Forgotten Songs Ray Van Neste, C. Richard Wells, 2012-10-01 Many in the church have forgotten the Psalms They may still be read but the rich history of using them as the backbone of Christian worship from the earliest days of the church until the 19th century is unknown For some the thought of praying or singing the Psalms alone or with others is entirely foreign In this we are out of step with our forebears in the faith we are an oddity in the history of the church and duly suffer for it Drawn by the rich spiritual depth produced in so many who have invested themselves in the Psalms Forgotten Songs seeks to reclaim the content in various areas of worship This book first examines biblical and historical foundations for the use of the Psalms in worship The Old Testament and New Testament are revisited noting the nature and purpose of the Psalms and how they were used Examples of the Psalms being employed by the Church Fathers and throughout the Reformation are also explored The second section of the book examines specific ways of using the Psalms in our worship today These aren t abstract ideas or suggestions but are examples from the personal and corporate lives of individuals who have been significantly impacted by the Psalms From group singing of the Psalms to praying Psalms publicly and privately to pastoral care and the place of lament Forgotten Songs will help others remember to actively use the Psalms in their own worship lives individually and corporately Contributors include such academicians and authors as Craig A Blaising Douglas Bond Randall Bush Jack Collins Chad Davis J Michael Garrett James H Grant Jr James Richard Joiner Ray Ortlund Leland Ryken Calvin Seerveld Justin Wainscott and John D Witvliet along with editors Ray Van Neste and C Richard Wells **Sing (Volume 2)** Saverio, 2011-04-01 Writing has taken over my life in a good way My thoughts continually are geared towards my next song Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down No matter where I am I get the urge to write I could be talking to a neighbor or be in the middle of mass at church and a word or phrase will pop into my head and whoa a new song is born More than anything I love love love the peace of mind songwriting allows me to have Most of my lyrics take me 15 to 30 minutes to write There was a time when I was writing 6 8 lyrics in a day Sometimes I would sit there and stare at my pencil asking why did you stop I swear at times the pencil kept moving like I wasnt even thinking of what to write This is my first edition I hope to continue with future editions as I am still writing new songs everyday Someday I hope to put my lyrics to my own music and I recently started taking piano lessons.
