Factory Smiles Marlon Katsigazi,Janaye Felder,2014-01-28 Factory Smiles is an inspirational story that combines fantasy and true life highlighting overcoming adversity and attaining triumph Go into a journey and discover how people flawed in character turn into torches of hope that overshadow darkness in the world Factory Smiles teaches us to be ambassadors of hope and love in order to turn a seemingly decaying world around This fantasy tale is an avenue for healing and a story of triumph People from all walks of life will enjoy this story written from a

clear and neat mind     *Through Trials to Triumph* Ady Rugeruza,2011-07-25 Bad things happen to all people but we often ask why good people suffer and the wicked prosper This is a very complex subject to which Ady tries to give some clarity In this book Through Trials To Triumph he discusses the issue from a Biblical perspective and helps the reader to understand why trials happen to all of us This book shows that life is a journey full of ups and downs What we often perceive as a bad situation can be an opportunity for change and growth but the key is attitude and faith How people deal with lifes trials depends on what attitude they have God does not cause bad things to happen to us but he allows them in our lives and stands ready to help us through difficult times     **East-west** ,1929     **Ronald E. Daigle,2018-04-03 100 days of scripture based devotions for an intentional and abundant life rooted in Christ Why do some women seem deeply rooted in peace and joy even in difficult circumstances while others of us struggle daily with feelings of dissatisfaction worthlessness or anxiety Being a Christian doesn t mean we re exempt from pain and suffering but it does mean we are called to a higher purpose and can claim the gifts of the abundant life that Jesus promises Sara Daigle is passionate about sharing a message of deliverance freedom and ultimate love with women from all places and walks of life Her passion gave birth to this book composed in devotional form with a Bible verse and prayer for each day focused on leading women out of the labyrinth of their own thoughts into a higher identity and value found in Christ For those facing uncertainty and life changes Sara reminds us that Jesus has come to bring abundant life that doesn t end when one season flows into the next before you catch your breath For those who look around and see women who are prettier more accomplished better moms or even better Christians than they are we are shown that There is no joy fuller than living out exactly what He s gifted us in without comparison to another Readers will resonate with Sara s authentic voice honesty about her own struggles and the wisdom that comes through hard times and a rich relationship with God This devotional is geared to bring even the busiest of women into daily intimacy with God It is written to help each heart know they are not alone but

destined for a life of meaning identity and purpose in union with a Creator God who designed each of us just as we are

You could be forgiven for thinking that the smile has no history it has always been the same However just as different cultures in our own day have different rules about smiling so did different societies in the past In fact amazing as it might seem it was only in late eighteenth century France that western civilization discovered the art of the smile In the Old Regime of Teeth which prevailed in western Europe until then smiling was quite literally frowned upon Individuals were fatalistic about tooth loss and their open mouths would often have been visually repulsive Rules of conduct dating back to Antiquity disapproved of the opening of the mouth to express feelings in most social situations Open and unrestrained smiling was associated with the impolite lower orders In late eighteenth century Paris however these age old conventions changed reflecting broader transformations in the way people expressed their feelings This allowed the emergence of the modern smile par excellence the open mouthed smile which while highlighting physical beauty and expressing individual identity revealed white teeth It was a transformation linked to changing patterns of politeness new ideals of sensibility shifts in styles of self presentation and not least the emergence of scientific dentistry These changes seemed to usher in a revolution a revolution in smiling Yet if the French revolutionaries initially went about their business with a smile on their faces the Reign of Terror soon wiped it off Only in the twentieth century would the white tooth smile re emerge as an accepted model of self presentation In this entertaining absorbing and highly original work of cultural history Colin Jones ranges from the history of art literature and culture to the history of science medicine and dentistry to tell a unique and untold story about a facial expression at the heart of western civilization    **Notes, explanatory and practical, on the Epistles of Paul to the Corinthians.
