Shrinking Violets and Caspar Milquetoasts Patricia McDaniel,2003-11 Since World War II Americans attitudes towards shyness have changed The women s movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In Shrinking Violets and Caspar Milquetoasts Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men

you want the real thing And maybe that s one of the best things about love We ve been thinking about it all wrong Our culture s insistence that women need to learn how to catch and keep a man is actually doing much more harm than good The more we try to manipulate our relationships the less we are truly able to experience love s benefits and wonders Love is a slippery unruly thing and trying to control and manage it robs us of its delicious unpredictability Sure letting go of the reins a bit might mean a broken heart but heartbreak in fact offers a wealth of possibilities creativity wisdom and growth that we need in order to make the most of our lives Liberating for women who are frustrated by the idea that they just need to learn the right formula The Case for Falling in Love shows that there isn t a method to mastering the madness of love But that might be exactly what s so wonderful about it **Mastering Your Moods** Melvyn Kinder,1994 A program for understanding mood distress including depression anger and anxiety offers ways to achieve self acceptance through determining one s essential nature **Raising Sons and Loving It!** Gary Oliver,Carrie Oliver,2011-04-19 In these days of daunting headlines here s some really good news Your son was God s idea and you can help him weather the often rocky transition from boyhood to a manhood shaped by God s character and purposes Drawing from their extensive clinical and personal experience Gary and Carrie Oliver show you How boys really are different from girls Five keys to raising emotionally intelligent sons What your boys need from your marriage and from you How to help your sons cultivate a heart for God How to cultivate your sons ability to deal with failure loss and grief And much more *Success and Betrayal* Sarah Hardesty,Sarah Hardesty Bray,Nehama Jacobs,1987-11-15 From Simon Schuster Success and Betrayal offers the groundbreaking insight into the myth of the unlimited potential the mystique of power and the elusive path to the top In their hard hitting book two successful corporate managers describe a classic series of landings that women must confront both to thrive in the corporate environment and to achieve a guiltless balance between career and personal life **Any Woman's Blues** Erica Jong,2006-12-28 A tale of addiction and narcissism the twin obsessions of our age World famous folk singer Leila Sand emerged from the sixties and seventies with addictions to drugs and booze Leila s latest addiction is to a younger man who leaves her sexually ecstatic but emotionally bereft The orgasmic frenzies trump the betrayals so she keeps coming back for more Eventually Leila frees herself by learning the rules of love the Twelve Steps and the Key to Serenity in an odyssey that takes her from AA meetings to dens of sin parties with names worth dropping and unforgettable gondola rides Jong has given us a poignant exploration of life art and the complexities of womanhood **Mother Jones Magazine** ,1991-09 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Healing the Masculine Soul** Gordon Dalbey,2003-09-09 In his groundbreaking book fifteen years ago Gordon Dalbey identified the fact that men s souls have been torn between strength and sensitivity Today the situation is even worse The politically correct crowd cries out for men to be more sensitive to tame their masculine nature On the opposing side the media bombards men with macho images of violence and lust Is it any wonder men are left

bewildered about who they should be In this newly revised and updated edition of Healing the Masculine Soul Dalbey claims that there s hope for restoration hope for healing because Christ has come to heal us God is calling men out to a relationship with Himself and calling them out to authentic manhood Our task is not to curse our manhood but to redeem it he writes Gordon Dalbey s refreshing comprehensive picture of God s design for the masculine soul dares men to be as God created them to be not as society demands Dalbey tackles the tough issues including work sexuality marriage and fatherhood Book includes Study Guide [Sharing it all](#) Lucia Albino Gilbert,2013-11-11 I realize more and more that to some degree psychologists study their own lives My first studies in the mid 1970s looked at the conflicts that emerge in dual career couples as the partners combine their various roles Ideas for the early studies initially came from con versations with clients friends and people I met trav eling Soon after the topic of dual careers came up dis cussions of guilt and frustration followed The partici pants in my first studies turned out to be predominantly women Men expressed little interest in participating A common response was Talk to my wife 7 8 PREFACE Ostensibly husbands saw their partners but not themselves as dealing with conflicting roles Although I presumed this to be somewhat true I knew from ob serving my own husband that my having a career had an immeasurable impact on him Were men denying something Were women overly sensitive Discussions with my husband which helped me to get a better grasp on what male partners might be feeling planted the seed for my subsequent book on men in dual career 1 families published in 1985 In gathering material for that book I was struck by the contrast with men s ear lier disinterest Husbands appeared eager to talk about their lives Their greatest concern what happens to the children became the focus of my last set of studies Why this book Sharing it all symbolizes the es sence of a two career marriage
