Sonia Delaunay Axel Madsen,2015-03-17 Sonia Delaunay wife of painter Robert Delaunay and co founder of the Orphist school in 1910 was the center of a brilliant circle in Paris Madsen offers a rich and compelling look at this fascinating and influential woman the first living female artist to have a retrospective show at the Louvre **Encyclopedia of Interior**

Design Joanna Banham,1997-05-01 From ancient Greece to Frank Lloyd Wright studiola to smoking rooms chimney boards to cocktail cabinets and papier m ch to tubular steel the Encyclopedia ofInterior Design provides a history of interior decoration and design from ancient times to the present day It includes more than 500 illustrated entries covering a variety of subjects ranging from the work of the foremost designers to the origins and function of principal rooms and furnishing types as well as surveys of interior design by period and nationality all prepared by an international team of experts in the field Entries on individuals include a biography a chronological list of principal works or career summary a primary and secondary bibliography and a signed critical essay of 800 to 1500 words on the individual s work in interior design The style and topic entries contain an identifying headnote a guide to main collections a list of secondary sources and a signed critical essay **Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin,Irina

Livezeanu,Christine D. Worobec,June Pachuta Farris,2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires Germany and Greece and the Jewish and Roma diasporas Topics range from legal status and marital customs to economic participation and gender roles plus unparalleled documentation of women writers and artists and autobiographical works of all kinds The volumes include approximately 30 000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies The entries are cross referenced and each volume includes indexes **Significant Others: Creativity & Intimate Partnership** Whitney

Chadwick,2018-04-17 Biographies of artists and writers have traditionally presented an individual s lone struggle for self expression In this book critics and historians challenge these assumptions in a series of essays that focus on artist and writer couples who have shared sexual and artistic bonds Featuring duos such as Auguste Rodin and Camille Claudel Sonia and Robert Delaunay Vanessa Bell and Duncan Grant and Jasper Johns and Robert Ruaschenberg this book combines biography with evaluation of each partner s work in the context of the relationship *The Women of 'Little Paris'* Sonia-Doris

Andras,2024-11-14 Filling a gap in Eastern European fashion studies this book presents middle class women consuming fashion in the symbolic Little Paris of interwar Bucharest and examines how their material and cultural means supported the city s modernisation Combining archival research with personal archaeology this interdisciplinary work explores Romania s

reinvention as a modern state focusing on middle class women as they lived their lives walking through the streets at lavish events at cafes and clubs shopping and working Analysing largely unseen unused written and visual texts *The Women of Little Paris* encourages exploration of new avenues for research uniting scholars of Romanian culture history and fashion and guiding readers through a forgotten little explored world and in so doing adds to our understanding and knowledge of the global image of interwar fashion cultures and the emerging field of Romanian fashion studies

Le Tumulte Noir Jody Blake, 1999-01-01 Jody Blake demonstrates in this book that although the impact of African American music and dance in France was constant from 1900 to 1930 it was not unchanging This was due in part to the stylistic development and diversity of African American music and dance from the prewar cakewalk and ragtime to the postwar Charleston and jazz Successive groups of modernists beginning with the Matisse and Picasso circle in the 1900s and concluding with the Surrealists and Purists in the 1920s constructed different versions of *la musique* and *la danse negre* Manifested in creative and critical works these responses to African American music and dance reflected the modernists varying artistic agendas and historical climates

Modernism on Stage Juliet Bellow, 2017-07-05 *Modernism on Stage* restores Serge Diaghilev's Ballets Russes to its central role in the Parisian art world of the 1910s and 1920s During those years the Ballets Russes stage served as a dynamic forum for the interaction of artistic genres dance music and painting in a mixed media form inspired by Richard Wagner's Gesamtkunstwerk total work of art This interdisciplinary study combines a broad history of Diaghilev's troupe with close readings of four ballets designed by canonical modernist artists Pablo Picasso Sonia Delaunay Henri Matisse and Giorgio de Chirico Experimental both in concept and form these productions redefine our understanding of the interconnected worlds of the visual and performing arts elite culture and mass entertainment in Paris between the two world wars This volume traces the ways in which artists working with the Ballets Russes adapted painterly styles to the temporal three dimensional and corporeal medium of ballet Analyzing interactions among sets costumes choreography and musical accompaniment the book establishes what the Ballets Russes productions looked like and how audiences reacted to them Juliet Bellow brings dance to bear upon modernist art history as more than a source of imagery or ornament she spotlights a complex dialogue among art forms that did not preclude but rather enhanced artists' interrogation of the limits of medium

