American Exodus Stephen Hays, 2020-03-23 **American Exodus** is a race against time to transform the Body of Christ from faith based theology alone to being founded in love To transform from the authority of the state to follow only Christ past thousands of years of tradition to remember the whole truth of creation faith holiness and the power of God to preserve nations But if the church comes of age in a world filled with unprecedented lawlessness the price for following Jesus might be very high Only the Lord knows who will be for Him and who will be against Him when the time comes but the end is coming His patience is fulfilled Can humanity humble itself and gain the mercy of God Or will the end come with humans isolated and alone at the mercy of merciless powers **American Exodus** is about the power of the Holy Spirit to manifest Himself in ordinary people to accomplish extraordinary things It rises to heart and life changing heights of the Glory of the Lamb and it dives to the depths of tormented souls desperately trying to find refuge sanctuary healing and reconciliation It is a study on how dramatically everything can change yet how constant the power and grace of God is for those who are willing to seek out the Holy Place

Five Years Under the Southern Cross Frederic Chambers Spurr, 1915 Pp 152 9 Amongst the Aborigines Coranderrk station Vic boomerang **The Last of the Windjammers** Basil Lubbock, 1927 **Channel Surfing the Bible** Rev. Thomas O'Donnell, 2008-08-12 Two thousand years ago a simple man walked this planet with a simple message They called him Jesus

His was a message of radical inclusion in a world he called the Kingdom of God. He spoke in parables grounded in common everyday experiences: parables about yeast and leavened bread, weeds and mustard seeds, fishing nets and pearls. In the Kingdom of God, everyone was equal and differences made no difference. But the world couldn't handle such an outrageous message. Whoever heard of a world where differences make no difference? Of course they make a difference. So they dangled him from a cross for all the world to take note. After his death, they honored him with a title, the Christ, and began a whole new religion in his name. But for two thousand years, far too many have been dishonoring him by misrepresenting his message. His message of radical inclusion has been twisted and contorted into a message that far too many of his followers use to sanction that which he came to overcome. Instead of eliminating distinctions between insiders and outsiders, pure and impure, clean and unclean, his message has been used to perpetuate sexism, racism, ageism, homophobia, imperialism, and all the other isms that stand in the way of radical inclusion. All this has happened so gradually, literally over centuries, if not millennia, through crusty old doctrines, dogma, and creeds that very few have even noticed. Christianity has become fat and happy, just like the frog in the Parable of the Boiling Frog. You stick a frog in a vat of boiling water and it will struggle with all its might to escape an otherwise certain death. But if you stick a frog in a vat of lukewarm water and ever so gradually keep warming it one degree at a time, the frog will grow comfortable in the increasing warmth of its environment until, before he realizes it, he has been boiled. Two thousand years later, it is time to set the record straight, time to return to Jesus' simple message through the common, ordinary experiences of today. In the biblical witness, Moses wandered in the wilderness for forty years; Jesus, for forty days. So too shall we wander by channel surfing through forty chapters of scripture. From Adam and Eve to Ricky Nelson's Garden Party at Madison Square Garden, from the Book of Job, Eliphaz, Bildad, and Zophar, to The Three Stooges, from Matthew and Luke's nativity scenes to Larry Darryl and Darryl of The Bob Newhart Show, from the temptation stories and Jesus wandering in the wilderness to American Bandstand, the Temptations, and Dion, from Pilate and Herod cross-examining Jesus to Judge Wapner and Judge Judy, from atonement theology to Let's Make a Deal, it is time to paint our antiquated parables with a more contemporary brush. In so doing, it is time to turn Jesus' simple message into a profound reality. Onward, radical inclusion. On to the Kingdom of God. In the immortal words of Bart Simpson: Surfs up, dude. **Steps to Heaven** Star Noble, 2015-01-09. Culver City police officers Steve Randall and Bob Curry have been friends since their academy days. As partners on the job, Steve's enthusiasm and impulsiveness is a perfect match for Bob's keen thinking. While Steve struggles to understand his newfound attraction to Bob, the two are assigned to go undercover to stop the distribution of a dangerous, deadly drug. However, their best connection, a fashion photographer informant, is murdered before he can spill the beans on the key players. Steve and Bob follow the trail of clues to the Steps to Heaven Club. Risking all, Steve and Bob attend a party at the club. They aim to seek out the drug backers and solve the case, but when their cover is blown, they become the hunted. Steve has to admit to die would suck right about now, especially since he's finally realized his attraction to
