## Songs Of Yesterday:

*Songs of Yesterday* Benjamin Franklin Taylor, 1875      *Songs by the Way* Edith Virginia Bradt, 1904      All The Songs Philippe Margotin, Jean-Michel Guesdon, 2012-03-20 In this lively and fully illustrated work two music historians break down every album and every song ever released by the Beatles from Please Please Me U S 1963 to The Long and Winding Road U S 1970 All the Songs delves deep into the history and origins of the Beatles and their music This first of its kind book draws upon decades of research as music historians Margotin and Guesdon recount the circumstances that led to the composition of every song the recording process and the instruments used Here we learn that one of John Lennon s favorite guitars was a 1958 Rickenbacker 325 Capri which he bought for 100 in 1960 in Hamburg Germany We also learn that Love Me Do recorded in Abbey Road Studios in September 1962 took 18 takes to get right even though it was one of the first songs John and Paul ever wrote together And the authors reveal that when the Beatles performed I Want to Hold Your Hand on The Ed Sullivan Show in 1964 John s microphone wasn t turned on so viewers heard only Paul singing The hundreds of photographs throughout the book include rare black and white publicity stills images of Beatles instruments and engaging shots of the musicians in studio All the Songs is the must have book for the any true Beatles fan      **The Life of a Song Volume 1** David Cheal, Jan Dalley, 2017-09-21 Who knew that Paul McCartney originally referred to Yesterday as Scrambled Eggs because he couldn t think of any lyrics for his heart breaking tune Or that Patti LaBelle didn t know what Voulez vous coucher avec moi ce soir actually meant These and countless other fascinating back stories of some of our best known and best loved songs fill this book a collection of the highly successful weekly The Life of a Song columns that appear in the FT Weekend every Saturday Each 600 word piece gives a mini biography of a single song from its earliest form often a spiritual or a jazz number through the various covers and changes often morphing from one genre to another always focusing on the biography of the song itself while including the many famous artists who have performed or recorded it The selection covers a wide spectrum of the songs we all know and love rock pop folk jazz and more Each piece is pithy sparkily written knowledgeable entertaining full of anecdotes and surprises They combine deep musical knowledge with the vivid background of the performers and musicians and of course the often intriguing social and political background against which the songs were created      Music News ,1928      **The Semantic Web - ISWC 2009** Abraham Bernstein, David R.
