The Complete Tales from the Edge of the Woods Rachael Ikins, 2013-04-20 Where exactly is the edge of the woods is asked early on in this eclectic assemblage of stories about a powerful wizard caring elves and mystical talking animals who inhabit a breathtakingly beautiful forest Occasionally humans encounter this fantastical place where timeless events provoke contemporary resonances and astonishing results Care for the environment the healing bonds of family and a bear who longs to read are at once mythic and timely Good and evil struggle in often poetic prose creating images that linger How do we get there a character asks and learns You arrive by mysterious means at this magical place Fortunately for us all we must do is open this intriguing book and turn the page Tales from the Edge of the Woods Willem Lange, 1998 If you live here by choice Willem Lange writes of the northern New England he s called home for half a century you pay your dues take what you can get and endure what you have to It s well worth it These reminiscences character sketches and sometimes heart rending accounts of life among the ubiquitous pines and unyielding granite shows a deep reverence and an abiding respect for this unique corner of the world We meet for example Baddy the crusty timber camp cook whose love of hunting ends the day he witnesses the needless death of a fawn We experience rites of passage an old man determined to spend one last night alone in the deep woods a young man discovering for the first time the indelible beauty of a northern September morning and Lange s own realization that for the first time I ll be the oldest man in camp and my son will be carrying most of my pack
