interesting and outspoken men a complex figure who survived a turbulent upbringing addictions to drugs and unstable relationships only to be tragically killed just as he was settling into a serene comfortable life His loss is as widely felt today as it was in December 1980 as people remain in awe of his music and continue to grapple with the contradictory nature of his life and work which at any given moment could oscillate from his notoriously acerbic wit to the endless optimism of Imagine McCartney lacked the controversy of Lennon the spirituality of Harrison and the silliness of Starr but he was unquestionably one of the driving forces behind the Beatles most productive recording periods especially on the Beatles seminal Revolver album It was also McCartney who tried hardest to keep the Beatles together from 1968 1970 even while his perfectionist attention to detail frequently drove his bandmates crazy Ultimately it was McCartney who was the first to publicly announce his departure from the Beatles Sir Paul may have never topped the highs established by the Beatles but he has gone on to have the longest and most productive solo career of the four While that was helped in part by the tragic murder of Lennon in 1980 McCartney has nonetheless remained at the forefront of pop culture since 1970 and the Guinness Book of World Records has recognized him as the most successful recording artist of all time Indeed McCartney wrote or co wrote over 30 1 hits and has sold over 100 million albums and 100 million singles in his music career Lennon McCartney chronicles the lives and legacies of the two rock icons and analyzes their lasting musical legacies humanizing both the rebellious hellion and the cute one Along with suggested playlists of the two s greatest songs descriptions of the recording and inspiration behind some of their classics and pictures you will learn about history s greatest songwriting duo like you never have before
