Tom Kingery

The Gospels Greatest Story Ever Told A Roman Cat:

Judas Iscariot: Damned or Redeemed Carol A. Hebron, 2016-09-22 At the beginning of the 20th century Judas was characterised in film as the epitome of evil the villainous Jew Film makers cast Judas in this way because this was the Judas that audiences had come to recognize and even expect But in the following three decades film makers as a result of critical biblical study were more circumspect about accepting the alleged historicity of the Gospel accounts Carol A Hebron examines the figure of Judas across film history to show how the portrayal becomes more nuanced and more significant even to the point where Judas becomes the protagonist with a role in the film equal in importance to that of Jesus Hebron examines how in these films we begin to see a rehabilitation of the Judas character and a restoration of Judaism Hebron reveals two distinct theologies rejection and acceptance The Nazi Holocaust and the exposure of the horrors of genocide at the end of World War II influenced how Judaism Jews and Judas were to be portrayed in film Rehabilitating the Judas character and the Jews was necessary and film was deemed an appropriate medium in which to begin that process A Documentary History of Religion in America Since 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers The Challenge of the Silver Screen Freek L. Bakker, 2009 In 1897 only two years after the invention of film the first feature film about Jesus appeared This and other films about Jesus became examples for and an inspiration for films on other important religious figures like Rama Buddha and Muhammad Although religious leaders did not always approve of these films they did find a ready audience among believers This book explores these films and looks at how these films dealt with the fundamental question of portraying an individual thought to have either divine status or a very special and unique status among human beings This book will thus benefit not only students of religious film but also those studying the portrayal of central religious figures in the contemporary world Jesus, the Gospels, and Cinematic Imagination Richard Walsh, Jeffrey L. Staley, 2021-08-12 Jesus films arose with cinema itself Richard Walsh and Jeffrey L Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars stretching from *La vie du Christ* 1906 to *Mary Magdalene* 2018 The introduction to each film includes discussion of plot characters visuals appeal to authority and cultural location as well as consideration of the director's and or other filmmakers achievements and style Several film chapters end with reflections on problematic issues bedeviling the tradition such as cultural imperialism and patriarchy To assist teachers and researchers each chapter includes a listing of DVD chapters and the approximate time for both DVDs and streaming platforms at which key film moments occur The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films Extensive endnotes point readers to other important work on the tradition and specific films While the authors strive to set the Jesus film tradition within cinema and its interpretation the DVD streaming listing and the Gospels Harmony facilitate the comparison

of these films to gospel interpretation and the Jesus tradition
