Slow Food Collected Thoughts On Taste Tradition And The Honest Pleasures Of Food:

Slow Food Carlo Petrini, Ben Watson, Slow Food Editore, 2001-10-01 Remember the days before the dot com explosion before Golden Arches rose from the Great Plains before the Age of Information when the only commodity that wasn't in short supply in America was time Time to relax and reflect time to cook well eat well and live the life of sustainable hedonism Today we pound down our Big Mac and fries as we check our e mail on our collective Palm Pilots at the expense of true nourishment for our bodies and souls Enough says Carlo Petrini the founder of Slow Food International a movement that encourages us to turn down the volume unplug the answering machine and enjoy life to its fullest Away with nutraceutical soft drinks and breakfast cereals made from refined sugar and shaped like clowns Bring back the pleasure of the palate and return the humanity to food More than 60 000 members worldwide now belong to the Slow Food movement which believes that the slow shall inherit the earth Slow Food Collected Thoughts on Taste Tradition and the Honest Pleasures of Food is an anthology for cooks gourmets and anyone who is passionate about food and its impact on our culture Drawn from five years of the quarterly journal Slow only recently available in America this book includes more than 100 articles covering eclectic topics from Falafel to Fat City From the market at Ulan Bator in Mongolia to Slow Food Down Under this book offers an armchair tour of the exotic and bizarre You'll pass through Vietnam's Snake Tavern enjoy the Post Industrial Pint of Beer and learn why the lascivious villain in Indian cinema always eats Tandoori Chicken The articles are contributed by some of the world's top food writers Slow Food is moving fast in North America with more than 5 000 members loosely organized into 55 Convivia from Montreal to San Francisco benefiting from enormous free publicity Slow Food offers a clear alternative to the fast food nation the title of Eric Schlosser's great book on the horrors of the fast food biz This is a perfect follow up to Joan Dye Gussow's This Organic Life and is proof positive that he or she who lives slow lives best Slow Food Carlo Petrini, 2003 A volume for all those passionate about food and its impact on our culture Drawn from five years of Slow the quarterly journal of Slow Food International which first appeared in 1996 when it was published in three editions Italian English and German The 11th review in 1998 was also published in Spanish and French and thus Slow now speaks in five languages

Qualities of food Mark Harvey, Andrew McMeekin, Alan Warde, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license In this book the complexity and the significance of the foods we eat are analysed from a variety of perspectives by sociologists economists geographers and anthropologists Chapters address a number of intriguing questions how do people make judgments about taste How do such judgments come to be shared by groups of people what social and organisational processes result in foods being certified as of decent or proper quality How has dissatisfaction with the food system been expressed What alternatives are thought to be possible The multi disciplinary analysis of this book explores many different answers to such questions The first part of the book focuses on theoretical and conceptual issues the second part considers processes of formal and informal regulation while the third

part examines social and political responses to industrialised food production and mass consumption Qualities of food will be of interest to researchers and students in all the social science disciplines that are concerned with food whether marketing sociology cultural studies anthropology human nutrition or economics **The Bottom Line Or Public Health** William H. Wiist,2010-03-03 In this book authors from around the world reveal the range of tactics used across the corporate world that ultimately favor the bottom line over the greater good **The Face on Your Plate: The Truth About Food** Jeffrey

Moussaieff Masson,2010-04-26 It s a challenge to create transformative moments with books but Masson does it Susan Salter Reynolds Los Angeles Times In this revelatory work Jeffrey Moussaieff Masson shows how food affects our moral selves our health and our planet Masson investigates how denial keeps us from recognizing the animal at the end of our fork and urges readers to consciously make decisions about food **Food Culture in Medieval Scandinavia** Viktória Gyönki,Andrea

Maraschi,2025-10-01 The making eating and sharing of food throughout society represents an important and exciting area of study with the potential to advance the field of scholarship particularly in the context of Scandinavian Studies This book analyses the historical legal and literary sources of the region during the medieval period to explore different aspects of Scandinavian culture relating to food and drink production consumption including feasts trading distribution and the associated social rituals Using new and innovative approaches this collection of studies offers broad insights into a great variety of social practices and includes fresh information on not only social history but also traditional topics such as trade commercial exchange legal regulation and political organisation The book unites contributors from a variety of backgrounds further enriching the content of a collection that promises to make a significant contribution to the state of current research

The Politics of Actually Existing Unsustainability John Barry,2012-02-23 At the level of developing a progressive and critical theoretical understanding of unsustainability it argues for the importance of integrating vulnerability which has been largely neglected by both mainstream western political theory and analyses of the current global ecological crisis It suggests that valuable insights into the causes of and alternatives to unsustainability can be found in a critical embracing of human vulnerability and dependency as both constitutive and ineliminable aspects of what it means to be human Rather than seeing invulnerability as the appropriate response the book defends resilience and the ability to cope with rather than solve vulnerability as more productive **Alice Waters and Chez Panisse** Thomas McNamee,2007-03-22 The first authorized

biography of the mother of American cooking The New York Times This adventurous book charts the origins of the local market cooking culture that we all savor today When Francophile Alice Waters opened Chez Panisse in Berkeley in 1971 few Americans were familiar with goat cheese cappuccino or mesclun But it wasn t long before Waters and her motley coterie of dreamers inspired a new culinary standard incorporating ethics politics and the conviction that the best grown food is also the tastiest Based on unprecedented access to Waters and her inner circle this is a truly delicious rags to riches saga

Learning the Language of the Fields Daniel G. Deffenbaugh,2006-12-25 Deffenbaugh calls us to live in a reciprocal

relationship with our biotic communities the plants animals and other non human cultures that share our particular places in the world By rerooting our global lifestyles in the ecological knowledge of our homes we may truly begin to mend the health of our planet Deffenbaugh marries Christian theology and spiritual disciplines with Native American mythology and the practice of organic gardening to deepen our engagement with the places in which we live

The Political Economy of Consumer Behavior Bruce Pietrykowski,2009 This book applies insights from the fields of feminist heterodox and behavioral economics to a study of consumption focusing on its construction as a learned activity and a lifestyle choice

Cultural Studies and Anti-Consumerism Sam Binkley,Jo Littler,2014-02-25 Anti consumerism has become a conspicuous part of contemporary activism and popular culture from

culture jams and actions against Esso and Starbucks through the downshifting and voluntary simplicity movements the rise of ethical consumption and organic and the high profile of films and books like Supersize Me and No Logo A rising awareness of labor conditions in overseas plants the environmental impact of intensified consumer lifestyles and the effects of neo liberal privatization have all stimulated such popular cultural opposition However the subject of anti consumerism has received relatively little theoretical attention particularly from cultural studies which is surprising given the discipline's historical investments in extending radical politics and exploring the complexities of consumer desire This book considers how the expanding resources of contemporary cultural theory might be drawn upon to understand anti consumerist identifications and practices how railing against the social and cultural effects of consumerism has a complex past as well as present and it pays attention to the interplays between the different movements of anti consumerism and the particular modes of consumer culture in which they exist In addition as well as using cultural studies to analyse anti consumerism it also asks how such anti consumerist practices and discourse challenges some of the presumptions and positions currently held in cultural studies This book was previously published as a special issue of Cultural Studies
