Sound Off Tumbleweeds:

Sound Off, Tumbleweeds! Tom K. Ryan, 1983 *The Tumbleweed Society* Allison J. Pugh, 2015-04-01 In *The Tumbleweed Society* Allison Pugh offers a moving exploration of sacrifice betrayal defiance and resignation as people cope in a society where relationships and jobs seem to change constantly Based on eighty in depth interviews with parents who have varied experiences of job insecurity and socio economic status Pugh finds most seem to accept job insecurity as inevitable but still try to bar that insecurity from infiltrating their home lives Rigid expectations for enduring connections and uncompromising loyalty in their intimate relationships however can put intolerable strain on them often sparking instability in the very social ties they yearn to protect By shining a light on how we prepare ourselves and our children for an uncertain environment Pugh gives us a detailed portrait of how we compel ourselves to adapt emotionally to a churning economy and what commitment and obligation mean in an insecure age Tumbleweed Peterson T. Luksh, 2012-12-14 Post Civil War America With the nation reunited once again and its assets no longer bogged down by open conflict the great expansion westward begins Railroad tycoons connect the coasts giving Americans a mobility unlike any in history Pioneers renegades scientists religious businessmen emancipated slaves soldiers outlaws politicians prospectors inventors all flock toward the Pacific Along the way new economies are forged industry is founded cultures flourish and die The United States sees an unprecedented growth in its financial militaristic social and international influence By 1880 the nations population had increased by more than sixty percent since the pre war era Lost and tangled somewhere within that sociological conflagration was Bill McCoy a veteran of that terrible war and a man still struggling to find his place in the country he d fought so savagely to preserve Still plagued by vivid memories of the battlefield Bill comes upon an opportunity that might finally offer him a measure of pride and peace But unknownst to Bill a cruel merciless sinister force awaits him in the desert One that not only threatens to shatter his hopes for a future but that might also cost a great many people their lives And their dignity *Still Life with Rhetoric* Laurie E. Gries, 2015-03-05 In *Still Life with Rhetoric* Laurie Gries forges connections among new materialism actor network theory and rhetoric to explore how images become rhetorically active in a digitally networked global environment Rather than study how an already materialized visual text functions within a specific context Gries investigates how images often circulate and transform across media genre and location at viral rates A four part case study of Shepard Fairey s now iconic Obama Hope image elucidates how images reassemble collective life as they actualize in different versions enter into various relations and spark a firework of activity across the globe While intent on tracking the rhetorical life of a single multiple image *Still Life with Rhetoric* is most concerned with studying rhetoric in motion To account for an image s widespread circulation and emergent activities Gries introduces iconographic tracking a digital research method for tracing an image s divergent rhetorical becomings Yet Gries also articulates a dynamic set of theoretical principles for studying rhetoric as a distributed generative and unforeseeable event that is applicable beyond the study of

visual rhetoric With an eye toward futurity the strands of time beyond a thing s initial moment of production and delivery Still Life with Rhetoric intends to be taken up by those interested in visual rhetoric research methods and theory *Tumbleweed* Heather Huffman,2014-05-14 In this prequel to international hit Throwaway Heather Huffman takes her readers on a journey of friendship love and family ties The message is clear Never stop fighting for the life you believe in Longing for a fresh start and a place to belong Hailey leaves behind her city life trading her cubical for a struggling horse ranch in the Ozark Mountains With her young son at her side and her family s skepticism echoing in her head Hailey is faced with more work than she ever could have imagined and a troublesome neighbor In the midst of it all the last thing Hailey needs is romance despite the undeniable growing attraction for her handsome and charming boss Ethan Just as Hailey finds her dreams tantalizingly within reach her new world is devastated in a cruel twist of fate She must find the strength to rebuild all she s dreamed of or risk forever drifting through life like a tumbleweed *Tumbleweed* is the ninth installment in the surprisingly warm and funny series The Throwaways twelve novels that don t shy away from the dark corners of this world but always shine the light of hope At the core of the series is a group of strong but often unlikely heroes and heroines coming from all walks of life whose lives intertwine as they fight for justice for love and to leave their indelible mark on this world Immerse yourself in a world of friends laughter and love with The Throwaways **Oklahoma Tumbleweeds** Marsha Schemmer Blake,2010-11-04 Fights Snake stories Dishonest horse traders Frightening experiences in Indian Territory Shootouts between lawmen and outlaws Fording or ferrying every river and creek between the Kansas and Texas borders Traveling in a covered wagon A tent a lean to or a wagon to call home Receiving your schooling in the out of doors Share those adventures with pioneers who lived them The Barrett family s wayfaring from Twin Territory days into statehood Stories from before 1890 through 1920 *Tumbleweed* Janwillem van de Wetering,2003-07-01 Maria van Buren a beautiful high class prostitute is found dead with a knife in her back in her houseboat on an Amsterdam canal Grijpstra and de Gier must solve the murder Her tony clients all have sound alibis Before the murderer is caught the detectives and their commissaris will investigate allegations of black magic travel to Cura ao and pursue the clues to a chilly island off the coast of Holland *Trouble In Tumbleweed* ,1995 *Tumbleweed of Contradictions* Roxie Powell,2016-07-22 No one has lived a life like Roxie Powell and if you don t believe it all you need to do is read his memoir *Tumbleweed of Contradictions* Born in Kansas toward the end of the Dust Bowl period on the high plains he was raised in western Kansas and the high mountains of Colorado His father taught him to look out to the horizon and then beyond and he did just that working on a cruise ship that took him all over the world While hes had different loves throughout his life the constant one has been writing and he recalls his interactions with literary giants such as Allen Ginsberg Neal Cassady Lawrence Ferlinghetti and other leading figures of the counterculture movement He was a rodeo cowboy in the West He drove race cars everywhere including Grand Prix tracks in Europe Neal Cassady admired Powells racing skills Powell penned one of Allen Ginsbergs favorite books of poetry a collection of verse