A Life of Picasso Volume II John Richardson, 2011-09-30 John Richardson draws on the same combination of lively writing critical astuteness exhaustive research and personal experience which made a bestseller out of the first volume and vividly recreates the artist's life and work during the crucial decade of 1907-17 a period during which Pablo Picasso and Georges Braque invented Cubism and to that extent engendered modernism Richardson has had unique access to untapped sources and unpublished material By harnessing biography to art history he has managed to crack the

code of cubism more successfully than any of his predecessors And by bringing a fresh light to bear on the artist's often too sensationalised private life he has succeeded in coming up with a totally new view of this paradoxical man and of his paradoxical work Never before has Picasso's prodigious technique his incisive vision and not least his sardonic humour been analysed with such clarity A Life of Picasso II: The Cubist Rebel John Richardson, 2007-10-16 In the second volume of his *Life of Picasso* Richardson reveals the young Picasso in the Baudelairean role of the painter of modern life Never before have Picasso's revolutionary vision technical versatility prodigious achievements and not least his sardonic humor been analyzed with such clarity Hence his great breakthrough painting *Les Femmes d'Alger* (O.J.) with which this book opens As well as portraying Picasso as a revolutionary Richardson analyzes the more compassionate side of his genius The misogynist of posthumous legend turns out to have been surprisingly vulnerable more often sinned against than sinning Heartbroken at the death of his mistress Eva Picasso tried desperately to find a wife Richardson recounts the untold story of how his two great loves of 1915-17 successively turned him down These disappointments as well as his horror at the outbreak of World War I and the wounds it inflicted on his closest friends Braque and Apollinaire shadowed his painting and drove him off to work for the Ballets Russes in Rome and Naples back to the ancient world In this volume we see the artist's life and work during the crucial decade of 1907-17 a period during which Picasso and Georges Braque devised what has come to be known as cubism and in doing so engendered modernism Thanks to the author's friendship with Picasso and some of the women in his life as well as Braque and their dealer D.H. Kahnweiler and other associates he has had access to untapped sources and unpublished material In *The Cubist Rebel* Richardson also introduces us to key figures in Picasso's life who have been totally overlooked by previous biographers Among these are the artist's Chilean patron collector and mother figure Eugenia Errázuriz as well as two fiancées the loveable Geneviève Laporte and the promiscuous bisexual painter Irène Lagut By harnessing biography to art history he has managed to crack the code of cubism more successfully than any of his predecessors And by bringing fresh light to bear on the artist's private life he has succeeded in coming up with a new view of this paradoxical man and of his paradoxical work Never before have Picasso's revolutionary vision technical versatility prodigious achievements and not least his sardonic humor been analyzed with such clarity *A Cultural History of Fashion in the 20th and 21st Centuries* Bonnie English, 2013-08-01 This new edition of a bestselling textbook is designed for students scholars and anyone interested in 20th century fashion history Accessibly written and well illustrated the book outlines the social and cultural history of fashion thematically and contains a wide range of global case studies on key designers styles movements and events The new edition has been revised and expanded there are new sections on eco fashion fashion and the museum major changes in the fashion market in the 21st century including the impact of new media and retailing networks new technologies fashion weeks the rise of Asian fashion centers and more There are twice as many illustrations In its second edition *A Cultural History of Fashion in the 20th and 21st Centuries* is the ideal introductory text for all students of fashion Dressing Modern Frenchwomen Mary

Lynn Stewart,2020-03-03 At a glance high fashion and feminism seem unlikely partners Between the First and Second World Wars however these forces combined femininity and modernity to create the new modern French woman In this engaging study Mary Lynn Stewart reveals the fashion industry as an integral part of women s transition into modernity Analyzing what female columnists in fashion magazines and popular women novelists wrote about the new silhouette Stewart shows how bourgeois women feminized the more severe masculine images that elite designers promoted to create a hybrid form of modern that both emancipated women and celebrated their femininity She delves into the intricacies of marketing the new clothes and the new image to middle class women and examines the nuts and bolts of a changing industry including textile production relationships between suppliers and department stores and privacy and intellectual property issues surrounding ready to wear couture designs Dressing Modern Frenchwomen draws from thousands of magazine covers advertisements fashion columns and features to uncover and untangle the fascinating relationships among the fashion industry the development of modern marketing techniques and the evolution of the modern woman as active mobile and liberated A Cultural History of Western Fashion Bonnie English,Nazanin Hedayat Munroe,2022-01-13 Just as the clothes we wear can communicate our personality and how we want to be perceived so fashion can reflect the politics and preoccupations of the society that produced it A Cultural History of Western Fashion guides you through the relationships between haute couture and ready to wear designer fashions popular culture big business high tech production as well as traditional and social media Exploring fashion s interdisciplinary nature English and Munroe also highlight the parallel evolution of clothing design and the other visual arts over the last 150 years This new edition includes expanded coverage of the build up to the First World War and brings this classic text up to date There is also a new chapter on smart textiles and technology exploring the work of Hussein Chalayan and Iris Van Herpen among others and expanded coverage of the role of sustainability in the contemporary fashion industry including biosynthetic textile production and Stella McCartney s use of vegan leather A Day with Picasso Billy Kluver,1999-02-18 In 1978 while collecting documentary photographs of the artists community in Montparnasse from the first decades of the century Billy Kluver discovered that some previously unassociated photographs fell into significant groupings One group in particular showing Picasso Max Jacob Mose Kislind Modigliani and others at the Caf de la Rotonde and on Boulevard du Montparnasse all seemed to have been taken on the same day The people were wearing the same clothes in each shot and had the same accessories Their ties were knotted the same way and their collars had the same wrinkles A total of twenty four photographs four rolls of film with six photographs each were eventually found With the challenge of identifying the date photographer and circumstances Kluver embarked on an inquiry that would illuminate the minute texture of that time and place Biographical research into the subjects lives led Kluver to focus on the summer of 1916 as the likely time the photos were taken He then measured buildings and plotted angles and lengths of shadows in the photographs to narrow the time frame to a spread of three weeks Further investigation eventually allowed Kluver to identify

