremy Goodman has been taking a class in local history taught by Margaret, a retired journalist. She's just dug up some intriguing new information in a forty-year-old unsolved triple homicide known as the Golf Course Murders, and now she's been attacked and left for dead. Jeremy is teaming up with an ex-cop classmate to look into Margaret's assault and their fellow students as well. Could one of them have a connection to the cold case? There's a lot of investigating that needs to be done, and his cats Aubrey and Vincent just might sniff out a key piece of evidence. Praise for Alison O'Leary's *Street Cat Blues*.
