The Greening Of The Church:

The Greening of the Church Sean McDonagh,1990 **The Greening of the Church** Findley Bartow Edge,1972

The Greening of Protestant Thought Robert Booth Fowler,2000-11-09 The Greening of Protestant Thought traces the increasing influence of environmentalism on American Protestantism since the first Earth Day which took place in 1970 Robert Booth Fowler explores the extent to which ecological concerns permeate Protestant thought and examines contemporary controversies within and between mainline and fundamentalist Protestantism over the Bible's teachings about the environment Fowler explores the historical roots of environmentalism in Protestant thought including debates over God's relationship to nature and the significance of the current environmental crisis for the history of Christianity Although he argues that mainline Protestantism is becoming increasingly green he also examines the theological basis for many fundamentalists hostility toward the environmental movement In addition Fowler considers Protestantism's policy agendas for environmental change as well as the impact on mainline Protestant thinking of modern eco theologies process and creation theologies and ecofeminism Green Church Rebekah Simon-Peter,2010 God saw everything that he had made and indeed it was very good Genesis 1:31 What the Bible says about taking care of the earth From extreme weather events to oil spills to climate change Planet Earth is in the news What does this mean for Christians and how does it impact the life of faith Green Church answers these questions in ways both hopeful and engaging Citing both Scripture and science Rebekah Simon Peter weaves together personal stories of Sabbath gardening recycling mentoring and the power of faith She challenges us to consider our role in the care of creation and to help steward the earth for future generations Includes Green Facts Spotlight on Science and Greening the Church follow up steps Use as a stand alone book small group selection or as part of a church wide campaign You can study the book by yourself or get a small group together at your church and work through the book together using the Green Church Leader Guide Use the resources for Children and Youth at the same time for a churchwide study Whether reading the book on your own or participating in a study don't forget to get a copy of 7 Simple Steps to Green Your Church which will show you how to implement a green plan at your church Be sure to Like Green Church at www.Facebook.com/GreenChurch What a remarkable Book Green Church is the most direct attractive and no nonsense argument I have yet seen for the holy obligations to Christian greenness This and its companion volume 7 Simple Steps to Green Your Church should be must reads for every church in North America Phillis Tickle author of The Great Emergence How Christianity Is Changing and Why The Greening of London, 1920-2000 Matti O. Hannikainen,2017-05-15 The long term development of public green spaces such as parks public gardens and recreation grounds in London during the twentieth century is a curiously neglected subject despite the fact that various kinds of green spaces cover huge areas in cities in the UK today This book explores how and why public green spaces have been created and used in London and what actors have been involved in their evolution during the course of the twentieth century Building

on case studies of the contemporary boroughs of Camden and Southwark and making use of a wealth of archival material the author takes us through the planning and creation stages to the intended and actual uses and ongoing management of the spaces By highlighting the rise and fall of municipal authorities and the impact of neo liberalism after the 1970s the book also deepens our understanding of how London has been governed planned and ruled during the twentieth century It makes a crucial contribution to academic as well as political discourse on the history and present role of green space in sustainable cities

7 Simple Steps to Green Your Church Rebekah Simon-Peter,2010 You are concerned about the care of creation and you want to help Take a year and green your church Here you will find step by step approach to greening your church You will gain insight and inspiration from the people in the book who are succeeding in developing a creation consciousness in their congregations Develop one in yours too Includes examples of sustainability in the scriptures challenges at home and success stories from a variety of denominations Order today and help your congregation take its first steps toward being a Green Church I can t imagine a church of any size that will not benefit from using this book It is lively easy to read and wonderfully practical Get it and use it J Ellsworth Kalas author of Parables From the Back Side To help your congregation understand more about what it means to be a green church and to live green from a theological perspective check out the Green Church resources from Rebekah Simon Peter and for all age levels
