Winter Studies and Summer Rambles in Canada Anna Brownell Jameson,2009-02-24 In 1836 Anna Jameson sailed from London England to join her husband in Upper Canada where he was serving as attorney general Shaking off the mud of Muddy York with mild disdain young Mrs Jameson swiftly sallied forth to discover the New World for herself The best known of all nineteenth

century Canadian travel books *Winter Studies and Summer Rambles in Canada* is Jameson's wonderfully entertaining account of her adventures ranging from gleeful observations about the pretensions of high society in the colonies to a wild expedition she took by canoe into Indian country. Jameson's keen eye, intrepid spirit, irreverent sense of humour and staunch feminist perspective make this journal an invaluable record of life in pre Confederation Canada. Summer Kiss B.K.

King, 2024-10-04 Turned at twenty one Mamie Richards has been a vampire for quite a few years now but she's never had a serious relationship. Well that's probably because vampires aren't really good at keeping relationships. Since vampires don't age they have to move around a lot. Not only that but they often seduce humans to feed off them which doesn't lend well if you're committed to one person. And things do get tricky when their lover starts to age and they look just as young as ever. But Mamie can't help it when she meets Carol and soon the pair fall in love. Originally from the American Midwest Mamie now lives in London Ontario and there she starts a new life with Carol. As their relationship develops Carol reaches a crossroads where she is not sure if she should continue to work or go to college and Mamie needs to become more creative in her ways of getting blood. When Mamie joins a group of blood giving goths she starts to learn some things about vampires she never knew before things that will make her question herself, others and everything she ever knew. In the end Mamie will have to make a decision that will change her life forever. But what about Carol's? Zia Summer Rudolfo Anaya, 2015-06-02 A Chicano PI hunts his cousin's killer in a compelling thriller with a deep seated respect for the traditions of a people and a culture. Booklist The great grandson of a legendary lawman and gunfighter, thirty year old Sonny Baca hopes he possesses even a tenth of El Bisabuelo's courage. But instead of cleaning up New Mexico by hunting down dangerous desperadoes, the struggling PI looks for missing persons and deadbeat husbands. The game changes when his cousin Gloria, the first woman Sonny ever loved, is brutally slain. Her corpse is found drained of blood. A zia sun sign, the symbol on the New Mexican flag, is carved on her stomach. Gloria's husband Frank Dominic, a politician making a run for mayor of Albuquerque, has a powerful motive for murder. But Gloria wasn't the first victim. A year earlier another woman was slain in the exact same way. Is a serial killer on the loose? Or is this the handiwork of some satanic cult? Feeling his cousin's spirit crying out for justice, Sonny and his girlfriend begin a search that takes them across New Mexico's polluted South Valley to an environmental compound in the mountains. As Sonny moves closer to the truth, he uncovers a chilling connection between his past and a very real and present evil.
