Stephanie Y. Evans, Kanika Bell, Nsenga K. Burton, 2017-06-01 Creates a new framework for approaching Black women's wellness by merging theory and practice with both personal narratives and public policy. This book offers a unique interdisciplinary and thoughtful look at the challenges and potency of Black women's struggle for inner peace and mental stability. It brings together contributors from psychology, sociology, law, and medicine, as well as the humanities, to discuss issues ranging from stress, sexual assault, healing, self-care, and contemplative practice to health policy considerations and parenting. Merging theory and practice with personal narratives and public policy, the book develops a new framework for approaching Black women's wellness in order to provide tangible solutions. The collection reflects feminist praxis and defines womanist peace in terms that reject both superwoman stereotypes and victim caricatures. Also included for health professionals are concrete recommendations for understanding and treating Black women. This book speaks not only to Black women but also educates a broader audience of policymakers and therapists about the complex and multilayered realities that we must navigate and the protests we must mount on our journey to find inner peace and optimal health from the Foreword by Linda Goler Blount. *The Virgin mother, retreat addresses* Arthur Crawshaw A. Absolutely. Not only does God want us to keep on maturing, but God provides the path to spiritual growth. God hardwired us to blossom into a new realm of spirituality as we age. *Aging in Spirit* provides a blueprint for developing the type of greater love, compassion, understanding, and acceptance that Jesus taught as we move into our elder years so we can continue to be the hands and feet of God until the end of our lives. **The Masters and the Spiritual Path** Mark L. Prophet, Elizabeth Clare Prophet, 2020-12-29 You have friends in high places. There are masters who have come out of all the world's great spiritual traditions. These great lights of East and West have graduated from earth's schoolroom and reunited with Spirit in the process known as the ascension. The masters tell us that they are examples and not exceptions to the rule. We too are destined to fulfill our life's purpose and reunite with Spirit. This intriguing work offers an innovative perspective on the universe and your role in it. In this brilliant blend of East and West, you will discover valuable keys for your own spiritual path. You'll learn about the relationship between the ascension, nirvana, and samadhi; the parallel structure of the spiritual and material universes; the difference between ascended and unascended masters; and the function of the spiritual hierarchy and the role of the masters. *The Masters and the Spiritual Path* also offers a unique meditation on the bliss of union with Spirit and a breathing exercise to help you balance and expand consciousness.
