The Portuguese Connection The Secret History Of The Azores Base

**Douglas L. Wheeler, Walter C. Opello
Jr.**

The Portuguese Connection The Secret History Of The Azores Base:

The Portuguese Connection Roland Eugene Vintras, 1974 **The Making of Portuguese Democracy** Kenneth Maxwell, 1995-09-07 This vividly written book is the first comprehensive assessment of the origins of the present day democratic regime in Portugal to be placed in a broad international historical context After a vibrant account of the collapse of the old regime in 1974 it studies the complex revolutionary period that followed and the struggle in Europe and Africa to define the future role of Europe's then poorest country International repercussions are examined and comparisons are drawn with the more general collapse of communism in the late 1980s **Base Politics** Alexander Cooley, 2012-07-23 According to the Department of Defense's 2004 Base Structure Report the United States officially maintains 860 overseas military installations and another 115 on noncontinental U S territories Over the last fifteen years the Department of Defense has been moving from a few large footprint bases to smaller and much more numerous bases across the globe This so called lily pad strategy designed to allow high speed reactions to military emergencies anywhere in the world has provoked significant debate in military circles and sometimes fierce contention within the polity of the host countries In *Base Politics* Alexander Cooley examines how domestic politics in different host countries especially in periods of democratic transition affect the status of U S bases and the degree to which the U S military has become a part of their local and national landscapes Drawing on exhaustive field research in different host nations across East Asia and Southern Europe as well as the new postcommunist base hosts in the Black Sea and Central Asia Cooley offers an original and provocative account of how and why politicians in host countries contest or accept the presence of the U S military on their territory Overseas bases Cooley shows are not merely installations that serve a military purpose For host governments and citizens U S bases are also concrete institutions and embodiments of U S power identity and diplomacy Analyzing the degree to which overseas bases become enmeshed in local political agendas and interests *Base Politics* will be required reading for anyone interested in understanding the extent and limits of America's overseas military influence *The Lisbon Route* Ronald Weber, 2011-05-16 *The Lisbon Route* tells of the extraordinary World War II transformation of Portugal's tranquil port city into the great escape hatch of Nazi Europe Royalty celebrities diplomats fleeing troops and ordinary citizens desperately slogged their way across France and Spain to reach the neutral nation Here the exiles found peace and plenty though they often faced excruciating delays and uncertainties before they could book passage on ships or planes to their final destinations As well as offering freedom from war Lisbon provided spies smugglers relief workers military figures and adventurers with an avenue into the conflict and its opportunities Ronald Weber traces the engaging stories of many of these colorful transients as they took pleasure in the city's charm and benign climate its ample food and drink its gambling casino and Atlantic beaches Yet an ever present shadow behind the gaiety was the fragile nature of Portuguese neutrality which at any moment the Axis or Allies might choose to end *The History of Portugal* James M. Anderson, 2000-02-28 This informative concise and engagingly

written work provides the most up to date history of Portugal current through 1999 and gives a full picture of the political social cultural and economic influences that shaped the history of Portugal Covering the period from Portugal s early conception as a nation through its long history with emphasis on the dramatic period of the last several decades this volume culminates with the demise of the Salazar dictatorship and the independence of its colonies Complete with a timeline for easy reference to events brief biographies of important people lists of monarchs and heads of state and a bibliographic essay it is the ideal companion for the student or interested reader In nine chapters Anderson discusses the geography of Portugal its prehistoric antecedents its formation as a nation and the events that once made it a world leader in exploration discovery and imperial power How and why the country was drawn into the orbit of its large neighbor Spain lost much of its empire and yet managed to regain its independence are examined along with the trials and tribulations encountered on its journey from monarchy to modern republic The discussion presents the factors that kept Portugal one of the poorest nations in Europe for most of its existence and the reasons that it is now leading into the 21st century closing the economic gap with wealthier nations

