**G Thomas**

## **Songs Of Songs:**

**Songs of Songs** Tremper Longman, 2001-09-24 In this commentary Longman unpacks what this ancient love poem reveals about the male female relationship and about God's love for His people Beginning with an extensive introduction to the book and its background the author discusses Song of Songs authorship date literary style language structure and theological content

*Song of Songs* Tremper Longman, 2001-09-24 Relationships are a wonderful mysterious often elusive sometimes painful part of the human experience The most intimate of all human relationships according to the Bible is that between a husband and a wife It is no surprise therefore that there is a book of the Bible the Song of Songs that focuses on this relationship What is surprising is how little attention is given to the Song of Songs by scholars by the church and by readers of the Bible With this volume Tremper Longman III unpacks for modern people what this ancient love poem says about the male female relationship and by analogy about God's love for his people Longman's superb study begins with a thorough introduction to the Song of Songs and its background Longman discusses the book's title authorship date literary style language structure cultural milieu and theological content He also canvasses the long history of interpretation of the Song of Songs a history too often characterized by repression of the text In the commentary itself Longman structures the Song of Songs according to its twenty three poetic units and explains its message verse by verse The exposition is made clearer by Longman's adoption of an anthropological approach to the text and by his frequent comparisons of the Song of Songs with other ancient Near Eastern literature Learned yet highly accessible innovative yet fully informed by past scholarship this commentary shows the beautiful Song of Songs to be a timeless celebration of human love and sexuality

Books of Songs: Higher book of songs Robert Foresman, 1928

**Songs of Tagore** Rabindranath Tagore, Satyajit Ray, 2023-02-27 Rabindranath Tagore composed over 2000 songs that are revered and sung by Bengalis everywhere However they remain mostly unknown to listeners from other communities This book brings the Nobel Laureate's unique music Rabindrasangit to a global audience with a lucid introduction by Ananda Lal as well as selected songs in international transcription and English translation It includes an essay written originally in Bengali by the celebrated filmmaker Satyajit Ray himself a Tagore student and music composer Ray presents his thoughts on Rabindrasangit its nuances music history and usage Lal has also translated this essay into English for the first time The book also presents for the first time faithful staff notations of all 41 songs in three of Tagore's major plays Rakta karavi Tapati and Arup Ratan providing a thematic unity to the music section This volume will be of interest to Tagore and Ray enthusiasts and specialists musicologists and students of music theatre literature performance studies and cultural studies It will appeal not only to scholars but to general readers wanting to know more about Tagore's songs as well as directors arrangers composers and singers who may wish to perform or interpret the songs transcribed

**Songs of the Civil War** Irwin Silber, Jerry Silverman, 1995-01-01 Reprint Originally published New York Columbia University Press 1960

**Songs of Salvation** Theodore E. Perkins, 2023-03-27 Reprint of the

original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost      **Classical Poetic Songs of Korea** 朝鮮,2009      **The Pacific Song Book.: Containing All the**

**Songs of the Pacific Coast ... By Various Authors, Etc** ,1861      Folk Songs of the Catskills Norman Cazden,Herbert Haufrecht,Norman Studer,1982-01-01 Traditional songs from the Catskill area of New York State are accompanied by

detailed discusssons of their roots development musical structure and subject matter      **The Shaping of the Book of Songs** Chen Zhi,2023-05-31 The present work is a study on the formation of the Shih ching The author poses the hypothesis that this collection of poems as the standard music and literature passed down to later generations initially incorporated different cultural heritages through a process which moved from ritualization to secularization as well as standardization to localization In aiming to find the origins of the division of the Shih ching into sections and subsections and their titles as Nan Feng Ya and Sung the author employs an interdisciplinary methodology combining ethno musicological methods with paleography philology and archaeology He draws on new archaeological data of the past two decades that has shed new light on the Shih ching      The Songs of Clara Schumann Stephen Rodgers,2023-04-06 Explores the distinctive musical and poetic

features of Clara Schumann s songwriting and her central contribution to the art song genre      **Songs of Grace and Glory** W. Sherwin,S. Vail,2023-12-31 Reprint of the original first published in 1874      **SONGS OF BETA THETA PI** ,1922

**The Function of Song in Contemporary British Drama** Elizabeth Hale Winkler,1990 This comprehensive study formulates an original theory that dramatic song must be perceived as a separate genre situated between poetry music and theater It focuses on John Arden Margaretta D Arcy Edward Bond Peter Barnes John Osborne Peter Nichols Harold Pinter Tom Stoppard Peter Shaffer and John McGrath      Strike Songs of the Depression Timothy P. Lynch,2009-11-12 The Depression brought unprecedented changes for American workers and organized labor As the economy plummeted employers cut wages and laid off workers while simultaneously attempting to wrest more work from those who remained employed In mills mines and factories workers organized and resisted striking for higher wages improved working conditions and the right to bargain collectively As workers walked the picket line or sat down on the shop floor they could be heard singing This book examines the songs they sang at three different strikes the Gastonia North Carolina textile mill strike 1929 Harlan County Kentucky coal mining strike 1931 32 and Flint Michigan automobile sit down strike 1936 37 Whether in the Carolina Piedmont the Kentucky hills or the streets of Michigan the workers songs were decidedly class conscious All show the workers understanding of the necessity of solidarity and collective action In Flint the strikers sang The trouble in our homestead Was brought about this way When a dashing corporation Had the audacity to say You must all renounce your union And forswear your liberties And we ll offer you a chance To live and die in slavery As a shared experience the singing of songs not only sent the message of collective action but also provided the very means by which the message was

