Kleckley, 2022-02-14 The Letters of Johann Ernst Bergmann edited and translated by Russell Kleckley chronicles the experiences and perceptions of a German Lutheran pastor called to serve a struggling community in the American South soon after the Revolutionary War Written mostly to Bergmann's superiors at the important center of German Pietism in Halle the letters not only report on conditions in Ebenezer Georgia established over a half century earlier by religious refugees from Salzburg they also offer a distinctive and often critical look at American culture religion and politics from an outsider's viewpoint Bergmann stresses the practical and corrosive impact of American notions of freedom in everyday life while also commenting on a wide range of other issues including Georgia's relationship

with Native Americans and the practice of slavery From Healing to Hell William Henry Wall,2014-01-01 A son's courageous effort to clear his father's name From Healing to Hell tells the needless tragedy of W Henry Wall M D a successful southwest Georgia physician and state senator of the mid 1900s After Dr Wall became unwittingly addicted to a prescription drug he found himself trapped in a nightmarish chain of events Arrested on federal drug charges he was convicted and sentenced to the only U S prison for addicts His community was shocked and his entire family including the author then 17 was devastated In prison Dr Wall was subjected against his will to the CIA's notorious MK Ultra drug experiments The Wall family's half century nightmare should give every American fair warning while government is essential to protect us its powers must never be left unchecked **Carl Vinson** James F. Cook,2004 Known as the Georgia Swamp Fox or the Admiral Vinson was an astute and crafty tactician in the political arena with an incredibly acute sense of timing who knew how to play pork barrel politics and knew when and how to compromise For most of his tenure in Congress he was either the chairman or the ranking minority member of the Naval Affairs Armed Services Committee In time he came to wield enormous power in shaping naval and military policies In many respects he was the principal architect of the nation's modern defense system Organized chronologically and written in prose this work is based upon research in both primary and secondary sources This study is all the more remarkable in view of the fact that Vinson did not write an autobiography keep a diary or preserve his personal papers This biography of Carl Vinson is also the story of America and the South in a time of transition and change BOOK JACKET The Secret Trust of Aspasia Cruvellier Mirault Janice Sumler-Edmond,2008-08-01 In this fascinating biography set in nineteenth century Savannah Georgia Janice L Sumler Edmond resurrects the life and times of Aspasia Cruvellier Mirault a free woman of color whose story was until now lost to historical memory It's a story that informs our understanding of the antebellum South as we watch this widowed matriarch navigate the social economic and political complexities to create a legacy for her family Show Thyself a Man Gregory Mixon,2024-03-26 Georgia Historical Records Advisory Council award for Excellence in Research in Using the Holdings of Archives The history of Black militias in Georgia after the Civil War and their importance in defining citizenship In Show Thyself a Man Gregory Mixon explores the ways in which African Americans in postbellum Georgia used militia service after the Civil War to define freedom and citizenship Independent militias empowered them to get involved in politics secure their own financial independence and mobilize for self defense As whites and blacks competed for state sponsorship of their militia companies African Americans sought to establish their roles as citizens of their country and their state They proved their efficiency as militiamen and publicly commemorated black freedom and progress with celebrations such as Emancipation Day and the anniversaries of the Civil War Amendments White Georgians however used the militia as a different symbol of freedom to ensure not only the postwar white right to rule but to assert states rights This social political and military history examines how Black militias were integral to the process of liberation Reconstruction and nation building that defined the latter half of the nineteenth

century South A volume in the series Southern Dissent edited by Stanley Harrold and Randall M Miller **We Shall Not Be Moved** Robert A. Pratt,2010-02-25 In September 1950 Horace Ward an African American student from La Grange Georgia applied to law school at the University of Georgia Despite his impressive academic record Ward received a reply in reality a bribe from one of the university s top officials offering him financial assistance if he would attend an out of state law school Ward outraged at the unfairness of the proposition and determined to end this unequal treatment sued the state of Georgia with the help of the NAACP becoming the first black student to challenge segregation at the University of Georgia Beginning with Ward s unsuccessful application to the university and equally unsuccessful suit Robert A Pratt offers a rigorously researched account of the tumultuous events surrounding the desegregation of Georgia s flagship institution Relying on archival materials and oral histories Pratt debunks the myths encircling the landmark 1961 decision to accept black students into the university namely the notion that the University of Georgia desegregated with very little violent opposition Pratt shows that when Ward by then a lawyer helped litigate for the acceptance of Hamilton Earl Holmes and Charlayne Alberta Hunter University of Georgia students rather than outsiders carefully planned riots to encourage the expulsion of Holmes and Hunter Pratt also demonstrates how local political leaders throughout the state sympathized with even aided and abetted the student protestors Pratt s provocative story of one civil rights struggle does not stop with the initial legal decision that ended segregation at the university He also examines the legacy of Horace Ward and other civil rights pioneers involved in the university s desegregation including Donald Hollowell and Constance Baker Motley who continued for a lifetime to break color barriers in the South and beyond We Shall Not Be Moved is a testament to Horace Ward Hamilton Holmes Charlayne Hunter Gault and others who bravely challenged years of legalized segregation *Encyclopedia of the Gilded Age and Progressive Era* John D.
