The Portable Maupassant

Graham Greene

The Portable Maupassant:

The Portable Maupassant Guy de Maupassant, 1964 *The Portable Maupassant* , 1947 **Maupassant and the American Short Story** Richard Fusco, 2010-11-01

Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant's work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant's use of story structure At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because Maupassant's translators promoted him as championing it Only a few writers such as James and Chopin both of whom read Maupassant in French appreciated his deft handling of form more fully Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story This book details the origins and consequences of this misperception The book further contributes to the study of the short story genre Through an adaptation of Aristotelian concepts Richard Fusco proposes an original approach to short story structure defining and developing seven categories of textual formulas linear ironic coda surprise inversion loop descending helical contrast and sinusoidal As a practitioner of all these forms Maupassant established his mastery of the genre By studying his use of form the book asserts a major reason for his pivotal importance in the historical development of the short story

The Portable Tolstoy graf Leo Tolstoy, 1978 The greatest of Russian novelists believed that whatever the artist depicts saints robbers kings or lackeys we seek and see only the artist's own soul The soul that shines through the work of Leo Nikolayevich Tolstoy 1828 1910 is a vast and contradictory thing It generates the narrative floodtides of War and Peace and Anna Karenina and short stories so intimate that we seem to inhabit their characters rather than just observe them Tolstoy's soul is that of a consummate artist who despises artfulness and seeks to approximate the disorder of life of a sensualist who aspires to sainthood of an aristocrat who identifies fiercely with the small and humble All the aspects of Tolstoy's work and character are on display in this masterful anthology The Portable Tolstoy includes a complete short novel The Kreutzer Sonata passages from the author's fictional memoirs of his childhood youth and military life excerpts from The Cossacks the short stories The Wood felling Master and Man and How Much Land Does a Man Need the play The Power of Darkness selections from such philosophic social and critical writings as A Confession and What is Art and a chronology bibliography and critical introduction by the renowned scholar John Bayley The result is a splendid and authoritative volume of work by a writer whose moral vision narrative powers and stylistic range all but defy containment

The Portable James Joyce James Joyce, 1947 **The Complete Novels of Guy de Maupassant** Guy de Maupassant, 1928 **The Complete Works of Guy de Maupassant** Guy de Maupassant, 1917 **The Portable Chekhov;**

Ed., and with an Introd., by Avrahm Yarmolinsky Anton Pavlovich Chekhov, 1947 Dynamics of Desacralization Paola Partenza, 2015 The idea of desacralization has become almost commonplace attributing to the word the rejection of what is sacred One might think that it is strictly connected to theology and its system or suppose that it implies the relationship human beings have with anything that can express a denial of the spiritual part of life The concept of desacralization has numerous meanings either from a philosophical or a literary viewpoint The scholars investigation of Dynamics of Desacralization has made this collection of essays rich and varied revealing new worlds the different authors have created What they do is to narrate various types of desacralization interrogating the nature of novels poems or works of art certain aspects of being are revealed through various expressions engaging the multiple levels and the meaning of desacralization providing an articulation and interpretation of it ... Complete Works of Guy de Maupassant ...: Strong as death, Useless beauty, and short stories Guy de Maupassant, 1909 **Promoting and Producing Evil** Nancy Billias, 2011 At the Interface Probing the Boundaries seeks to encourage and promote cutting edge interdisciplinary and multi disciplinary projects and inquiry By bringing people together from differing contexts disciplines professions and vocations the aim is to engage in conversations that are innovative imaginative and creatively interactive Theory of the Novel Philip Stevick, 1967-10 Comprehensive collections of theoretical essays on various facets of the novel The Collected Novels and Stories of Guy de Maupassant Guy de Maupassant, 1924 The National Union Catalog, Pre-1956 Imprints, 1968 The Life Work of Henri René Guy de Maupassant Guy de Maupassant, 1903 The Portable Conrad Joseph Conrad, 2007-11-27 A collection of Conrad s most enduring work edited by Pulitzer Prize finalist Michael Gorra A great novelist of the sea a poet of the tropics a critic of empire and analyst of globalization a harbinger of the modern spy novel an unparalleled observer of the moments in which people are stripped of their illusions Joseph Conrad is one of the greatest writers of the twentieth century This revised edition of The Portable Conrad features the best known and most enduring of Conrad s works including The Secret Agent Heart of Darkness and The Nigger of the Narcissus as well as shorter tales like Amy Forster and The Secret Sharer a selection of letters and his observations on the sinking of the Titanic For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators The Portable Henry James Henry James, 2003-12-30 Henry James wrote with an imperial elegance of style whether his subjects were American innocents or European sophisticates incandescent women or their vigorous suitors His omniscient eye took in the surfaces of cities the nuances of speech dress and manner and above all the microscopic interactions hesitations betrayals and self betrayals that are the true substance of relationships The entirely new Portable Henry James provides an unparalleled range of this great body of work seven major

tales including *Daisy Miller* *The Turn of the Screw* *The Beast in the Jungle* and *The Jolly Corner* a sampling of revisions James made to some of his most famous work travel writing literary criticism correspondences autobiography descriptions of the major novels and parodies by famous contemporaries including T S Eliot Ezra Pound Virginia Woolf and Graham Greene For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Portable

Graham Greene Graham Greene,2005-01-25 In his essays criticism screenplays autobiography and novels Graham Greene explored a territory located somewhere on the border between despair and faith treachery and love This cross section of Greene s work was originally selected with the author s help in 1973 and has now been extensively revised and updated It includes the complete novels *The Heart of the Matter* and *The Third Man* along with excerpts from ten other novels short stories selections from Greene s memoirs and travel writings essays on English and American literature and public statements on issues that range from repression in the Soviet Union to torture in Northern Ireland to the paradoxical virtue of disloyalty An extensive critical and biographical introduction headnotes chronology and bibliography by editor Philip Stratford make *The Portable Graham Greene* as invaluable for scholars as it is essential for any traveler through Greene s richly menacing and strangely seductive literary landscapes For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Blood Obsession Jörg Waltje,2005 What is it about vampires that fascinates the human imagination *Blood Obsession* closely scrutinizes theories of Sigmund Freud and Tzvetan Todorov and arrives at a model of the vampire as the perfect representative of genre for a variety of reasons the vampire figure appeals to its audience because of an interdependency of looplike mental and narrative structures that lure both reader and writer incessantly back to the genre At the same time this book provides the reader with a thorough survey of literary and filmic vampires in both adult and juvenile fictions Lastly it blends the realms of legal and literary history by highlighting the changes the image of the serial killer a close relative of the vampire underwent at the end of the twentieth century *Blood Obsession* is a highly enlightening study for the general reader as well as for students of film literature and popular culture

Before Cultures Brad Evans,2005-11-15 The term culture in its anthropological sense did not enter the American lexicon with force until after 1910 more than a century after Herder began to use it in Germany and another thirty years after E B Tylor and Franz Boas made it the object of anthropological attention *Before Cultures* explores this delay in the

development of the culture concept and its relation to the description of difference in late nineteenth century America In this work Brad Evans weaves together the histories of American literature and anthropology His study brings alive not only the regionalist and ethnographic fiction of the time but also revives a range of neglected materials including the Zuni sketchbooks of anthropologist Frank Hamilton Cushing popular magazines such as Century Illustrated Monthly which published Cushing s articles alongside Henry James s the debate between Joel Chandler Harris author collector of the Uncle Remus folktales and John Wesley Powell perhaps the most important American anthropologist of the time and Du Bois s polemics against the culture concept as it was being developed in the early twentieth century Written with clarity and grace Before Cultures will be of value to students of American literature history and anthropology alike
