The Politics Of Hong Kongs Reversion To China:

The Politics of Hong Kong's Reversion to China D. Wen-Wei Chang, R. Chuang, David Wen-Wei Chang, 1997-10-29 Hong Kong's reunification with China presents China with a great challenge to preserve the prosperity and stability that Hong Kong has achieved under the British legacy of a democratic free enterprise system and an efficient but noninterfering government. China aims to successfully link its own traditionally socialist economy and communist political system with Hong Kong under a one country two systems plan. Cultural and historical forces suggest that this marriage of opposites may well succeed.

Crisis and Transformation in China's Hong Kong Ming K. Chan, Alvin Y. So, 2016-07-08 Hong Kong has undergone sweeping transformation since its return to Chinese sovereignty in 1997. This is a multidisciplinary assessment of the new regime and key issues, challenges, crises, and opportunities confronting the Hong Kong Special Administrative Region (HKSAR).

The Challenge of Hong Kong's Reintegration with China Ming K. Chan, 1997-07-01 The seven essays in this volume address some of the critical issues underlining the process of Hong Kong's reintegration with China. Crisis and Transformation in China's Hong Kong , Hong Kong's Reunion with China: The Global Dimensions Gerard A. Postiglione, James Tuck-Hong Tang, 2016-07-01 The issues surrounding Hong Kong's global position and international links grow increasingly complex by the day as the process of Hong Kong's transformation from a British colony to a Chinese Special Administration Region unfolds. This volume addresses a number of questions relating to this process: How international is Hong Kong? What are its global and international dimensions? How important are these dimensions to its continued success? How will these dimensions change, especially beyond the sphere of economics? Is Hong Kong's internationalization defined in terms of its willingness to embrace international values and its capacity to maintain its international presence at risk? These questions are presented as they pertain to the changing situation, relations between mainland China, Taiwan, and Hong Kong; the positions of Australia, Canada, and the United States on Hong Kong; internalization of international legal values; Americanization vs. Asianization; linkages to the world through Guangdong; strategies to emigrate overseas; cultural internationalization; media internationalization; and universities within the global