Operation Alacrity Norman Herz,2014-01-15 To win the war against German U boats the Allies had to protect their convoys in the vast black hole of the mid Atlantic known as the Azores Gap In 1943 they devised a plan to set up air bases on the Azores Islands owned by neutral Portugal It was essential for the operation to remain secret because the Allies had to get there before the Germans who had their own plan to build bases Author Norman Herz took part in the Allied operation as a corporal with the U S Army Corps of Engineers 928th Engineer Aviation Regiment At the time he was given little information about the operation and told never to talk about what he did After the war Operation Alacrity remained mostly unknown kept secret Herz suggests so the U S government would not be embarrassed they had claimed they would not invade the Portuguese territory In researching the book Herz found not a word of the operation mentioned in any official U S history of World War II but a treasure trove of declassified memos and others documents from the files of the U S Joint Chiefs of Staff and the Combined U S U K Chiefs of Staff and in state department files The story is filled with diplomatic intrigue and double dealing including secret meetings between Franklin Roosevelt and Winston Churchill and Churchill s use of a 1373 treaty with Portugal to justify landing in the Azores The story also involves all of the Allied engineering branches from U S Navy Seabees to RAF Sappers The success of their operation is undeniable U boats stopped patrolling the Azores Gap and not a single Allied troopship was lost again in the area Today the base is an important link to American and NATO defense worldwide

The Allied Air Campaign Against Hitler's U-boats Timothy S. Good,2022-09-15 No weapon platform sank more U boats in the Second World War than the Allied aircraft Whether it was an American plane operating from American escort carriers US aircraft from Royal Air Force bases or British aircraft from bases throughout the world these officers and men became the most decisive factor in turning the tide of the Battle of the Atlantic against the German submarine threat While the German crews could threaten escort vessels with torpedoes or avoid them by remaining

submerged their leaders never developed an effective strategy against aircraft. However, the Allied aircraft did not enjoy much early success. British, Canadian, and Australian air crews that fought the U-boats from 1939 until 1941 achieved few triumphs. They possessed neither the aircraft nor the bases necessary to deliver consistent lethal attacks against German submarines. In 1941, the Royal Air Force finally began implementing an effective aircraft response when it initiated training on the American-built Consolidated B-24 Liberators. Supported by other types then in service, these four-engine bombers would prove to be decisive. With America's entry into the war, the United States Navy and the United States Army Air Forces also began employing Liberators against the U-boats, so that by mid-1943, the Admiral Karl Dönitz, commander of U-boat forces, withdrew his submarines from the North Atlantic in recognition of the Allied aircraft's new dominance. From Dönitz's retreat to the end of the war, Allied aircraft continued to dominate the U-boat battle as it shifted to other areas, including the Bay of Biscay. Dönitz eventually ordered his U-boats to remain on the surface and engage Allied aircraft as opposed to submerging. This approach did lead to the demise of some Allied aircraft, but it also resulted in even more U-boats being sunk. Most critically, Dönitz acknowledged with his new policy that he knew of no tactics or weapons that would defend his submarines from Allied aircraft. In the end, it was a matter of choosing whether his submariners would die submerged or die surfaced. Either way, Allied aircraft prevailed. The Allied Air Campaign Against Hitler's U-Boats is the most comprehensive study ever undertaken of this most crucial battle, which helped turn the Battle of the Atlantic irrevocably in favour of the Allies.

Atlantic Linchpin Guy Warner, 2021-12-30. On a map, the Azores appear as nine tiny specks in the middle of the Atlantic Ocean, but their location was to prove strategically vital in two world wars. The Atlantic became a crucial battleground twice within the space of 25 years, as the US arsenal of democracy sent firstly stores, arms, and equipment, followed by many thousands of troops to fight in Europe. In both desperate and closely fought struggles at sea, Germany sought to stem the flow and thereby win the war by cutting this vital lifeline using a new weapon: the ocean-going submarine. In the First World War, the Azores became a mid-Atlantic refueling location, a base for US and Portuguese naval vessels, and in a hugely innovative contribution to the anti-submarine war, for the patrol seaplanes and flying boats of the US Marine Corps. Portugal was neutral during the Second World War, but when Winston Churchill invoked a treaty dating from 1373, permission was given in 1943 for an RAF Coastal Command base to be very rapidly established at Lajes. From there, convoys could be protected and U-boats could be harried and sunk, so closing the notorious mid-Atlantic gap. Later, it also became an important staging post for US aircraft as it had been in the previous conflict. The significance of the Azores has been overlooked in most military histories, but this extensively researched and copiously illustrated book from historian Guy Warner provides a detailed but balanced appraisal. The author has had access to archives and photographic collections in the UK, USA, Portugal, and the Azores, consulting with local historians to produce a book that sheds much new light on a hitherto underappreciated facet of twentieth-century history. *Historical Dictionary of Portugal* Douglas L. Wheeler, Walter C. Opello Jr., 2010-05-10. Portugal

