The Gospel According to Paul Graham H. Twelftree, 2019-11-20 Paul's gospel is misunderstood Paul's gospel is seen as his message perhaps an empowered message he saw it differently His gospel can be many things tradition about Jesus Jesus Christ himself the ministry of Jesus the replication of the ministry of Jesus God's salvific drama the salvation experience of people a message and something that can and should be embodied or lived And the gospel does not come to people in Paul's preaching He says it comes or takes place in both his message and the miraculous Without the involvement and acts of God in the miraculous for Paul there would have been no gospel only preaching It is not that the miraculous was simply a proof or demonstration of the gospel it was integral to it In the gospel's coming or establishment it is clear that at heart the gospel is God's salvation the presence of God himself in Christ experienced in the symbiotic relationship between Paul's message about God's Son Jesus Christ and the activity of God in the miraculous Not surprisingly then Paul rarely talks of preaching the gospel He sees himself as gospelling

The Theology of Paul the Apostle James D. G. Dunn, 2006-05-17 Using Paul's

letter to the Romans as the foundation for his monumental study of Paul's theology James D G Dunn describes Paul's teaching on God sin humankind Christology salvation the church and the nature of the Christian life *When in Romans* Beverly Roberts Gaventa, 2016-11-15 Invites Readers of Romans to Expand Their View of God and the Gospel When reading the book of Romans we often focus on the quotable passages making brief stopovers and not staying long enough to grasp some of the big ideas it contains Instead of raiding Paul's most famous letter for a passage here or a theme there leading New Testament scholar Beverly Roberts Gaventa invites us to linger in Romans She asks that we stay with the letter long enough to see how Romans reframes our tidy categories and dramatically enlarges our sense of the gospel Containing profound insights written in accessible prose and illuminating references to contemporary culture this engaging book explores the cosmic dimensions of the gospel that we read about in Paul's letter Gaventa focuses on four key issues in Romans salvation identity ethics and community that are crucial both for the first century and for our own As she helps us navigate the book of Romans she shows that the gospel is far larger wilder and more unsettling than we generally imagine it to be

came about in answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 9:51-19:27 followed that pattern exactly This volume picks up from the study of Luke 1:1-9:50 and precedes the future volume on Luke 19:28-24:53

answer to the request from my first congregation out of seminary I consistently sought to present a serious somewhat scholarly approach to the interested among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that way I attempted to discover for myself and my group what the book sought to convey In this volume the study of Luke 19:50 followed that pattern exactly *Preaching and Paul's Letter to the Romans* Ronald J. Allen, 2025-07-10 Ronald J Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community
