Joseph Ponessa, Laurie Watson Manhardt, 2015-07-01 The Gospel of Luke may be very familiar to you You have probably heard the Nativity story every Christmas since your childhood Most of what we learn and cherish about the infancy and childhood of Jesus comes from Luke probably through his research and interviews with the Blessed Mother Mary Most people even non Christians recognize the parable of the Prodigal Son There is so much more The Gospel of Luke begins and

ends in the temple The Blessed Trinity emerges clearly The Holy Spirit is referenced more than a dozen times All of the Joyful Mysteries of the Rosary can be found in Luke s first two chapters Prayer and joy permeate the Gospel of Luke One of the most interesting features of Luke s Gospel involves his treatment of women Luke enjoyed a privileged liberal education enabling him to write in elegant Greek May God surprise you with joy as you study and delve deeper into this Gospel of Luke Then he said to them These are my words which I spoke to you while I was still with you that everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24 44 About the Series Especially designed for families to do together Come and See Catholic Bible Study series presents the rich heritage of the Catholic Faith in clear and simple language With its practical direction for leaders easy to use workbook format and appealing design this Bible study series is ideal for use in the classroom home study or parish catechesis

Catastrophe Theology Francis Kai,2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor Although he had been a Catholic from ten years old Francis did not know to receive grace from God in deep suffering when his wife Martha was diagnosed with brain cancer During his search for spiritual help Francis discovered Martin Luther was the first theologian to preach suffering Luthers doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone Grace is the free gift of God to mankind A Christian must learn the way to receive grace through his faith in Christ Francis learned to receive grace by learning Luthers teaching Submit totally to God He was transformed from living his church life to Christian life God calls us to bear great fruit for his glory in this suffering world Francis learned the verse of John 14 12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering A church that does not preach suffering is not Gods church Francis learned to be a godly man from living a life in doctrine

A Life of Conversion Derek Rotty,2019-09-13 As Jesus passed on from there he saw a man called Matthew sitting at the tax office and he said to him Follow me And he rose and followed him Matthew 9 9 Conversion The word is often associated with a one time event such as the call of Saint Matthew But even for Matthew that call was only the beginning the moment when he started following Jesus For Matthew as for all the saints his conversion lasted a lifetime Real conversion repentance and turning toward God is a process that happens daily It is our continual yes to the Lord and the grace he offers us In A Life of Conversion Derek Rotty walks through eight Gospel passages that reveal essential lessons about conversion Through these stories from Scripture you will encounter Christ again and again and with him as your model you ll be drawn into a deeper relationship with the master of conversion Each chapter includes reflection questions that are perfect for both individual and group study
