**Thinking And Destiny** Harold W. Percival,2002-04 In Thinking and Destiny something new although older than time is now made known to the world about Consciousness The information is largely about the makeup of the human where man comes from what becomes of him it explains what thinking is it tells how a thought is created and how thoughts are exteriorized into acts objects and events and how they make his destiny Destiny is thus shown to be self determined by thinking and the process of re existence and the after death states are told in detail A single reading of any one chapter of Thinking and Destiny brings rich rewards in new understanding of life s puzzling mysteries To read the entire book is to come nearer to knowledge of one s destiny and how to shape it than is possible through study of anything previously written

in the English language Both the casually curious glancer at books and the most avid seeker for knowledge will be intrigued by the index which lists more than 400 subjects in *Thinking and Destiny* and by the fifteen chapter headings in the Table of Contents which identify the 156 sections The Foreword contains the only pages in which Mr Percival uses the first personal pronoun Here he relates some of the amazing experiences through which he was able to grasp the knowledge he transmits and to acquire the ability to do so

**The Land Beyond the Portal** J. S. Bailey, 2011-07 As Laura placed her left foot on the floor something clicked and a low humming vibration filled the room Suddenly she was surrounded by an intense blinding white light and she was gone It s a dark snowy night when Laura awakens at the bottom of a staircase with a horrible headache and no idea how she got there To make matters worse she is alone in the house snowed in by a blizzard with no way to call for help While exploring the house in a desperate attempt to trigger the return of her memory she discovers a small room beneath the basement She steps inside and an unknown force instantly transports her to a mysterious pastoral land She finds a quaint village that at first glance seems like a peaceful place but Laura soon learns that peace is merely an illusion Why are terrible rumors circulating about the village s leader Why do the villagers worship a sinister deity who bears no resemblance to her own powerful and loving God Most importantly will she ever remember who she is and find her way home In her quest for answers she uncovers a myriad of forbidden secrets that might keep her trapped in *The Land Beyond the Portal*

*TALES FROM THE PORTAL* RUSSELL A RICE, 2019-02-21 As one of the sun s light beams shown down through the golden autumn trees he noticed a very small dot of a target straight ahead of him He quickly drew an arrow from the quiver nocked it and let it fly The arrow hissed through the cool autumn air but suddenly just when he had expected it to hit the mark He instead heard a horrifying scream that made him flinch and lose track of where the arrow had gone Jason s heart pounded in his throat and he stood perfectly still for what seemed to be an eternity He listened and watched but nothing moved There were no sounds at all Had he killed an animal For once he wished he were not all alone in the woods After a moment or two when his heart finally returned to a more normal beat he cautiously approached the area where the arrow had vanished The moment he stepped into the vicinity of his last target the hair on the back of his neck stood on end The leaves rustled before him in an odd breeze as a large dark circle suddenly appeared before him
