Dark Soulmates: How To Break Free From Toxic Karmic Connections And Find Healthy Love Kelly Wallace,2024-08-27 Dark Soulmates Nobody Wants Them But We Need Them When we usually think of soulmates we imagine our true love The One the person we ll happily be with forever With a dark soulmate this isn t the case though This type of karmic partner is a soulmate in the sense that you re in the same soul group and have shared past lives together but the two of you had some major problems A relationship like this is always filled with powerful emotions and brings up your unresolved issues from those past lives and your current life as well There s no doubt that the magnetism a dark soulmate has on us is incredibly strong You feel like you ve never felt before You ve never met someone you instantly clicked with in this way You ve never felt a bond so strong You ll connect with them faster and fiercer than probably any other type of relationship you ll be in They re just not good for you though they re necessary for soul growth and spiritual reparation Not a single person has gone out looking for a karmic relationship but everyone has been in at least one On the surface they often seem like any other relationship the difference is your emotional experiences with your partner You have highs and lows you feel close then distant and no matter how hard you try or how much you wish things would change you both keep repeating the same patterns Leaving is difficult though because you re not only letting go of the person but you re also letting go of behaviors that have kept you stuck in this cycle for perhaps centuries In the end acknowledging the lessons you learned while with this person and then taking steps to incorporate healthier and happier habits will allow you to finally release this karma and find a positive soulmate Ultimately you can take what you ve learned and use it to help you on your journey in life instead of letting it hold you back Soon you ll be creating the kind of relationship you ve always wanted to have One that s filled with respect passion and kindness and can last a lifetime and beyond But first you need to figure out how to break that karmic bond and let go of dysfunctional relationships
