The Great Heresy The History Beliefs Of The Cathars:

The Lost Teachings of the Cathars Andrew Phillip Smith, 2015-11-24 A deep dive into the history culture and legacy of the medieval Christian dualist movement Catharism as seen in popular novels by Dan Brown and Kate Mosse Centuries after the brutal slaughter of the Cathars by papally endorsed Northern French forces and their suppression by the Inquisition the medieval Cathars continue to exert a powerful influence on both popular culture and spiritual seekers Yet few people know anything of the beliefs of the Cathars beyond vague notions that they believed in reincarnation were vegetarians were somehow Gnostic and had some relation to Mary Magdalene The Lost Teachings of the Cathars explores the history of this Christian dualist movement between the twelfth and fourteenth centuries offering a sympathetic yet critical examination of its beliefs and practices In addition to investigating the Cathars origin their relationship to Gnosticism and their possible survival of the Inquisition author Andrew Philip Smith also addresses theories and figures from the Cathars recent past Eccentric esotericists initiated a neo Cathar revival in the Languedoc which inspired the philosopher Simone Weil The German Otto Rahn the real life Indiana Jones believed that the Cathars were protectors of the Holy Grail and received support from Heinrich Himmler Meanwhile English psychiatrist Arthur Guirdham became convinced that he and a circle of patients had all been Cathars in previous lives Tourists flock to the Languedoc to visit Cathar country Bestsellers such as Kate Mosse timeslip novel Labyrinth continue to fascinate readers But what did the Cathars really believe and practice

Cathars Sean Martin, 2012-02-03 Catharism was the most successful heresy of the Middle Ages Flourishing principally in the Languedoc and Italy the Cathars taught that the world is evil and must be transcended through a simple life of prayer work fasting and non violence They believed themselves to be the heirs of the true heritage of Christianity going back to apostolic times and completely rejected the Catholic Church and all its trappings regarding it as the Church of Satan Cathar services and ceremonies by contrast were held in fields barns and in people s homes Finding support from the nobility in the fractious political situation in southern France the Cathars also found widespread popularity among peasants and artisans And unlike the Church the Cathars respected women they played a major role in the movement Alarmed at the success of Catharism the Church founded the Inquisition and launched the Albigensian Crusade to exterminate the heresy While previous Crusades had been directed against Muslims in the Middle East the Albigensian Crusade was the first Crusade to be directed against fellow Christians and was also the first European genocide With the fall of the Cathar fortress of Montségur in 1244 Catharism was largely obliterated although the faith survived into the early fourteenth century Today the mystique surrounding the Cathars is as strong as ever and Sean Martin recounts their story and the myths associated with them in this lively and gripping book [The Master Game](#) Graham Hancock, Robert Bauval, 2011-01-01 Exposes the secret world order s true purpose and how it has affected the United States **Cathar Truth** Beverley E. Gould, 2018-08-17 This is the story of my encounter with a monk from a shared past life in the thirteenth century His message to me was I want you to remember

the Gilded Rose It could be useful for you now We were the Pure Ones who were rent asunder for official gain in the Languedoc South France We were put to the rack in the Inquisition It was not your fault I love you I forgive you and I want you to be happy My thirty five years of research of the fascinating life and times origins and beliefs of these Pure Ones known as Cathars are detailed in this book They were taught by Mary Magdalene in the first century and persecuted by the church of Rome in a forty year Crusade ending in their ultimate defeat at Montsegur in 1244 This book is my tribute to all those thousands if not millions of good Christians Cathars who stood fast for their truth in the face of certain death It leads you into understanding their relationship to Jesus and Mary Magdalene the Holy Grail the Troubadours the Shroud of Turin the Knights Templar the Ark of the Covenant the Sacred Feminine and more This deeply researched book will enrich your spiritual life and give you insights into the beliefs and gentleness of a hitherto unknown world the Church of Love brutally suppressed by the medieval Church of Rome because they refused to obey the Roman Church's man made rules