is a small Western European nation with a large distinctive past replete with both triumph and tragedy One of the continent s oldest nation states Portugal has frontiers that are essentially unchanged since the late 14th century The country s unique character and 850 year history as an independent state present several curious paradoxes As of 1974 when much of the remainder of the Portuguese overseas empire was decolonized Portuguese society appeared to be the most ethnically homogeneous of the two Iberian states and of much of Europe This in spite of the fact that Portuguese society had received during 2 000 years of infusions of other ethnic groups in invasions and immigration Phoenicians Greeks Celts Romans Suevi Visigoths Muslims Arab and Berber Jews Italians Flemings Burgundian French black Africans and Asians Indeed Portugal has been a crossroads despite its relative isolation in the western corner of the Iberian Peninsula between the West and North Africa Tropical Africa and Asia and America Since 1974 Portugal s society has become less homogeneous as there has been significant immigration of former subjects from her erstwhile overseas empire The third edition of Historical Dictionary of Portugal greatly expands on the second edition through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects **Azores** Miguel Moniz,1999 This bibliography is a collection of primarily English language sources including abstracts for approximately 800 books journal articles and theses covering a wide variety of topics about the nine islands of the Azores Moniz an anthropologist who has taught at Brown University introduces researchers to the islands history politics literature culture natural features and far flung migration patterns The entries are organized topically into sections such as oceanography and meteorology travelers accounts whaling religion cuisine and education Annotation copyrighted by Book News Inc Portland OR Salazar Filipe Ribeiro de Meneses,2023-12-05 Salazar A Political Biography is the definitive biography of the longstanding Portuguese dictator Ant nio de Oliveira Salazar entered the government of Portugal when Herbert Hoover was president and ended his political career at the end of the Johnson administration He remained in power for forty years 1928 1968 one of the longest tenures in modern history Unlike the other great dictators of the twentieth century Salazar an academic immersed himself in the minutiae of government and administration maintaining a prodigious work rate until illness forced his retirement He successfully managed his country s finances despite the impact of the Great Depression imposing a harsh policy of austerity He then preserved Portugal s neutrality during the Second World War ultimately favouring Great Britain and the United States But Salazar was at heart an extremely conservative even reactionary statesman He relied on secrecy and a police state to maintain the order which he believed was necessary to control progress Rejecting the anti colonialist movements in Asia and Africa he plunged Portugal into a series of wars in Africa it could ill afford Fully revised and updated throughout this remains the authoritative biography of a key Portuguese political leader who was a significant presence in twentieth century politics This book will be of interest to historians of the far right international diplomacy and Portugal *Salazar* de Filipe,2010-06-23 The only complete

political biography by a major Portuguese historian *Contracting States* Alexander Cooley, Hendrik Spruyt, 2009-05-10

From the middle of the 20th century the cessation of sovereignty either partial or complete has become a commonplace of international relations This volume examines how states divide transfer sovereignty functions in particular how incomplete contracts have come to assume a central role in the process **Books and Bookmen** ,1974 **La via di Lisbona** Ronald Weber, 2018-01-30T00:00:00+01:00

