

The Politics of Reconstruction

1863-1867

With a new Preface by the author

David Donald

The Politics Of Reconstruction 1863 1867

Robert I. Rotberg

The Politics Of Reconstruction 1863 1867:

The Politics of Reconstruction, 1863-1867 David Herbert Donald, 1965 *The Politics of Reconstruction, 1863-1867* David Herbert Donald, 1968 *The politics of Reconstruction, 1863-1867* Baton Rouge, Louisiana State U.P. David Herbert Donald, *The Politics of Reconstruction, 1863-1867* B. David Herbert Donald, 1965 *The Scalawag In Alabama Politics, 1865-1881* Sarah Woolfolk Wiggins, 1977-07-30 Who was this scalawag Simply a native white Alabama Republican Scorned by his fellow white Southerners he suffered in his desire for socioeconomic reform and political power more than mere verbal abuse and social ostracism he lived constantly under the threat of physical violence When first published in 1977 Wiggins treatment of the scalawag was the first book length study of scalawags in any state and it remains the most thorough treatment According to *The Journal of American History* this is the most effective challenge to the scalawag stereotype yet to appear *Retreat from Reconstruction, 1869-1879* William Gillette, 1982-01-01 According to William Gillette recent reinterpretation of Reconstruction by revisionist historians has often tended to overemphasize idealistic motivations at the expense of assessing concrete achievements of the era Thus he maintains the failure of both the purpose and the promise of Reconstruction has not been deeply enough analyzed *Retreat from Reconstruction* is the first and most comprehensive analysis yet published on the course of the development decline and disintegration of Reconstruction during the decade of the 1870s Gillette sets forth the idea that these years provided the true test of the effectiveness of Reconstruction By using the primary sources to back up and amplify his premise he offers a detailed thoroughly convincing study of Reconstruction and a significant interpretation of why the political programs of the Republicans ended in failure Focusing on Reconstruction as national policy and how it was made and administered Gillette s study interweaves local developments in the South with political developments in the North that resulted in the withdrawal of support of that policy His broadly based work includes an examination of federal election enforcement in the South the southern policies of the Grant and Hayes administrations the presidential elections of 1872 and 1876 the congressional election of 1874 and the Civil Rights Act of 1875 In addition to political developments Gillette touches on the social economic intellectual educational and racial facets of Reconstruction and by demonstrating how they bore on the political processes of the era he deepens our understanding of a crucial but controversial period in American history and the workings of the American political system **Rutherford B. Hayes** Ari Arthur Hoogenboom, 1995 Delve into the life and legacy of Rutherford Birchard Hayes the 19th President of the United States in this comprehensive biography This biography explores Hayes s presidency marked by challenges and achievements offering a nuanced understanding of a leader whose impact on executive power and civil service reform left an indelible mark on American history **A Press Divided** David B. Sachsman, 2017-09-08 *A Press Divided* provides new insights regarding the sharp political divisions that existed among the newspapers of the Civil War era These newspapers were divided between North and South and also divided within the North and South These divisions reflected and exacerbated the conflicts in

political thought that caused the Civil War and the political and ideological battles within the Union and the Confederacy about how to pursue the war. In the North dissenting voices alarmed the Lincoln administration to such a degree that draconian measures were taken to suppress dissenting newspapers and editors while in the South the Confederate government held to its fundamental belief in freedom of speech and was more tolerant of political attacks in the press. This volume consists of eighteen chapters on subjects including newspaper coverage of the rise of Lincoln, press reports on George Armstrong Custer, Confederate women war correspondents, Civil War photojournalists, newspaper coverage of the Emancipation Proclamation and the suppression of the dissident press. This book tells the story of a divided press before and during the Civil War, discussing the roles played by newspapers in splitting the nation, newspaper coverage of the war and the responses by the Union and Confederate administrations to press criticism.

