by a few faithful retainers he was now on his way to perform that sacrifice Augustus was carried in his litter for he was old and the long stairs to the Capitol fatigued him He held the cage of doves which was his offering Neither priests nor soldiers nor councillors accompanied him only his nearest friends Torch bearers walked in front of him as if to force a way through the darkness of the night and behind him followed slaves carrying the tripod the charcoal the knives the holy fire and everything needed for the sacrifice On the way the emperor chatted gayly with his retainers and none of them noticed the infinite silence and calm of the night It was only on reaching the open place on the top of the Capitol which had been thought of for the new temple that it was revealed to them that something unusual was occurring Man in the Blue Moon Michael Morris,2012-08-17 He s a gambler at best A con artist at worst her aunt had said of the handlebar mustached man who snatched Ella Wallace away from her dreams of studying art in France Eighteen years later that man has disappeared leaving Ella alone and struggling to support her three sons While the world is embroiled in World War I Ella fights her own personal battle to keep the mystical Florida land that has been in her family for generations from the hands of an unscrupulous banker When a mysterious man arrives at Ella s door in an unconventional way he convinces her he can help her avoid foreclosure and a tenuous trust begins But as the fight for Ella s land intensifies it becomes evident that things are not as they appear Hypocrisy and murder soon shake the coastal town of Apalachicola and jeopardize Ella s family **Window Of Tomorrow** Joyce Stewart Smith,2017-11-29 Here is the opportunity for you the reader to get to know the stories of Joyce Stewart Smith In these narratives you can view life as a frightened child an enthusiastic teenager an adventurous bride a working mother a dedicated wife and a fun loving friend all through the eyes of one kind bright soul A soul who lit up every place she has ever entered who never met a stranger and whose laughter embodies joy **Stories from the Blue Moon Cafe II** Sonny Brewer,2003 Presents a collection of short stories from such authors as Tom Franklin Donald Hays Suzanne Hudson and Michelle Richmond A Far Way Home Jack Peters,2025-01-03 When fate severs the bond of a father and son it later exhorts both to undertake a quest for answers in this epic tale of love loss courage and redemption *The Music of Razors* Cameron Rogers,2007-05-01 Dark disturbing and filled with moments of real charm and magic The Music of Razors is the best first novel I ve seen this year Locus In nineteenth century Boston a young doctor on the run from the law falls in with a British confidence artist Together and with dire consequences they bring back to the light something meant to be forgotten A world away in London an absent father haunted by the voice of a banished angel presents his daughter with an impossible friend a clockwork ballerina For two centuries a bullet removal specialist has wielded instruments of angel bone in service to a forgotten power and now he vows to find someone else to shoulder the burden someone with a conscience of their own a strong mind and a broken will For a hundred years he has searched for the perfect contender and now he has found two a brother and a sister Walter and Hope Either will do Last night something stepped from little Walter s closet and he never woke up Now he travels the dark road between worlds no longer entirely boy nor wholly beast but with one goal in mind to

prevent his sister from suffering the same fate as he Only the creature he has become can save Hope But is it too late to save himself Praise for The Music of Razors An exceedingly fine novel You feel this book is true and the characters are real The Music of Razors tells a beautiful and deeply affecting story full of wonder strangeness pain and love K J Bishop author of The Etched City This was an impressive first novel In The Music of Razors Cameron Rogers weaves a thought provoking and compelling dark fantasy from the mythology of religion Jeff Ford author of The Girl in the Glass Slippery and quick with a bite that won't let go long after you turn the final page Sean Williams author of The Crooked Letter Jam packed with enough extraordinary ideas to fill a dozen novels Never was fantasy darker or more disturbing The novelistic equivalent of Twin Peaks Richard Harland author of Ferren and the Angel This is a great book Alice meets Freddy Krueger in Wonderland Paul Collins author of Cyberskin

Not Safe, but Good Jerry Jenkins, Sally Jon, Kevin Macnesh, 2007-07-08 In C S Lewis's classic The Lion The Witch and the Wardrobe Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn't comfort food for Christians or G rated stories that offer simplistic lessons Instead we're serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren't necessarily safe but without question they are good The stories in this book from such outstanding Christian writers as Jerry Jenkins Michael Morris Sally John and the editor Bret Lott are by no means safe Like the parables of Christ they surprise unsettle and even shock They depict doubt loss abandonment failure and betrayal as well as elation and triumph But they also deeply and meaningfully explore the human condition in relation to a God who loves us and brings us joy and hope

secretly grateful for any excuse to leave her crumbling marriage behind in Sydney And Carrie who remained in Clare Valley is perhaps the most apprehensive Her marriage the nominal cause of the sisters estrangement is also on the rocks Was she wrong to have followed her heart and run off with Bett s fianc When Lola shares her special request that the girls stage a musical she has written their short visit becomes a much longer commitment As they are forced to spend more time together the sisters must confront the pain that lingers between them Preconceptions and misunderstandings are slowly put aside and the three find themselves gradually irresistibly enveloping one another once again until an unexpected turn of events changes everything in ways none of them could have ever imagined Layering the lighthearted antics of small town life with a heartbreaking story of loyalty lost and found The Alphabet Sisters is an unforgettable story of two generations of women who learn that being true to themselves means being true to one another BONUS This edition contains excerpts from Monica McInerney s Lola s Secret At Home with the Templetons The Faraday Girls Family Baggage Greetings from Somewhere Else and Upside Down Inside Out
