The Great Trumpets And The Vial Judgments:

The Great Trumpets and the Vial Judgments Gordon Lindsay, 1973-01-01 **Preliminary Judgments** Thomas Blackburn Baines, The subject of this book is judgment the style symbolism God is revealed as the Almighty the Eternal the Judge of all the earth Christ appears exercising His judicial functions first in the house of God and afterwards among the nations The Holy Ghost is seen not as the one Spirit but in His perfect diversity of action in connection with the government of God Here as in all Scripture the person of Christ is the central figure the glory of Christ the central object But next to the person and glory of Christ the kingdom and the Church occupy the most prominent place The world is however throughout regarded as a scene of judgment Hence it is the judgments and not the blessings of the earthly kingdom that are here recorded So too the Church on earth is looked upon not in its privileges but in its responsibilities as the house of God at which judgment must begin On the other hand the heavenly glories of the Church and the heavenly side of the kingdom about which the Old Testament is silent are here blessedly unfolded The style of the book is largely symbolic and in this it resembles the prophecies of Daniel But while in Daniel the symbols are generally explained in this book their interpretation is usually left to be gathered from other portions of Scripture Many other features both in the subject and the style require notice but these will be more conveniently examined as they arise than in any preliminary remarks The book naturally divides itself into three parts At the close of the first chapter John is told to write the things which thou hast seen and the things which are and the things which shall be after these The things which thou hast seen are not so much a separate division as an introduction to the things which are But the things which shall be after these comprise two distinct classes those which precede and those which accompany or follow the coming and kingdom of Christ The three divisions of the book are therefore First The things which are described in the addresses to the seven churches and preceded by the introductory vision Second The judgments falling on the earth before the Lord's advent from heaven and Third The coming and reign of Christ ending with the judgment of the dead before the great white throne and leading on to the eternal state in which God is all in all *The Great Tribulation!* Richard L. Guthrie, 2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until

certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if theres a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice Charting the Supernatural Judgements of Planet Earth Jerimiah Asher,2010-08-10 Chapter 3 The First Judgment The World Prior To Adam There may have been many judgments upon the earth since its beginning millions or billions of years ago however the present commentary will deal only with the last tens of thousands of years of earth s existence In Genesis 1 2 the verses written by Moses as author of the Genesis account portray an earth that was veiled in darkness so that its form could not be discerned The earth at that time was covered with water ice high above the mountain tops so that it gave the appearance of being a dark revolving sphere of frozen water Table 2 God s spirit is described as hovering over this revolving ball of water and brooding over the sad condition of this dark void planet God did not create a dark and dismal planet at the beginning because God does not create darkness in fact darkness is incompatible with His existence and presence So what had happened that God viewed Gen 1 2 such a decrepit state of the world Does scripture attempt to explain this phenomenon or does the inspired word of God remain silent on this issue It was first proposed as a theory by the Scotsman Thomas Chalmers in the early 19th century that a gap in time existed between Genesis 1 1 and Genesis 1 2 This gap in time would encompass a ruin reconstruction theme and the existence of pre Adamic living beings Obviously a huge catastrophic event would have had to occur to produce this decadent state of the world The gap concept was later popularized by mention in the margin notes of the Scofield Reference Bible **The Revelation Viewed by the Light of Old Testament Scriptures ...** Frederick Brodie,1880 **THE FINAL REVELATION YOUR GULID TO Bible prophecy and future events of THE Bible** JOSHUA LANDBERG,2013-01-10 THIS BOOK ABOUT END TIME BIBLE PROPHECY AND GUILD TO YOUR NEAR FUTURE *Commentary on Revelation, Or, the Apocalypse* Ethelbert Bullinger,2007-11-01 With a surprising number of people professing a belief that we are living in the Biblical End Times this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever Analyzing the final chapters of the Bible on a verse by verse basis and finding much to be contentious about particularly when it comes to other interpretations of the book Bullinger reveals a powerful devotional way to approach Revelation British clergyman ETHELBERT WILLIAM BULLINGER 1837 1913 was one of the most respected Bible scholars of the 19th century He is author of numerous works including Great Cloud of Witnesses and How to Enjoy the Bible *Latter-day light on the Apocalypse* Arthur Paul (of the Free-Presbyterian ch, St. Kilda.),1902 KJV Study Bible Holman Bible Publishers,2012-09-01 The KJV Study Bible honors the beauty and majesty of the KJV in a full color Study with thousands of
