The Green Reapers:

The Green Reapers R. W. Jones,1990-01-31 *The Reapers* John Connolly,2009-04-28 Private detective Charlie Parker returns in this story of assassins who have targeted one of their own **Reapers** Lorne McDougall,2015-03-13 Miles Lechler is nothing special Like a million other highschoolers he spends his days blissfully unaware of the comings and goings of life absorbed in his own world of school football and crushes That is until one rainy afternoon when a fatal car accident changes what he thought he knew about death Lance is a predator A prodigy of the reapers a sect of human souls overseen by the angels themselves Lance mercilessly hunts the recently departed dutifully carrying them onwards to paradise That is until one rainy night when a rogue burst of spiritual power changes what he thought he knew about life after death Now Lance or as he was once called Miles must move quickly fighting in both the physical and spiritual realms against nightmarish creatures born of sin ancient demons hungering for pain and perhaps most frighteningly a growing hatred for humanity bred within the angels themselves The fate of both worlds hangs in the balance *Reapers Gate* daniel storm,2010-03 When a killer is put to death but doesn t die and the courts struggle with the possibility of his being an angel the country is torn and the Catholic Church takes up the fight This is a thriller that evokes so much emotion you won t want to put it down *Reapers at the Gate* Mina Carter ,2021-02-23 Everything comes with a price Especially love Many people have died in Laney s arms She s never once thought about bringing any of them back Apart from Troy But he should have died so now every reaper out there is gunning for him She must protect him and try and figure out what the hell is going on in Liberty before the proverbial hits the fan and they all become demon chow Life begins after you die After surviving a demon attack that should have killed him Troy is going to live life to the full But the worst betrayals come from within and when the town becomes ground zero for a demon invasion he finds out more than one person is keeping secrets When the Hellgate opens Troy and Laney must risk everything to save the world But will the price be too high and tear them apart forever A Continuing Story Please be aware that Laney and Troy s story is a serialized romance this is the final part If you re not a fan of the serial format please join my mailing list at MinaCarter com to be informed when a complete bundle is available Keywords reaper reaper book mythical creatures book fantasy romance novels romance series paranormal romance complete series shifter wars romantic fantasy books romantic fantasy series folklore creatures mythical books *The Reaper* Henry Chester Parsons,1884 **The 7 Habits of Highly Effective Reapers** C.A. Kennedy,2024-10-01 When a 3 000 year old demon grim reaper discovers someone s killing witches he ll do whatever it takes to stop them but everyone knows you can t cheat Death 3 000 year old demon grim reaper Aiden Finn has been in trouble with Management before Back in 79 A D he did some serious time in Hell for disobeying the orders of his boss He just wants to do his job and stay off of Management s radar but all that s about to change when he tries to get his latest Charge Carol to board the ferry and cross the River Styx after she becomes the latest victim of a serial killer targeting witches When Carol refuses to go Finn

promises to find her beloved cat a new home so she'll cooperate. His plan to drop the cat off at a local shelter takes an unexpected turn however when he arrives at her apartment and meets Chloe the stunning red headed witch who lives across the hall. Hoping to see her again Finn decides to pet sit the cat instead. As the number of murdered witches grows Finn must figure out who is behind the murders before Chloe becomes the next victim. He'll do whatever it takes to stop them even if it means risking an exorcism by walking into a church and sitting down for tea with a Catholic priest. Of course if he does find a way to stop the killer even a grim reaper knows you can't cheat death.

Shadow Reaper Ann Gimpel, 2019-12-09 The dead are restless and a whole lot less cooperative than they have been. That was true even before I drew the short straw and ended up with Vampire duty. Since then Reaping has taken way more time. So much I'm worried I'll lose all the clients from the career that actually feeds me. I run a small private pilot school. It pays most of the bills and means I don't have to keep regular hours. Death wants me to remain in one piece. She's bailed me out often enough she's all but ordered me to find other employment. I just smile and nod after our little talks and then I climb back into a cockpit. Our last toe to toe didn't go so well. She went and assigned Vampires to me. That's when Reaping turned into a million hour a week job. I can almost hear the Reaper who was stuck with them before laughing his head off. I shepherd souls to the other side. Vampires have zero interest in leaving but I have a quota to fill. Means I have to trick them but it didn't work for long. They're onto me. Damn Death anyway. She painted a target on my back and now the Vamps are out for blood. In more ways than one.

Reapers: The First Familiar TSUBAME, 2018-08-01 Return to the thrilling and terrifying world of Reapers and find Aramis fighting for her life and love as she tries to rescue her master the Reaper Vincent as his first familiar. But when she does she finds him severely injured and confused. Unable to protect him from his father Death Aramis is forced to take Vincent to a place where Death can't find them. Safe Heaven inhabited by ancient immortals led by Satan. With a wraith slowly consuming her body from the inside and Death's perpetual hunt for her soul it's not just about surviving anymore. This time the first familiar must surrender herself to one of the two evils to win against the other.

March In Country E.E. Knight, 2011-01-04 The race is on to claim the area between the Ohio River and Tennessee. What's left of the resistance is hiding out in the tangle of central Kentucky hills leaving the powerful well organized Kurian vampires the opportunity to fill the void. Major David Valentine knows a small group of fierce freedom loving allies who would be glad to settle the rich lands. But they're more than three hundred miles away with hostile aliens and vicious human slavers standing between. But even if by some miracle they make it the Kurian Order isn't about to easily yield the blood soaked Kentucky soil.
