Your emotional life engages with your perception of yourself and your relationships, while educational life is a combination of your knowledge and how you carry out your daily life. Using a vital visualization provided by author Anis Bl mur A Balanced LifeWatch or the AB Watch, you can determine whether you are living a balanced life where improvements are needed and how you can achieve happiness through a balanced life. **Fit Soul Ben**

Greenfield, 2020-12-20. Do you sometimes feel that no matter how much wealth you accumulate, toys, your own friendships, you make, or physical and mental mountains you conquer, you're still at the end of the day unfulfilled with a gnawing deep down inside that something is still missing, or that you're meant for something greater than what you're doing right now? You're not alone. That loss of direction, purpose, and deep fulfilling meaning is absent in the lives of some of the most successful or fit people you'll ever meet. Over the past several years, as Ben has repeatedly witnessed in both himself and others, the ultimate unfulfillment of a sole focus upon carnal, fleshly pursuits, and as he's observed great thinkers and philosophers while continually seeking wisdom, he's become increasingly convinced that caring for one's spirit is as important, no, actually far more important, than caring for one's body and brain. But after your muscles have atrophied, your skin has sagged, your brain has degraded and accumulated with plaque, your blood vessels have become clogged, and your nerves have become weakened, long after your relentless pursuit of fitness or health or longevity has become a vain effort, your spirit can be just as strong and as bright as ever. How about you? Have you gained the world yet left your soul behind? Do you feel like that most important part of you, your soul, is shrunken, neglected, and unfit? Do you crave for more meaning, purpose, and fulfillment in your life? Then this book, *Fit Soul*, was written exactly for you. Within the pages, written in a practical, easy-to-understand way with tips, tricks, strategies, and solutions that will be simple to implement within your own life, you'll discover everything you need to know to care for your soul, attain true spiritual fitness, discover union with God, and find the happiness you have always craved for and deserve. **The Physical and Spiritual Balance It's Possible?** Omar Varela, 2019-10-09. Open and free approach to people's health regardless of age and sex, differentiating between feeding and nutrition, how losing weight, understanding that bad habits can also be acquired through ignorance or lack of proper education, guided exercises to perform a regular physical activity, trying to balance the body and soul to take care of health, the only capital that really belongs to us while the flame of life is always lit.
