Soren Kierkegaard In Selbstzeugnissen Und Bilddokumenten

Peter Šajda, Jon Bartley Stewart

Søren Kierkegaard In Selbstzeugnissen Und Bilddokumenten:

Søren Kierkegaard in Selbstzeugnissen und Bilddokumenten Peter Preisler Rohde, 1959 **Søren Kierkegaard in Selbstzeugnissen und Bilddokumenten** Peter P. Rohde, 1969 **Søren Kierkegaard in Selbstzeugnissen und Bilddokumenten** Peter P. Rohde, 1960 *Søren Kierkegaard in Selbstzeugnissen und Bilddokumenten. Dargestellt von Peter P. Rohde. [Aus dem Dänischen übertragen...].* Søren Kierkegaard, Peter Preisler Rohde, 1959 **Søren Kierkegaard in Selbstzeugnissen und Bilddokumenten** Peter Preisler Rohde, Søren Kierkegaard, 1959 **Aneignung und Reflexion: Studien zur Rezeption Søren Kierkegaards** Heiko Schulz, 2011

Der Band enthält eine Sammlung von deutsch und englischsprachigen Aufsätzen die sich mit der Rezeption Søren Kierkegaards befassen und zwar am Leitfaden der Begriffe Aneignung und Reflexion. Der Doppelsinn im Genitiv des Untertitels ist dabei durchaus beabsichtigt. Denn es geht nicht nur um die explizite Aneignung sowie die implizite Reflexion des Kierkegaard'schen Denkens in ihrer Wirkungsgeschichte sondern auch um Vorläufer und exemplarische Quellen seines eigenen Denkens. Der Schwerpunkt in der Rekonstruktion der Rezeptionsgeschichte liegt auf den sog. pseudonymen Werken und deren Wirkung in der vornehmlich innerdeutschen Philosophie und Theologie des 19. und 20. Jahrhunderts während der Rückgang auf die Quellen primär Kierkegaards Auseinandersetzung mit einigen Hauptvertretern des post-hegelianischen Denkens nachzeichnet. Beide Textgruppen fördern zahlreiche überraschende bislang unbekannte oder aber zu Unrecht marginalisierte Zusammenhänge in der Genese wie in der komplexen Wirkungsgeschichte des Kierkegaard'schen Denkens zutage.

Søren Kierkegaard in deutscher Sprache Eva Kaminski, Gerhard Schreiber, Heiko Schulz, 2016. Der vorliegende Band bietet die erste Gesamtbibliographie aller deutschsprachigen Veröffentlichungen zu Søren Kierkegaard 1813-1855 darüber hinaus werden sämtliche deutschsprachigen Übersetzungen von Kierkegaards veröffentlichten und unveröffentlichten Schriften sowie von seinen Journalen und Aufzeichnungen erfasst. Der Band ist damit ein unverzichtbares Hilfsmittel zur Erforschung der Übersetzungs- und Rezeptionsgeschichte Kierkegaards im deutschen Sprachraum.

Volume 10, Tome I: Kierkegaard's Influence on Theology Jon Stewart, 2016-12-05. Kierkegaard has always enjoyed a rich reception in the fields of theology and religious studies. This reception might seem obvious given that he is one of the most important Christian writers of the nineteenth century but Kierkegaard was by no means a straightforward theologian in any traditional sense. He had no enduring interest in some of the main fields of theology such as church history or biblical studies and he was strikingly silent on many key Christian dogmas. Moreover he harbored a degree of animosity towards the university theologians and churchmen of his own day. Despite this he has been a source of inspiration for numerous religious writers from different denominations and traditions. Tome I is dedicated to the reception of Kierkegaard among German Protestant theologians and religious thinkers. The writings of some of these figures turned out to be instrumental for Kierkegaard's breakthrough internationally shortly after the turn of the twentieth century. Leading figures of the movement of dialectical theology such as Karl Barth, Emil Brunner

Paul Tillich and Rudolf Bultmann spawned a steadily growing awareness of and interest in Kierkegaard's thought among generations of German theology students Emanuel Hirsch was greatly influenced by Kierkegaard and proved instrumental in disseminating his thought by producing the first complete German edition of Kierkegaard's published works Both Barth and Hirsch established unique ways of reading and appropriating Kierkegaard which to a certain degree determined the direction and course of Kierkegaard studies right up to our own times