communicated and promoted Singing was a communal experience whether on picket lines at union rallies or on shop floors By providing the psychological space for striking workers to speak their minds singing nurtured a sense of community and class consciousness When strikers retold the events of their strike as they did in songs they spread and preserved their common history and further strengthened the bonds among themselves In the strike songs the roles of gender were pronounced and vivid Wives and mothers sang out of their concerns for home family and children Men sang in the name of worker loyalty and brotherhood championing male solidarity and comaraderie Informed by the new social history this critical examination of strike songs from three different industries in three different regions gives voice to a group too often deemed as inarticulate This study the only book length examination of this subject tells history from the bottom up and furthers an understanding of worker culture during the tumultuous Depression years

**Songs of Ethiopia's Tesfaye Gabbiso** Lila W. Balisky, 2018-10-19 Tesfaye Gabbiso prominent Ethiopian soloist began composing song texts and tunes as a young lad in the early 1970s during a period of social and political upheaval in Ethiopia This national ferment strengthened a creative surge among a generation of youth as the Ethiopian revolution 1974-91 was taking hold An explosion of indigenous spiritual songs was one result The indigenous song style was in contrast to the imported and translated European hymnody that had earlier been sung in Ethiopia's evangelical churches Because of his testimony both in life and song Tesfaye was imprisoned for seven years during the revolution during which time he continued to compose and sing Thus his songs reflect suffering endurance and hope in the Babylons Meantime and Zions of life experience The human voice in song rooted in the flow of the *missio Dei* is perhaps the greatest testimony that may be lived out whether in a prison cell or in the larger complex world A special feature of this book is the inclusion of 104 of Tesfaye's songs Cassettes 1-7 in English translation This study is valuable as a cross cultural textbook offers rich lyrics and embodies a challenge to Christian commitment in the arts

**Songs of England. The book of English songs, ed. by C. Mackay** Charles Mackay, 1857

**Songs of the Royal Zhōu and the Royal Shào** Dirk Meyer, Adam Craig Schwartz, 2022-05-02 The songs of the Royal Zhōu and of the Royal Shào have formed a conceptual unit since at least the late Spring and Autumn period 771-453 BC With this book Meyer and Schwartz provide a first complete reading of their earliest Warring States 453-221 BC iteration as witnessed by the *Shi* University manuscripts As a thought experiment the authors seek to establish an emic reading of these songs which they contextualise in the larger framework of studies of the Sh Songs and of meaning production during the Warring States period more broadly The analysis casts light on how the Songs were used by different groups during the Warring States period

*Songs of Discovery for Music Therapy* The Center for Discovery®, 2023-07-21 This rich collection of 32 original songs assists you in supporting the development of positive educational and therapeutic outcomes Born of clinical work by music therapists at The Center for Discovery areas addressed through the songs include fine and gross motor skills cognitive and academic skills social skills and emotional skills Covering both practical applications and clinical context the wide range of

songs in this book empower you as a therapist or music educator to compose your own songs and adapt the songs in this collection for use in everyday practice Each song is available to download for easy use in practice settings Included in the collection are greetings songs songs for building self awareness and emotional expression songs for special occasions and rhythmic chants to inspire creative movement and social connectedness     War, Exile and the Music of Afghanistan John Baily, 2016-09-01 In the 1970s John Baily conducted extensive ethnomusicological research in Afghanistan principally in the city of Herat but also in Kabul Then with Taraki s coup in 1978 came conflict war and the dispersal of many musicians to locations far and wide This new publication is the culmination of Baily s further research on Afghan music over the 35 years that followed This took him to Afghanistan Pakistan Iran the USA Australia and parts of Europe London Hamburg and Dublin Arranged chronologically the narrative traces the sequence of political events from 1978 through the Soviet invasion to the coming of the Taliban and finally the aftermath of the US led invasion in 2001 He examines the effects of the ever changing situation on the lives and works of Afghan musicians following individual musicians in fascinating detail At the heart of his analysis are privileged vignettes of ten musical personalities some of friends and some newly discovered The result is a remarkable personal memoir by an eminent ethnomusicologist known for his deep commitment to Afghanistan Afghan musicians and Afghan musical culture John Baily is also an ethnographic filmmaker Four of his films relating to his research are included on the downloadable resources that accompanies the text