the photographer as Jean Cocteau and to determine the day that Cocteau had taken the photographs August 12 1916 A computer printout of the sun's positions on that date obtained from the Bureau des Longitudes together with the length of the shadows enabled Klver to calculate the time of day of each photograph and thus to put them in proper sequence In a tour de force of art historical research Klver then reconstructed a scenario of the events of the four hours depicted in the photographs With evocative attention to detail noting when Picasso is no longer carrying an envelope or Max Jacob has acquired a decoration in his lapel Klver recreates a single afternoon in the lives of Picasso and friends a group of remarkable people in early twentieth century Paris Besides the central portfolio of photographs by Cocteau the book contains additional photographs and drawings short biographies of all the subjects and a historical section on the events and activities in the Paris art world at the time

The Scent of Empires Karl Schlögel, 2021-04-27 Can a drop of perfume tell the story of the twentieth century Can a smell bear the traces of history What can we learn about the history of the twentieth century by examining the fate of perfumes In this remarkable book Karl Schlögel unravels the interconnected histories of two of the world's most celebrated perfumes In tsarist Russia two French perfumers Ernest Beaux and Auguste Michel developed related fragrances honouring Catherine the Great for the 300th anniversary of the Romanov dynasty During the Russian Revolution and Civil War Beaux fled Russia and took the formula for his perfume with him to France where he sought to adapt it to his new French circumstances He presented Coco Chanel with a series of ten fragrance samples in his laboratory and after smelling each she chose number five the scent that would later go by the name Chanel No 5 Meanwhile as the perfume industry was being revived in Soviet Russia Auguste Michel used his original fragrance to create Red Moscow for the tenth anniversary of the Revolution Piecing together the intertwined histories of these two famous perfumes which shared a common origin Schlögel tells a surprising story of power intrigue and betrayal that offers an altogether unique perspective on the turbulent events and high politics of the twentieth century This brilliant account of perfume and politics in twentieth century Europe will be of interest to a wide general readership

Chagall Jackie Wullschläger, 2008-10-21 When Matisse dies Pablo Picasso remarked in the 1950s Chagall will be the only painter left who understands what color really is As a pioneer of modernism and one of the greatest figurative artists of the twentieth century Marc Chagall achieved fame and fortune and over the course of a long career created some of the best known and most loved paintings of our time Yet behind this triumph lay struggle heartbreak bitterness frustration lost love exile and above all the miracle of survival Born into near poverty in Russia in 1887 the son of a Jewish herring merchant Chagall fled the repressive potato colored tsarist empire in 1911 for Paris There he worked alongside Modigliani and Léger in the tumbledown tenement called La Ruche where one either died or came out famous But turmoil lay ahead war and revolution a period as an improbable artistic commissar in the young Soviet Union a difficult existence in Weimar Germany occupied France and eventually the United States Throughout as Jackie Wullschläger makes plain in this groundbreaking biography he never ceased giving form on canvas to his dreams longings and memories His subject more often than not was the shtetl life of his childhood the wooden huts and synagogues the goatherds rabbis and violinists the whole lost world of Eastern European Jewry Wullschläger brilliantly describes this world and evokes the characters who peopled it Chagall's passionate energetic mother Feiga Ita his eccentric fellow painter and teacher Bakst his clever intense first wife Bella their glamorous daughter Ida his tough minded final companion and wife Vava and the colorful tragic array of artist actor and writer friends who perished under the Stalinist regime Wullschläger explores in detail Chagall's complex relationship with Russia and makes clear the Russian dimension he brought to Western modernism She shows how as Andr  Breton put it under his sole impulse metaphor made its triumphal entry into modern painting and helped shape the new surrealist movement As art critic of the Financial Times she provides a breadth of knowledge on Chagall's work and at the same time as an experienced biographer she brings Chagall the man fully to life ambitious charming suspicious funny contradictory dependent but above all obsessively determined to produce art of singular beauty and emotional depth Drawing upon hitherto unseen archival material including numerous letters from the family collection in Paris and illustrated with nearly two hundred paintings drawings and photographs Chagall is a landmark biography to rank with Hilary Spurling's Matisse and John Richardson's Picasso

Women Artists Sherry Piland, 1994 Expanded to include an additional 29 artists the second edition of Women Artists is evidence of the growing interest in the lives and careers of women artists Additional annotated entries are included for the painters printmakers photographers sculptors and craftswomen represented in the earlier volume With 43 black and white reproductions This work continues to
