The Sons of Grady Rourke Douglas Savage, 2013-11-07 THE DEAD MAN S JOURNEY Jornada del Muerte the locals called it the blistering ocean of sand and sage between the Rio Grande River to the west and the Sacramento mountain range to the east The bones of men and horses had bleached in the mile high desert for three hundred years Spanish conquistadors were the first white men to explore this new furnace of the Southeastern New Mexico Territory and the first to perish In the thin air the riders coming down the mountain were sharply etched against the blue sky Steam blowing out of the ice encrusted nostrils of their mounts and their two pack horses surrounded the horsemen in a white veil Descending the eastern face of the Sacramento mountains the horses walked slowly and painfully on cracked hooves The icy earth offered only a steep path paved with shards of glass blood seeped around well worn iron horseshoes When the riders looked to the sky they saw that the white sun would stay high enough for them to make Fort Stanton ten miles into the valley The riders knew the trail since boyhood Words were not wasted in country where a man s mouth would crack and bleed like his horse s hooves Beyond the fort lay the clapboard settlement of Lincoln When Grady Rourke died his sons Sean Patrick and Liam came back to claim the family land What was left of it It was January 1878 when the Rourke brothers came back to this hard and dangerous land They thought they were coming home What they didn t know was that they were about to become part of a vicious struggle for power And that they would be forced to choose sides with either John Tunstall and Alexander McSween or J J Dolan and Sheriff William Brady The battle would quickly become the infamous Lincoln County War a dirty little war with no rules no heroes and no happy endings Douglas Savage the acclaimed author of Cedar City Rendezvous and Highpockets has taken the historical facts surrounding the Lincoln County War and its fascinating characters and fashioned one of the most readable and revealing tales of the American frontier

**The Court Martial of Robert E. Lee** Douglas Savage, 2014-03-07 On the first day of July 1863 Robert E Lee s Army of Northern Virginia accidentally crossed swords with George Gordon Meade s federal Army of the Potomac They clashed at a tiny Pennsylvania crossroads called Gettysburg Three

days later at least 22 000 Confederate men and boys were dead wounded or captured and the Yankees held the field when the river of bloodshed finally stopped Gettysburg was General Lee s worst defeat on an open field of battle In The Court Martial of Robert E Lee a discouraged Confederate Congress summons General Lee to Richmond in December 1863 to face a board of inquiry on the Battle of Gettysburg Through this speculative board of inquiry the reader is drawn into the true history of the Army of Northern Virginia and the real political personalities and true political intrigue of Richmond in 1863 Will General Lee be relieved of command Perhaps sent into retirement borne of catastrophic failure leaving behind forever his beloved Army of Northern Virginia The reader feels his pain and the anguish of a defeated general who wrote four months after Gettysburg that My heart and thoughts will always be with this army **American Historical Fiction** Lynda G. Adamson,1998-10-21 This publication will fill a gap in the bibliographic reference shelf by identifying historical novels for both adult and young adult readers I American Historical Fiction R contains over 3 000 titles set in states and historical regions of the United States Entries are organized by time period The newest titles as well as old favorites are covered The volume is indexed by author title genre subject and geographic setting **McKendree** Douglas Hirt,1997-02 The West had been good to Josh McKendree Then halfbreed trapper Jacques Ribalt takes it all away from him when he slaughters McKendree s family over a simple land dispute From that day on McKendree had only one thing left a need to make Ribalt pay for what he did *Sinder* Kathleen Kaufman,2020-10-27 Sinder weaves together the parallel stories of Ceit grown to adulthood and having taken her rightful place as Matrarc of the Society and her great grandmother Ainsley Robertson in 1924 Ireland and the inception of the community that would come to inhabit Sinder Avenue In 1996 Venice Beach Ceit struggles with the confines of superstition and tradition that have defined the Society since its start As her younger brother Alan turns eighteen Ceit enacts a plan to end the Society for good And in doing so releasing Alan from what she sees increasingly as a toxic and antiquated way of life as well as freeing herself from her mortal ties to the human realm In 1924 Ainsley Robertson lives in a secluded community outside of Cork led by her father an abusive and cruel ceannaire Ainsley s story opens with her expecting a baby in a world where being an unwed mother is a criminal act Ainsley grows to realize her own gifts and connection to the world of the fae as she navigates a world dominated by dogma and oppression As the sparks of what will become the Society grow to a flame Ainsley becomes the Matrarc of her people leading them to a new world and a new tradition Cedar City Rendezvous Douglas Savage,2013-11-07 Most folks would not trifle with the Hart brothers Such folks walked Some folks did not know better They are planted not so deep as to keep the cold of the high country from their bones but deep enough to keep the wolves from their place of repose That would do They were well known as gun men as shootists as bounty hunters Their first loyalty was for each other Their honor was kept for themselves Wherever they rode the people knew them and their deadly skills The Hart brothers were going to the Cedar City Rendezvous The territory was infested with renegades and outlaws nearly all of them far less honorable and far more rapacious than the very capable Hart

brothers Death and rape and robbery seemed to come out of the ground with the rippling heat like surf against a shore There seemed to be little that the law and decent citizens could do to stem the tide Until the sheriff of Cedar City Utah Territory decided to let the criminal element take care of itself and send out invitations to the Rendezvous Hundreds of killers showed up You are all here by invitation There be five miles tween here and town The object is for you to get from here to there alive enough to claim the fortune in gold Those of you what make it that far will get an equal share And the Governor s unconditional pardon goes with the loot A murmur ran thorough the great company armed to its blackened teeth Some of the shootists thought of saloons and every painted woman between Memphis and Frisco The Hart Brothers thought of fertile farm land where a body could take root and grow along with crops and children Men the rules be simple Every man for hisself from here to the edge of town You have until I get to town to find your place and cover When I signal with my rifle this shoot starts Before the sheriff was out of sight the throng exploded in all directions toward rocky hills scrub brush cover and small box canyons For fifteen long minutes there was silence Then a shot rolled lazily through the stifling hear A heartbeat later the thin air erupted with musketry In the first moments of the Cedar City Rendezvous a dozen men fell from their saddles and dropped to the salty ground      Incident in Mona Passage Douglas Savage,2014-12-15 One hundred miles off the coast of Puerto Rico a top secret experiment too dangerous to be conducted on land is being conducted aboard the U S nuclear attack submarine Sam Houston an experiment that has gone horribly wrong A predator is loose in the Sam Houston a microscopic killer that strikes without warning driving its victims to terrifying heights of violent self destructive insanity Soon madness and terror reign eight hundred feet below the ocean s surface as those infected race to defeat the silent killer unaware that another enemy follows in their wake A diesel submarine relic is pursuing nuclear powered Sam Houston into a final deadly confrontation in the deepest waters of the Atlantic      *The Biography Book* Daniel S.
