The Gospel Of Godromans An Exposition Of Romans:

Romans David Martyn Lloyd-Jones, Martyn Lloyd-Jones, 1985 Romans David Martyn Lloyd-Jones, 1985 **Romans** Charles Hodge, 1994-04-15 For hundreds of years Christendom has been blessed with Bible commentaries written by great men of God highly respected for their godly walk and their insight into spiritual truth The Crossway Classic Commentaries present the very best work on individual Bible books carefully adapted for maximum understanding and usefulness for today's believers Perhaps there is no clearer and more systematic treatise on the gospel of Jesus Christ than that found in Paul's Epistle to the Romans Christian believers through the centuries have fed deeply on its themes of the sinfulness of man the richness of God's mercy the transforming power of Jesus Christ in the repentant life the believer's participation in the Savior's death and resurrection and the practical implications of spiritual truth for daily life This classic commentary is a treasure for all who desire a deeper walk with God Whether used for supplementary reading or for careful study it will prove profitable to every follower of Christ who avails himself or herself of its gems **Commentary on the Epistle to the Romans** Charles Hodge, 1993 Commentary on the Epistle to the Romans was first published in 1835 and after several editors was completely rewritten by Hodge in 1864 This last revised edition has since become a standard resource for teachers pastors and educated laypersons Hodge's introductory material chapter analyses and verse by verse exposition provide even after more than one hundred years solid relevant instruction for today's students of the Bible *The Gospel of God: Commentary on Romans 1-11* Bob Conway, 2019-01-05 Paul's Letter to the Romans is the Gospel of God it is the first Christian Theology Chapters 1-11 contain the apostle's soteriological exposition of faith and hope that unlocks the entire Word of God Romans has been called the most profound work in existence and the cathedral of the Christian faith His letter is official personal spiritual and theological the principal and most excellent part of the New Testament Paul's exposition swings back and forth from Bad News to Good News There is the Bad News that every person of Adam's race is unrighteous corrupt condemned deserving of God's wrath Yet there is Good News that the righteous will live by faith in Christ and have a victorious life through the Holy Spirit The apostle powerfully explains how we can conform our life to Christ My primary objective in this commentary on the first eleven chapters of Romans is to explain and illustrate Paul's magnificent unfolding of soteriology the doctrines of salvation especially the imputed righteousness from God through Jesus Christ and His imparted righteousness by the Holy Spirit in the life of born again believers There is a fourfold exposition of righteousness in Paul's letter 1 Righteousness Imparted in the Law 1:13-20 2 Righteousness Imputed through Christ 3:21-8 213 Righteousness Ingrafted by God 9:1-11 364 Righteousness Impregnated in the Believer 12:1-16 2 Romans tells us how to be right right with God right with self right in the world and right with others Great seas of ink have been spilled in the attempt to interpret chapters nine through eleven of Romans in view of God's sovereignty and human responsibility The apostle Paul found the ultimate solution to Jewish unbelief in the sovereign plan of God revealed in the Old Testament within which there are no

loose threads in the final woven tapestry of His plans and purposes This commentary is the product of historical grammatical theological exegesis of the text for sermon preparations over a three year period as well as from my teaching of the course Romans Exegesis at Regent College of the Caribbean It is scholarly and practical with many illustrations from Bible I written this commentary as a theologian and pastor teacher following the literary techniques of the apostle Paul I have interpreted Paul s letter from my Biblical Theist and Progressive Dispensational presuppositions while recognizing other interpretations My views on God s sovereignty and foreknowledge do not align with Classic Theism or Open Theism they align with the resurgence of Biblical Theology I believe that the reader will find this commentary on soteriology to be a refreshing and rewarding study
