Sons Of The Father:

Sons of the Father Gordon Dalbey, 2011-11 Healing the Father Wound is an exploration of how all men are wounded by the imperfection of their earthly fathers and how Jesus Christ is able to bring healing and give us a relationship to God as our perfect never failing Father The book's premise is that all men carry this father wound left by fathers who did not love them perfectly

Sons of the Father Gordon Dalbey, 2002-05-07 Many men have a distorted idea of manhood that has been handed down from father to son for generations This book shows how to break that cycle and to receive healing through a restored relationship with God the Father

Sons and Fathers John Crosby, 2013-10-23 Father son relationships can be notoriously difficult Often fractious sometimes hostile and occasionally destructive the issue of authority is negotiated by fathers and sons in a range of styles In this fascinating new book John Crosby describes the filial relationships of 20 historical figures to illustrate the different ways they related to their fathers and what this can tell us about love authority and the wider family context *Sons and Fathers* is an approach to understanding this son father conflict based on early life experience rather than upon psycho history or psycho biographical material and theorizing Each vignette is designed to be read as a biographical account but is bookended by a section reflecting on how each man's relationship to his father can be understood in the context of key developmental theories in particular those of Eric Erikson and Murray Bowen's family system theory The book also includes an extended introduction to both theorists for those unfamiliar with their work as well as a discussion of the role of corporal punishment as a method of disciplining children From Michael Jackson to Bing Crosby Joseph Stalin to John F Kennedy this is a uniquely accessible but insightful book that will appeal to both general readers as well as students of Developmental Psychology across the lifespan Family Studies Marriage and Family therapy and related subjects It will also appeal to professionals working in the area including social workers counsellors and therapists

Paul Bersche, Duane Levick, 2022-06-10 Our world spins around us weaving in and out seemingly out of control We are dizzy trying to keep up with the changes on all sides Everything appears to be upside down backward steeped in confusion and contradiction What once was right is now wrong and what was wrong is now right Caught in this global tornado we wonder Is there any meaning to it all And we ask ourselves the age old question man has asked since the beginning of time Why am I here This book is a journey allowing God to answer those questions for us He left His Diary revealing His plans and desire for us Starting at the beginning we allow His Word to unfold His story We discover that God is love and that He has a plan laid out for us that far surpasses all the confusion and darkness engulfing the world today a plan open to everyone and that carries a future of joy purpose fulfillment and love God is indeed our wonderful Father love and we are His children The journey of humankind has just begun a journey of returning to the garden and walking with the Creator for all eternity Get ready to be impacted by a theme that will touch a deep place in your heart It is the theme of *Like Father Like Sons* Each chapter gave me so much to consider regarding the importance of this theme in our culture today Brokenness abounds often
