The Great School Debate Choice Vouchers And Charters:

The Great School Debate Thomas L. Good, Jennifer S. Braden, 2014-04-08 This book will present a comprehensive examination of the latest school reform effort the charter school movement For anyone seriously interested in school reform the charter school movement including teachers principals college educ faculty **The Great School Debate** Thomas L. Good, Jennifer S. Braden, 2014-04-08 This book examines reform in American education over the past fifty years and against this backdrop presents a compelling analysis of why contemporary voucher plans and charter schools have yet to fulfill the expectations of their advocates It is the only book to date to attempt a comprehensive synthesis and analysis of the emerging research base on vouchers and charter schools Suitable for courses in school policy school reform school leadership or educational issues it will also be of interest to anyone parents teachers policymakers directly involved with the charter school movement Key features of this timely new book include the following A Historical Perspective The early chapters look at American educational reform over the past fifty years and analyze why these efforts have fallen short of their goals Student Achievement Chapter 3 provides an insightful assessment of American students school achievement from 1970 to the present and in the process counters the widely held myth that overall student achievement has deteriorated Voucher Plans and Charter Schools Chapter 4 looks specifically at choice and vouchers in American education while chapters 5 7 provide a comprehensive and balanced examination of the charter school movement Policy Recommendations The book concludes with explicit policy suggestions that attempt to balance the educational needs of children and youth against the rights of schools to experiment Suggestions for developing broader coalitions to support public education particularly in the inner cities are also offered

International Handbook of Research on Teachers and Teaching Lawrence J. Saha, Anthony Gary Dworkin, 2009-04-17 The International Handbook of Research on Teachers and Teaching provides a fresh look at the ever changing nature of the teaching profession throughout the world This collection of over 70 articles addresses a wide range of issues relevant for understanding the present educational climate in which the accountability of teachers and the standardized testing of students have become dominant

The Virgin of El Barrio Kristy Nabhan-Warren, 2005-05-01 In 1998 a Mexican American woman named Estela Ruiz began seeing visions of the Virgin Mary in south Phoenix The apparitions and messages spurred the creation of Mary s Ministries a Catholic evangelizing group and its sister organization ESPIRITU which focuses on community based initiatives and social justice for Latinos as Based on ten years of participant observation and in depth interviews The Virgin of El Barrio traces the spiritual transformation of Ruiz the development of the community that has sprung up around her and the international expansion of their message Their organizations blend popular and official Catholicism as well as evangelical Protestant styles of praise and worship shedding light on Catholic responses to the tensions between popular and official piety and the needs of Mexican Americans

Black American Students in An Affluent Suburb John U. Ogbu, 2003-02-26 John Ogbu has studied minority education from a comparative

perspective for over 30 years The study reported in this book jointly sponsored by the community and the school district in Shaker Heights Ohio focuses on the academic performance of Black American students Not only do these students perform less well than White students at every social class level but also less well than immigrant minority students including Black immigrant students Furthermore both middle class Black students in suburban school districts as well as poor Black students in inner city schools are not doing well Ogbu s analysis draws on data from observations formal and informal interviews and statistical and other data He offers strong empirical evidence to support the cross class existence of the problem The book is organized in four parts Part I provides a description of the twin problems the study addresses the gap between Black and White students in school performance and the low academic engagement of Black students a review of conventional explanations an alternative perspective and the framework for the study Part II is an analysis of societal and school factors contributing to the problem including race relations Pygmalion or internalized White beliefs and expectations levelling or tracking the roles of teachers counselors and discipline Community factors the focus of this study are discussed in Part III These include the educational impact of opportunity structure collective identity cultural and language or dialect frame of reference in schooling peer pressures and the role of the family This research focus does not mean exonerating the system and blaming minorities nor does it mean neglecting school and society factors Rather Ogbu argues the role of community forces should be incorporated into the discussion of the academic achievement gap by researchers theoreticians policymakers educators and minorities themselves who genuinely want to improve the academic achievement of African American children and other minorities In Part IV Ogbu presents a summary of the study s findings on community forces and offers recommendations some of which are for the school system and some for the Black community Black American Students in an Affluent Suburb A Study of Academic Disengagement is an important book for a wide range of researchers professionals and students particularly in the areas of Black education minority education comparative and international education sociology of education educational anthropology educational policy teacher education and applied anthropology

