Soul Words:

God, You Are Healing for My Soul (Words Straight from the Heart) Carol S. Wright, 2011-12-19 Every day people awake thinking they can do things their way Maybe you were on the right path with God and you turned away Suddenly things that were once going well now are going downhill Those who were your so called friends have turned their backs on you Why Because you lost everything when you placed someone or something ahead of God This includes your family I encourage people to write I have found it to be a form of therapy A way to express myself out loud This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times Someone might say the poems are a conversation with God a form of prayer My hope is that everyone who reads this book will find their way back to God the Creator

Philodemus Philodemus, 2003 The On Poems by Philodemus c 110 35 BC the Epicurean philosopher and poet who taught Virgil and influenced Horace is our main source for Hellenistic literary theory In Book 1 Philodemus summarizes a survey of previously unknown poetic and aesthetic theories Compiled by Crates of Mallos this survey reviews the critical theories of earlier Epicureans Peripatetics and Stoics who argued in some way that sound is the source of poetic excellence and that the ear unaided by the mind can judge it Philodemus led the reaction against this invasion of Hellenistic literary criticism by musical theory arguing that form and content are interrelated and that substantive content not pretty sound is what makes poetry worthwhile The 200 fragments of Book 1 were entirely jumbled after its discovery at the site of Vesuvius destruction of Herculaneum This edition reconstitutes their original sequence according to a new method while exploiting previously unknown manuscript sources and new techniques for reading the extant pieces In thus restoring this important aesthetic treatise from antiquity it makes a major addition to the corpus of classical literature

Conversion Donald Haggerty, 2017-10-16 Contemporary spiritual writer Fr Donald Haggerty offers penetrating observations of the phenomenon of Christian conversion Arranged as a collection of concise meditative reflections this book discusses the essential elements of a soul's return to God including the repercussions of sin the proper understanding of mercy and the importance of a more radical response to God's will Fr Haggerty also explores the fruits of conversion that make the difference between a mediocre relationship with God and a truly holy life He identifies these special graces as love for the poor simplicity of lifestyle and devotion to the Eucharist The author's treatment of a second conversion is a unique and thought provoking contribution to his subject The ever renewed invitation to embrace a deeper passion for God is the thematic undercurrent of