Pragmatism, Politics, and Perversity Joseph L. Esposito, 2012-06-14 The political project of pragmatism has focused primarily on its defense of democracy as the best political system to maintain and improve human well being over lifetimes and generations. Pragmatism, Politics and Perversity: Democracy and the American Party Battle describes this project of Peirce, Dewey, Hook and Rorty and combines it with Charles Beard's study of the party battle as the most determinative influence upon American democracy. The book updates and confirms Beard's hypothesis that the history of the party battle is a chronicle of perverse schemes and self-inflicted wounds, the most salient to date being the American Civil War because it reflects a ceaselessly disruptive contest over the creation of two largely incompatible political states: nation state and market state. The book supports its thesis with detailed historical accounts of the formation of the Constitution and early federal judiciary, the sedition trials and political schemes of the 1790s, the frustration of market state Whigs to attract white working class voters by exploiting their religious identities, the reckless machinations of Whig Republicans in precipitating a national crisis over a contrived threat of oligarchy and white slavery, and the ideological oscillations of the Supreme Court from market state to nation state jurisprudence and back again. To reduce perversity in political rhetoric and free up pragmatic democratic practices, the book proposes a robust neo-Madisonian view of free speech where political actors and their surrogates are not only free to speak and write but are also obligated to explain, retract and revise what they have said and written.

Profiles in Character Joseph M. Hernon, 1997 Afterword, A Note on Sources, Notes, Index

The Trial of Democracy Xi Wang, 2012-01-01 After the Civil War, Republicans teamed with activist African Americans to protect black voting rights through innovative constitutional reforms, a radical transformation of southern and national political structures. The Trial of Democracy is a comprehensive analysis of both the forces and mechanisms that led to the implementation of black suffrage and the ultimate failure to maintain a stable northern constituency to support enforcement on a permanent basis. The reforms stirred fierce debates over the political and constitutional value of black suffrage, the legitimacy of racial equality and the proper sharing of power between the state and federal governments. Unlike most studies of Reconstruction, this book follows these issues into the early twentieth century to

examine the impact of the constitutional principles and the rise of Jim Crow Tying constitutional history to party politics *The Trial of Democracy* is a vital contribution to both fields *American Studies* Jack Salzman, American Studies Association, 1986-08-29 This is an annotated bibliography of 20th century books through 1983 and is a reworking of *American Studies An Annotated Bibliography of Works on the Civilization of the United States* published in 1982 Seeking to provide foreign nationals with a comprehensive and authoritative list of sources of information concerning America it focuses on books that have an important cultural framework and does not include those which are primarily theoretical or methodological It is organized in 11 sections anthropology and folklore art and architecture history literature music political science popular culture psychology religion science technology medicine and sociology Each section contains a preface introducing the reader to basic bibliographic resources in that discipline and paragraph length non evaluative annotations Includes author title and subject indexes ISBN 0 521 32555 2 set 150 00 **Gentleman and Soldier** Edward G. Longacre, 2009-05-01 Winner of the Douglas Southall Freeman History Award *Gentleman and Soldier* is the first biography in more than fifty years of Wade Hampton III 1818 1902 a Confederate general whose life provides a unique sweeping insight into the entire history of the Civil War in the South Hampton was a leading citizen of South Carolina before the war and the highest ranking cavalry leader on either side during the war He fought in a remarkable number of battles from Antietam to Gettysburg to Bentonville and after the war served as governor of South Carolina and in the U S Senate Hampton s life however was one of dramatic contradictions He was the quintessential slave owner who nonetheless questioned the ethical underpinnings of the peculiar institution He was a prewar spokesperson for national unity but became an avid secessionist He condemned violence and abhorred dueling but he probably killed more opponents in battle than any other general with the possible exception of Nathan Bedford Forrest He redeemed South Carolina from Reconstruction but then extended more political benefits to African Americans than any other Democratic governor in the postwar South For more than forty years he gave selflessly of himself to his state and his community not only when wealthy but also when teetering on the abyss of poverty Edward G Longacre has written twenty three books on the Civil War His book *The Cavalry at Gettysburg* available in a Bison Books edition won the Fletcher Pratt Award as the best book of Civil War nonfiction He is also the author of *Pickett Leader of the Charge* and *Lee s Cavalrymen* a main selection of the History Book Club **Making Legal History** Daniel J. Hulsebosch, R. B. Bernstein, 2013-09-20 These essays epitomize the deep and broad impact that William Nelson has had on the writing of American legal history David Thomas Konig Washington University in St Louis Bill Nelson s influence is displayed in this wonderful collection Larry Kramer President William Flora Hewlett Foundation A fundamental contribution to our understanding of this country s legal history Fine essays A fitting tribute Stanley N Katz Princeton University A wonderful offering Hendrik Hartog Princeton University *The Widow of the South* Robert Hicks, 2005-08-30 Based on a true story this debut Civil War novel follows a Southern plantation woman s journey of transforming her home into a hospital