African American History Joanne Turner-Sadler, 2009 Every year more colleges and high schools are offering classes and often making them required classes in black history Joanne Turner Sadler provides a concise and probing treatment of 400 years of black history in America that can be used with age groups ranging from lower high school to college In African American History An Introduction the author touches on key figures and events that have shaped African American culture beginning with a look at Africa and its various civilizations and the migration of the African people to America Some essential topics covered are the struggle with slavery the role African Americans played in America s wars including the current war in Iraq race riots and unions the NAACP civil rights and black power movements the Harlem Renaissance issues in education the journey into the West legal cases such as Plessy vs Ferguson and Brown vs Board of Education African Americans as athletes entertainers and statesmen This book is an indispensable addition to all library collections as well as a teaching tool

for instructors It is heavily illustrated photos maps timelines with useful end of the chapter questions and activities for further study and includes a handy bibliography of suggested readings and an index New in this edition is a section on the historic election of Barack Obama the first African American president of the United States Interesting connections Obama has to past presidents are explored as well This edition also contains enhanced discussions of Colin Powell and Condoleezza Rice and the historic positions both held *Decade Ahead* Stuart Karabenick,Tim Urdan,2010-06-23 Includes chapters which examine the associations between motivation and other constructs such as emotion and self regulation This title also features chapters that examine sociocultural approaches to the study of motivation the motivation of African American students and teachers motivation and the policy implications of motivation research *Teacher and Student Evaluation* Alyson Leah Lavigne,Thomas L. Good,2013-09-05 Following the recent major school reform of Race to the Top schools teachers and students are increasingly evaluated through high stakes achievement test scores In six concise chapters Teacher and Student Evaluation explores the historical rise and modern landscape of accountability in American education and the current models of teacher evaluation The authors provide realistic and useful suggestions for responding to current accountability demands The authors explore the methodological concerns and policy implications of using value added and observational measures to make high stakes decisions After reaching the conclusion that these contemporary evaluation practices are flawed Alyson Lavigne and Thomas Good offer possible solutions that inform current and future teacher evaluation This book is a valuable resource for students of educational assessment as well as policy makers administrators and teachers who are currently building accountability plans The book is written in an accessible but authoritative fashion that practitioners policymakers and scholars will find useful *Enhancing Teacher Education, Development, and Evaluation* Alyson L. Lavigne,Thomas L. Good,2019-03-26 Enhancing Teacher Education Development and Evaluation examines the complex role that recent educational reforms have played in the teaching profession The failure of programs like Race to the Top to benefit teaching and learning outcomes has yielded many questions about what went wrong and how a research based plan for true systemic progress could actually work Covering inaccurate narratives about schools and student achievement evidence for teacher effectiveness and the history and repercussions of Race to the Top this book culminates with a proposal for future research and policy initiatives that more accurately and more equitably prioritize the measurement and improvement of teaching and learning Five concise yet comprehensive chapters invite teacher and principal educators teachers and school leaders in training district administrators policymakers and other stakeholders to better understand the implications of and possible paths beyond misguided reform efforts An overview of the recent past and an inspiration for the immediate future this definitive analysis offers insights into how more reasonable empirically derived strategies will ultimately foster more successful schools **People, Preferences and Prices** Eugene Galanter,Howard Moskowitz,Matthias Silcher,2011 This book explores a variety of topics that fall in the realm of psychological and behavioral

economics It demonstrates to the reader how to perform straightforward experiments in order to understand how people think about the economic aspects of their daily lives Behavioral economics is a hot new area of economics and consumer psychology This book provides a comprehensive guide on consumer research and the types of results required These approaches are spreading further around the globe thanks to the work of Dr Howard Moskowitz one of the authors of this book and the incredible succ
