were marred by aesthetic and narcotic excess The result is a hodgepodge of classic rock songs mixed with nearly unlistenable 80s music Then while touring for the album Petty made extensive use of the iconography of the American Confederacy something he soon came to regret Despite its artistic failure and public controversy Southern Accents was a pivot point for Petty Reeling from the defeat Petty reimagined himself as deeply almost mythically Californian obtaining his biggest success with Full Moon Fever Michael Washburn explores the history of Southern Accents and how it sparked Petty's reinvention Washburn also examines how the record both grew out of and reinforced enduring but flawed assumptions about Southern culture and the Lost Cause of the Confederacy *SPIN* ,2000-11 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks **Billboard** ,1994-01-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1997-04-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1995-09-09 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