for the war This debut novel is based on the true story of Carrie McGavock During the Civil War s Battle of Franklin a five hour bloodbath with 9 200 casualties McGavock s home was turned into a field hospital where four generals died For 40 years she tended the private cemetery on her property where more than 1 000 were laid to rest *Politics and Political Change* Robert I. Rotberg,2001 This collection shows how the study of past politics can be deepened by theory and practice from political science sociology and economics and how the application of quantitative methods to received assumptions can expand our understanding of all political history *Frederick Douglass' Civil War* David W. Blight,1991-07-01 In this sensitive intellectual biography David W Blight undertakes the first systematic analysis of the impact of the Civil War on Frederick Douglass life and thought offering new insights into the meaning of the war in American history and in the Afro American experience Frederick Douglass Civil War follows Douglass intellectual and personal growth from the political crises of the 1850s through secession war black enlistment emancipation and Reconstruction This book provides an engrossing story of Douglass development of a social identity in relation to transforming events and demonstrates that he saw the Civil War as the Second American Revolution and himself as one of the founders of a new nation Through Douglass life his voice and his interpretations we see the Civil War era and its memory in a new light Historical Dictionary of United States Political Parties Harold F. Bass Jr.,2009-09-01 The constitution that establishes the institutional framework for American national government makes no mention of political parties Yet for over two centuries political parties have competed in encouraging organizing and directing political activity in the United States This volume compiles entries of concepts terms labels and individuals central to identifying and comprehending these key roles political parties have played in American political life The second edition of Historical Dictionary of United States Political Parties addresses the historical development organization operation and leadership of the parties as well as their broader environment This is done through a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries addressing individuals institutions and terms Congressional Lions J. Michael Martinez,2019-10-10 In some periods of American history members of the legislative branch have been as influential and sometimes more influential than a particular president in crafting public policy and reacting to world events Congressional Lions examines twelve influential members of Congress throughout American history to understand their role in shaping the life of the nation The book does not focus exclusively on the biographical details of these lawmakers although biography invariably plays a role in recalling their triumphs and tragedies Instead the book highlights members legislative accomplishments as well as the circumstances surrounding their congressional service **The Limits of Judicial Power** William Lasser,2017-10-01 Lasser examines in detail four periods during which the Court was widely charged with overstepping its constitutional power the late 1850s with the Dred Scott case and its aftermath the Reconstruction era the New Deal era and the years of the Warren and Burger Courts after 1954 His thorough analysis of the most controversial decisions convincingly demonstrates that the Court has much more power to

withstand political reprisal than is commonly assumed Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

This book delves into The Politics Of Reconstruction 1863 1867. The Politics Of Reconstruction 1863 1867 is an essential topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Politics Of Reconstruction 1863 1867, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:
 - Chapter 1: Introduction to The Politics Of Reconstruction 1863 1867
 - Chapter 2: Essential Elements of The Politics Of Reconstruction 1863 1867
 - Chapter 3: The Politics Of Reconstruction 1863 1867 in Everyday Life
 - Chapter 4: The Politics Of Reconstruction 1863 1867 in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, the author will provide an overview of The Politics Of Reconstruction 1863 1867. The first chapter will explore what The Politics Of Reconstruction 1863 1867 is, why The Politics Of Reconstruction 1863 1867 is vital, and how to effectively learn about The Politics Of Reconstruction 1863 1867.
 3. In chapter 2, the author will delve into the foundational concepts of The Politics Of Reconstruction 1863 1867. This chapter will elucidate the essential principles that need to be understood to grasp The Politics Of Reconstruction 1863 1867 in its entirety.
 4. In chapter 3, the author will examine the practical applications of The Politics Of Reconstruction 1863 1867 in daily life. The third chapter will showcase real-world examples of how The Politics Of Reconstruction 1863 1867 can be effectively utilized in everyday scenarios.
 5. In chapter 4, this book will scrutinize the relevance of The Politics Of Reconstruction 1863 1867 in specific contexts. This chapter will explore how The Politics Of Reconstruction 1863 1867 is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about The Politics Of Reconstruction 1863 1867. The final chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Politics Of Reconstruction 1863 1867.
