Music in the American Diasporic Wedding Inna Naroditskaya, 2019-05-23 Music in the American Diasporic Wedding explores the complex cultural adaptations, preservations, and fusions that occur in weddings between couples and families of diverse origins. Discussing weddings as a site of negotiations between generations, traditions, and religions, the essays gathered here argue that music is the mediating force between the young and the old, ritual and entertainment, and immigrant lore and assimilation. The contributors examine such colorful integrations as klezmer tinged Mandarin tunes at a Jewish and Taiwanese American wedding, a wedding services industry in Chicago's South Asian community featuring a diversity of wedding music options, and Puerto Rican cultural activists dancing down the aisles of New York's St. Cecilia's church to the thunder of drums and maracas and rapping their marriage vows. These essays show us what wedding music and performance tell us about complex multiethnic diasporic identities and remind us that how we listen to and celebrate otherness defines who we are.

Excerpts from Music for the Christian Wedding Service Wilberta Naden Pickett, 1953*

The National and Religious Song Reader William Emmett Studwell, 1996 William Studwell has done it again. In The National and Religious Song Reader, the author presents more than 120 enjoyable and informative essays on national, patriotic, and religious songs from around the world. Readers will learn the answers to such questions as: Was Dixie actually first performed in New York City? Which 16th-century English composition is referred to by Shakespeare in The Merry Wives of Windsor? What well-known hymn was written by Martin Luther in 1529? And what is a waltzing matilda anyway? Hint: It's not a dancing young lady. Studwell's latest collection follows the form and style of his earlier works, The Popular Song Reader and The Christmas Carol Reader, as he relays interesting facts about each song through anecdotes, humor, poetry, and a generally lighthearted yet scholarly approach. In addition to information about each song and its composer, the author also discusses how the song reflected society at the time and how the song itself has influenced popular culture. The book is divided into four sections: American National Songs, Armed Forces Songs, War Songs, National Anthems, National Marches, National Songs From Other Countries, songs from Canada, Mexico, England, Scotland, France, Italy, Germany, Russia, Ireland, Israel, Australia, General Hymns, religious songs from the 17th century and earlier, and the 18th, 19th, and 20th centuries. Songs Associated With Religious Events: Easter, Thanksgiving, weddings, funerals. The book's readable style is its most important quality, as it makes it more approachable than a typical reference book. And vital to its usefulness as a reference book are the indexes: one by song title and another by person or group. Whether used primarily as an enjoyable reference or as an informative reader, The National and Religious Song Reader is bound to provide new insights into familiar songs for all music fans.

The Changing Faces of Aawambo Musical Arts

Minette Mans, 2017-06-01 How does a people's music reflect their history their occupations cultural beliefs and values These are the core questions that this book addresses in relation to the Aawambo people of Namibia The author brings to the fore the nuanced views of different people describing their personal musical experiences past as well as present This is the first time that the music and stories of contemporary Namibian musicians is shared alongside those of the elderly Similarly it is the first time that some of the traditional Aawambo dances are analysed and described abundantly illustrated with colourful photographs and several songs Based on years of personal research this book will appeal to research scholars students and other interested readers alike since its style is accessible but detailed personal yet objective **Catalog of Copyright**