Una città in bilico tra la sua vecchia identità e quella di una eterogenea folla giunta a piedi in bicicletta o con mezzi di fortuna dopo avventurosi e spesso tragici viaggi attraverso la Francia la Spagna o il Nord Africa ebrei oppositori gente che aveva perso tutto o personaggi ricchi e famosi tutti accomunati dalla necessità di trovare una nuova patria a rischio della vita letterati e artisti come Antoine de Saint Exupéry Jean Renoir Chagall Duchamp Breton Man Ray Alma Mahler Franz Werfel Arthur Koestler Walter Benjamin Ian Fleming e i duchi di Windsor la collezionista Peggy Guggenheim insieme a migliaia di volti senza nome in fuga dalla deportazione Ma la capitale del Portogallo anche la porta d'ingresso per i molti che compiono il percorso inverso verso l'Europa in guerra diplomatici giornalisti faccendieri criminali spie doppiogiochisti mercenari Il miscuglio di questa umanità così diversa dona alla capitale portoghese in quei lunghi mesi un'atmosfera piena di elettricità e di tensione nella quale una certa disinvoltura nei costumi si unisce a un fascino decadente e vagamente cospiratorio Weber racconta questa storia ancora troppo poco conosciuta attraverso le mille vicende di coloro che hanno avuto la ventura di viverla con una magistrale padronanza della grande storia politica e una sensibilità rara verso il minimo e il privato **The Romance of History** Scott L. Bills, E. Timothy Smith, 1997 A collection of articles and essays reflecting the varied professional interests of diplomatic historians Lawrence Kaplan Drawn largely from Kaplan's former students now scholars in their own right there are also contributions from senior colleagues Portugal P. T. H. Unwin, 1987 **A Europa, O Ocidente e o Mar** Isabel Maria Freitas Valente, Carlos Eduardo Pacheco do Amaral, 2020

Europa Ocidente e o Mar em particular na perspectiva de Portugal e de Espanha eis o foco e elemento aglutinador dos sete capítulos que enformam este livro Recorrendo à imagem de uma peça musical dir-se-ia que o livro disponibiliza ao leitor como que um conjunto de variações sobre o tema nuclear que o enforma O resultado é oportuna obra que o leitor tem entre as mãos e que num quadro transdisciplinar regista e explora em cada um dos seus capítulos outros tantos momentos e dimensões da grande saga da abertura ao mar e de configuração e reconfiguração dos respectivos Estados e do próprio Ocidente

Scholar's Guide to Intelligence Literature Georgetown University. Library, 1983 **L'aviation et son impact sur le temps et l'espace** Faria Dominique, 2019-07-23T00:00:00+02:00

Des aventures des pionniers en passant par les premières compagnies aériennes jusqu'à l'âge du jet et de nos jours les opérateurs basés en France l'aviation a connu d'importantes avancées qui ont profondément modifié notre rapport au temps et à l'espace Dans cet ouvrage historiens politologues géographes littéraires spécialistes en urbanisme et en sciences de la communication offrent des approches variées sur ce phénomène aux conséquences multiples

When people should go to the book stores, search launch by shop, shelf by shelf, it is essentially problematic. This is why we present the books compilations in this website. It will very ease you to see guide **The Portuguese Connection The Secret History Of The Azores Base** as you such as.

The Portuguese Connection The Secret History Of The Azores Base Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Portuguese Connection The Secret History Of The Azores Base has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Portuguese Connection The Secret History Of The Azores Base has opened up a world of possibilities. Downloading The Portuguese Connection The Secret History Of The Azores Base provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Portuguese Connection The Secret History Of The Azores Base has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Portuguese Connection The Secret History Of The Azores Base. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Portuguese Connection The Secret History Of The Azores Base. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Portuguese

Connection The Secret History Of The Azores Base, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Portuguese Connection The Secret History Of The Azores Base has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Portuguese Connection The Secret History Of The Azores Base Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Portuguese Connection The Secret History Of The Azores Base is one of the best book in our library for free trial. We provide copy of The Portuguese Connection The Secret History Of The Azores Base in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Portuguese Connection The Secret History Of The Azores Base. Where to download The Portuguese Connection The Secret History Of The Azores Base online for free? Are you looking for The Portuguese Connection The Secret History Of The Azores Base PDF? This is definitely going to save you time and cash in something you should think about.
