Collins,2020-12-21 Winning the Maple Cup has always been Sophie Fournier s dream ever since she was a little girl watching hockey in her grandparents basement She isn t satisfied after a season where she won hockey s biggest prize She wants to hoist the Cup again in back to back seasons She s done it once before and like any good hockey player she knows to repeat a successful formula in order to find success again Only this season is determined to be nothing like the last Coach Butler breaks up not only the top line which drove their success but he splits Sophie and Elsa She s cut off from her favorite winger on the ice and off it Elsa begins to date leaving Sophie on her own And with this being a Winter Games year their NAHL season is halted for international play For the first time since becoming teammates Sophie will compete against Elsa for a gold medal It s a year of change and Sophie hates it She knows what worked to win the Cup the previous season Now with multiple factors working against her including her own coach she has to figure out a new way to win the Cup If she can t it will be her shoulders the blame falls on **Sophie's Legacy** Lesley Elliott,William J. O'Brien,2011-06-10 Sophie Elliott had everything to live for until her ex boyfriend decided otherwise The gripping mother s tale of a murder that shocked New Zealand Sophie Elliott had good looks intelligence friends a loving family a degree under her belt and a new job at the Treasury in Wellington And then the day before she left Dunedin to take up that job she was brutally stabbed to death in her own home by her former boyfriend Clayton Weatherston He was much older and one of her lecturers at the university When the public came to take his measure at his high profile trial in 2010 his narcissistic manipulative personality stunned the nation Sophie s mother Lesley has weathered the horror of her daughter s death and the gruelling process of the trial to set up a foundation to help young women identify when they might be in a relationship that puts them in harm s way as

Sophie was unbeknownst to her and her family and how to seek help This book is Lesley's tribute to a daughter she adored her harrowing account of a tragedy no family should ever have to endure and her inspiring decision to make sure that Sophie's legacy endures It's also her challenge to the justice system on behalf of victims *Our Year of Maybe* Rachel Lynn Solomon, 2020-06-09 Emotionally resonant and deeply characterized School Library Journal starred review From the author of *You'll Miss Me When I'm Gone* comes a stunning contemporary novel perfect for fans of *Five Feet Apart* that examines the complicated aftermath of unrequited love between best friends Aspiring choreographer Sophie Orenstein would do anything for Peter Rosenthal Porter who's been on the kidney transplant list as long as she's known him Peter a gifted pianist is everything to Sophie best friend musical collaborator secret crush When she learns she's a match donating a kidney is an easy obvious choice She can't help wondering if after the transplant he'll love her back the way she's always wanted But Peter's life post transplant isn't what either of them expected Though he once had feelings for Sophie too he's now drawn to Chase the guitarist in a band that happens to be looking for a keyboardist And while neglected parts of Sophie's world are calling to her dance opportunities new friends a sister and niece she barely knows she longs for a now distant Peter more than ever growing increasingly bitter he doesn't seem to feel the same connection Peter fears he'll forever be indebted to her Sophie isn't sure who she is without him Then one heartbreaking night twists their relationship into something neither of them recognizes leading them to question their past their future and whether their friendship is even worth fighting for

Collins, 2021-12-21 Sophie's coach was fired over the summer but not before he took several parting shots at Sophie's character and dedication to her sport and her team Her coach's firing her own injury and her team's whimpering exit from the playoffs weren't the ideal way to end a season but Sophie's looking forward to a fresh start If Sophie is on the ice everything makes sense She can navigate a new coach she can handle a strained relationship with Elsa and she can breathe hope back into her franchise An unprecedented hot start to the season sees Sophie breaking NAHL records She has her sights set on Bobby Brindle's point streak record the one she fell short of breaking in her rookie season With personal success comes team success and Concord has a resurgence on the back of Sophie's accomplishments And then she's injured She has to spend the rest of the season on the sidelines and it forces her to confront a question she has never considered before Who is Sophie Fournier when she isn't playing hockey *Sophie's Heart Special Edition* Lori Wick, 2019-03-05 Lori Wick's *Timeless Classic Returns* After the tragic death of his wife Alec Riley struggles to put his life back together He and his three children are lost in their grief until Sophie walks unexpectedly into their lives Having left her native Czechoslovakia Sophie has discovered the land which seemed so bright with promise is far from her dream A highly educated woman Sophie now finds herself keeping house for Alec and his family How can Sophie
