

The background of the slide is a detailed Renaissance-style painting. It depicts a massive, multi-tiered stone fortress or city built into a steep hillside. The architecture features numerous arched windows and doorways, suggesting a grand and well-defended structure. In the foreground, a group of people in period clothing are gathered on a rocky outcrop. Some are standing, while others are lying on the ground, possibly indicating a scene of conflict or its aftermath. The overall scene is set against a backdrop of a cloudy sky and distant hills.