Volume 8, Tome I: Kierkegaard's International Reception - Northern and Western Europe Jon Stewart, 2016-12-05 Although Kierkegaard's reception was initially more or less limited to Scandinavia it has for a long time now been a highly international affair As his writings were translated into different languages his reputation spread and he became read more and more by people increasingly distant from his native Denmark While in Scandinavia the attack on the Church in the last years of his life became something of a cause célèbre later many different aspects of his work became the object of serious scholarly investigation well beyond the original northern borders As his reputation grew he was co-opted by a number of different philosophical and religious movements in different contexts throughout the world The three tomes of this volume attempt to record the history of this reception according to national and linguistic categories Tome I covers the reception of Kierkegaard in Northern and Western Europe The articles on Denmark Norway Sweden Finland and Iceland can be said to trace Kierkegaard's influence in its more or less native Nordic Protestant context Since the authors in these countries with the exception of Finland were not dependent on translations or other intermediaries this represents the earliest tradition of Kierkegaard reception The early German translations of his works opened the door for the next phase of the reception which expanded beyond the borders of the Nordic countries The articles in the section on Western Europe trace his influence in Great Britain the Netherlands and Flanders Germany and Austria and France All of these countries and linguistic groups have their own extensive tradition of Kierkegaard reception

Søren Kierkegaard Peter Preisler Rohde, 1969 **Søren Kierkegaard** Annemarie Pieper, 2000 **Søren Kierkegaard zur Einführung** Konrad Paul Liessmann, 2019-01-17 Diese Einführung möchte zu Kierkegaard 1813-1855 hinführen und versucht nicht ihn zu systematisieren Das widerspricht der innersten Intention seines Denkens genauso wie den Formen die er diesem Denken gegeben hat Aufregend an Kierkegaard ist die Bewegung des Denkens selbst nicht dessen nachträgliche Subsumtion unter philosophiehistorisch verbriefte Begriffe Sein Ziel hat dieses Buch erreicht wenn es dem Leser Lust auf Kierkegaard macht Konrad Paul Liessmann

Volume 19, Tome III: Kierkegaard Bibliography Peter Šajda, Jon Stewart, 2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I-V is dedicated to individual

bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies Sören Kierkegaard Peter P. Rohde, 1975

Sören Kierkegaard in Selbstzeugnissen und Bilddokumenten, Von Peter P. Rohde [Aus Dem Dänischen Übertragen Von Thyra Dohrenburg. Den Dokumentarischen und Bibliographischen Anhang Bearb. Paul Raabe Peter Preisler Rohde, Søren Kierkegaard, 1967 *Volume 9: Kierkegaard and Existentialism* Jon Stewart, 2016-12-05 There can be no doubt that most of the thinkers who are usually associated with the existentialist tradition whatever their actual doctrines were in one way or another influenced by the writings of Kierkegaard This influence is so great that it can be fairly stated that the existentialist movement was largely responsible for the major advance in Kierkegaard's international reception that took place in the twentieth century In Kierkegaard's writings one can find a rich array of concepts such as anxiety despair freedom sin the crowd and sickness that all came to be standard motifs in existentialist literature Sartre played an important role in canonizing Kierkegaard as one of the forerunners of existentialism However recent scholarship has been attentive to his ideological use of Kierkegaard Indeed Sartre seemed to be exploiting Kierkegaard for his own purposes and suspicions of misrepresentation and distortions have led recent commentators to go back and reexamine the complex relation between Kierkegaard and the existentialist thinkers The articles in the present volume feature figures from the French German Spanish and Russian traditions of existentialism They examine the rich and varied use of Kierkegaard by these later thinkers and most importantly they critically analyze his purported role in this famous intellectual movement

The Palgrave Handbook of German Idealism and Existentialism Jon Stewart, 2020-08-25 This Handbook explores the complex relations between two great schools of continental philosophy German idealism and existentialism While the existentialists are commonly thought to have rejected idealism as overly abstract and neglectful of the concrete experience of the individual the chapters in this collection reveal that the German idealists in fact anticipated many key existentialist ideas A radically new vision of the history of continental philosophy is thereby established one that understands existentialism as a continuous development from German idealism Key Features Operates at both the macro level and micro level treating both the two schools of thought and the individual thinkers associated with them Explores the relations from shifting perspectives by examining how the German idealists anticipated existentialist themes and how the existentialists concretely drew on the work of the idealists Meticulously uncovers and documents many little known points of contact between the German idealists and the existentialists Includes often neglected figures such as Jacobi and Trendelenburg This Handbook is an essential resource for researchers and advanced students interested in thinking critically about the broad development of continental

philosophy Moreover the individual chapters on specific philosophers contain a wealth of information that will compel experts in the field to reconsider their views on these figures **Kierkegaard Bibliography** Peter Šajda; Jon Stewart, 2016

Sören Kierkegaard, die paradoxe Dialektik des politischen Christen Hermann Deuser, 1974 **Kierkegaard**
